“MANDLEBERG” WATERPROOFS.

REGISTERED] F F O [TRADE MARK

Doubly Guaranteed **FREE** from **ODOUR**.
ABSOLUTELY WATERPROOF.

The “Mandleberg” Patents are for an entirely New Process of manufacturing Waterproof Garments in a superior manner, absolutely Free from Odour, and distinguished for marked improvements upon the old style of Waterproofs, and possessing advantages hitherto unattainable, combined with elegance, durability, and thorough Waterproof qualities.

The “F F O” Mandleberg Waterproofs are cut on new and Scientific Principles. VENTILATED—LIGHT—COMFORTABLE—SOFT—PLIABLE—Admirable Hard-Wearing Qualities. All the Latest Fashionable Shapes, for Ladies, Gentlemen, and Children. Exclusive Designs in every variety of Fabric. Special Patterns for Driving, Fishing, Shooting, Yachting, etc.

As a protection to the public, every Genuine Garment is marked “Mandleberg F F O,” and the Manufacturers Guarantee each Cloak and Coat Stamped with their Trade Mark to be absolutely free from odour and positively Waterproof, to withstand extremes of Heat and Cold, and to be unaffected by Change of Climate.

All leading Drapers, Mantle Houses, Ladies' and Gentlemen's Outfitters and Rubber Depots regularly stock the “F F O” Waterproofs in all sizes, ready for immediate wear. Prices according to qualities, ranging the same as for the old-fashioned Waterproofs, the public having the full benefit of the “Mandleberg” Patented improvements without extra charge.

Owing to the Popularity of the Mandleberg “F F O” Waterproofs, efforts are being made to disguise the objectionable smell of the ordinary Waterproofs, but this can only be temporarily accomplished without infringing the “Mandleberg” Patents, and in wear such Goods are liable to become more offensive than ever, the substance used having a tendency to turn sour and become putrid; whereas, in marked contrast, a Mandleberg Garment is guaranteed permanently free from smell, and will wear sweet to the last thread.

Drink
CADBURY'S
COCOA

"IT IS
ABSOLUTELY PURE."

A FEW OF THE MANY GOOD REASONS
WHY
CADBURY'S COCOA
ENJOYS SUCH
WORLD-WIDE POPULARITY

It is guaranteed to be Pure Cocoa.

It is made instantly with Boiling Milk or Water.

It is not reduced in value by the addition of Starch, Sugar, &c.

It is specially rich in flesh-forming and strength-sustaining principles.

It contains all the delicious aroma of the natural article, without the excessive proportions of fat.

It is delicious, nutritious, digestible, comforting, and a refined beverage suitable for all seasons of the year.

It is a gentle stimulant, and sustains against hunger and bodily fatigue.

In the whole process of manufacturing Cadbury's Pure Cocoa, the automatic machinery employed obviates the necessity for its being once touched by the human hand.

Hutch for Bad Breath.

Most disgusting is it to be afflicted with flatulency. The fermentation of undigested foodstuffs produces gases which are eructated in an offensive manner—that is what is called flatulency. These gases are given off from more or less decayed matter and become somewhat foul smelling. This unfortunate condition seems a little thing, yet it is the cause of much unhappiness. It estranges friendships, makes heart-breaking misunderstandings between sweethearts, and is sometimes the occasion of family quarrels. Hutch will do away with this disease in a natural and effectual manner. Hutch induces the secretion of the gastric juices so that there is plenty to dissolve food—promotes the assimilation of the proper nourishment for the body, and by being slightly cathartic expels all excrement from the body. Hutch will give you a sound, healthy body. It's a doctor for ten cents.

The man who has reverted from three to five dollars in a better coat, and at his first half hour's experience in a good fish to his sorrow that it is hardly a better protection than a mosquito netting, not only feels disgraced at being so badly taken in, but also feels if he does not look exactly like a fish he will have the most awkward and the most disagreeable of all the "FISH BRAND" SLICKER does not have the most awkward, and for descriptive catalogue, A. F. P. WEBSTER, Esq., 377 Washington Street, Boston, Mass.
DEAR SIR: The shoes arrived all right, and are very well pleased. Have worn them to-day in weather that will try any shoe, the soles being covered with several inches of snow and slush; they are perfectly tight, and I was, apparently, about the only one in Philadelphia not wearing others. I would be obliged if you would keep a memorandum of the one you sent for further orders. The shoes are marked 6-6, 192.

Yours,
WILLIAM H. TAYLOR.
