# Millinery Departments.

For the coming Fall and Winter Seasons of 1890 and 91, our Trimmed Millinery Department will contain all the latest styles and new ideas in Ladies' Hats and Bonnets, artistically trimmed by the leading milliners of Paris and London, as well as those from our own work rooms, and will range in price from \$7.50 to 25.00. For want of space in Catalogue we are unable to illustrate even a few of our very many styles, and as we are constantly adding novelties, we prefer to give full description and prices on application. In addition we have a large stock of Misses' and Children's Trimmed Hats and Bonnets for dress and school wear, also a large variety of Ladies', Misses' and Children's Untrimmed Hats and Bonnets, in all the newest shapes and at very low prices.

## Mourning Department.

Particular attention has been given to the selection of goods for this Department, our desire being to put on sale only such fabrics as can be confidently recommended. Our Mourning Goods are made of the finest silk and best Australian wool; never fray or slip, nor do they crock, fade, or grow rusty; and since the dyes are the same, they can be perfectly matched at any time, and the shades are exactly those of Courtauld's English crapes; made to be used in combinations.

# Men's and Boys' Furnishing Departments.

DIRECTIONS FOR TAKING MEASURES FOR SHIRTS.

A perfect fit guaranteed by following directions for measurement. We require fifteen days to make special orders for shirts, and cannot make less than 1/4 dozen. Printed Order Blanks sent upon application.

**A. Neck.**—If the shirt is to be cut medium in neck, give the exact measure the neck band is to be when buttoned; state if the neck is to be cut high, medium, or low, and also state what size collar is worn, and if for studs or buttons.  
**B. Yoke.**—Measure from outside point of each shoulder across the back.  
**C. Sleeve.**—Measure from the centre of the back, around the shoulder and elbow, to the outside of the hand, to the first joint of the little finger for cuff; for band to wrist joint, the arm elevated at right angles with the body.  
**Bosom.**—Measure from the yoke down to the required length, and state style of bosom desired, and if for studs, eyelets, or buttons, how many.  
**E. Shirt.**—Measure from the button on the neck band down the back to the required length.  
**F. Breast.**—Close measure around the breast under the vest.  
**G. Waist.**—Close measure around the waist under the vest.  
**Cuffs or Cuff Bands.**—Measure loose enough to slip hand through, and state whether for studs or buttons.

State whether Open Front or Back, or Both.

# Information for Ordering Goods, Samples, Etc.

Explanations and Instructions which, if Carefully Followed, will Prevent any Inconvenience or Delay in Shipping Goods.

## WHEN ORDERING.

Be sure to write plainly your Post-Office, County and State; also to state how you want your goods forwarded—whether by open mail, registered mail, express, or freight.

## HOW TO FORWARD MONEY.

Remittances should be made by Drafts, Post-Office, or Express Money Order, payable to Stern Brothers, New York City, any of which offer perfectly safe mediums for transmitting money without loss.

Small Amounts, up to \$4.00, can be sent by Postal Notes, which are issued by nearly all Post-Offices, at a cost of three cents; these, however, are at your own risk, as in case of loss they cannot be duplicated like a Draft, Post-Office or Express Money Order.

## AVOID SENDING MONEY BY OPEN MAIL.

It places temptation in the way of Post-Office employees and others, and is liable to loss without chance of recovery, while P. O. Money Orders and Express Money Orders can be replaced with but little trouble and delay.

## C. O. D.

We cannot send goods by express, C. O. D., with privilege of examination, as the Express Companies refuse to accept goods in this manner; nor can we send goods on approval, but will cheerfully exchange any that are not as represented.

## MAIL.

In ordering goods to be sent by mail, please observe the following: Merchandise can be sent by mail, in packages weighing not over four pounds, as fourth-class matter (unsealed and done up so as to allow inspection by Postmasters), at the rate of one cent per ounce. Goods can, however, be registered at an extra cost of ten cents per package, which mode of mailing we strongly recommend. Prepayments in full, including postage, is required on all mail packages. Glass or liquids are not allowed to be sent by mail, but must be forwarded by express.

## EXCHANGES.

If, upon receipt of your order, you find it has not been filled to your satisfaction, please notify us, stating in what the dissatisfaction exists. *Gloves, Hosiery which have been tried on, Hair Nets, articles purchased outside, and any goods damaged when they reach us, will not be exchanged.* When returning goods via mail, they must be packed so as to allow of ready examination at the Post-Office. They should in all cases be tied, and not pasted or sealed; and be careful not to inclose writing of any kind, as such writing will subject the package to letter rates.

Write your name and address on the outside of the wrapper. This will assist us in identifying the package.

Write your letter or postal card about the goods, and mail at the same time you do the package. This will insure prompt attention.

## SPECIAL NOTICE.

We have no Agents, and no one is authorized to solicit orders or collect money for us.

All Orders, to secure attention, must be directed to the firm.

## SAMPLES.

To all who request, we will send Samples free of charge, asking only that the kind of goods, range of prices, and colors wanted, be explicitly stated, so that we can send just what is desired, instead of a great quantity of samples, which are of no use and which cost us considerable money. In answering any of our communications, please mention number given in our letter, to assist us in attending to same promptly.

STERN BROTHERS, 32, 34 and 36 West 23d Street, NEW YORK.

# Human Hair.

Special attention is paid to the manufacture of Switches from ladies' own combings, which can be made in any weight and in the best manner for \$1.25, or in the French style, with roots all turned one way, \$2.25. A switch of ordinary size requires from 4 to 6 ounces of combings. Hair goods cannot be sent on approval, as we make them to order only as an accommodation to our out-of-town customers. When ordering, send a large sample of your own hair, that we may be able to match same correctly, as we cannot exchange these goods if made according to order.

**POSTAL INSURANCE.**

THE HOME INSURANCE COMPANY will insure the delivery of merchandise from the principal cities to any Post Office in the United States in the registered or ordinary mail. The cost of transmitting merchandise in the mail is 1 cent per ounce, or 16 cents per pound. It is well known that the Government assumes no financial responsibility for registered or ordinary mail. Should a parcel be lost or stolen, the loss falls on the shipper or addressee. The cost of insurance of unregistered parcels valued at \$5 or less, is 5 cents; \$5 to \$10, 10 cents. For registered parcels, valued at from \$10 to \$25, it is 5 cents, and for registered parcels, valued at from \$25 to \$100, it is 10 cents. When ordering goods from your city merchant, instruct him to insure the safe delivery of mail parcels. In case of loss you will be reimbursed therefor or the articles may be duplicated. Stern Brothers will insure parcels when so desired.
