WRITE TO US

for what you want. We answer all letters; and, if you do not hear from us promptly, write again, as your letter or ours has gone astray, or perhaps you did not sign your name or give your address. We receive hundreds of such letters every year.

HAVE YOU

tried shopping by mail? If not, you have lost many opportunities. But you can begin **now**.

NO MATTER WHERE YOU ARE,

it is easy to buy of us. We will send you samples for the asking, answer *all* your questions, and then you may buy or not, just as if you were in our store.

DISTANCE

should not stand in the way of your shopping with us. We believe that a trial order selected from these pages will convince you that the facilities offered by our

MAIL ORDER DEPARTMENT

equal the advantages of a personal selection, and cannot fail to create satisfactory business relations.

OUR MAIL ORDER CLERKS

will stand in your stead, embody your wishes, and exercise their trained taste in filling your order; and any goods purchased of us that are not satisfactory may be returned, and we will exchange or refund your money. Can you ask more?

PICTURES. In addition to our gallery of choice imported paintings in oil and water colors, we constantly carry a well-selected stock of engravings, etchings, reproductions of famous masterpieces, including all standard and recent subjects, and are prepared to furnish, at short notice, anything published in America.

Our foreign purchases of the present season have been so extensive that we are able to offer all goods at from 15 to 20 per cent. lower than at any previous year. Paintings direct from the studios of medalled artists in France, Germany, and Italy, richly framed in gold, from \$15 to 60.

A new feature of the department is an exclusive collection of French Bronzes, reproductions of famous works from the salons of 1895 and 1896, and the largest collection to be seen in the city.

Subjects representing the choicest groups, both modern and classic, \$15, 25, 35, and 50.

Frames. Our Framing Department, comprising over 900 different styles of moulding, is the largest in the country. No other framing department can show an equal volume of business; and our aim is to leave nothing undone that ingenuity, taste, or experience can suggest to please all our patrons. We have recently added seventy-five new modern designs in gills, greens, white and gold, and quartered oaks. Our gold work is irreproachable in beauty of design and color.

Imported Florentine Frames. Direct importations of cabinet and layer Florentine frames have become a specialty with us, at prices from \$1 to 10. Very exceptional both in quality, quantity, and style.

Artist Materials. We would call special attention to our **Artist Material** branch of the department, which includes all the various articles necessary to painting,—oil colors, water colors, pastels, drawing papers, paint boxes, studies, etc.; and our prices for the season will be found far below those of any other house in Boston.

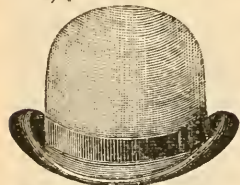

Winsor and Newton's Colors, La Croix China Colors, Gold for China, French Bristle and Sable Brushes, Oils, Varnishes, Fixatifs and Siccatis, Girault's Pastels, Charcoal, Sketching Boxes, Sketching Seats, and Sketch Books, Canvas (smooth and rough), Academy Boards, Drawing Instruments, Plaques, Porcelain Novelties for Decoration, Drawing, Tracing, and Impression Papers, etc.

☞ **Visitors to Boston should not fail to see the Paris Salon pictures in the Jordan Art Gallery on the fourth floor of our great retail establishment. The hours of free admission are from 9 a.m. to 5 p.m. from September to June.**

Our aim is to offer not only such goods as are desirable in color and style, but also of reliable make.

A Satisfied Customer our Best Advertisement.

Our ever-increasing business, both at home and through our Mail Order Department, is convincing proof of the satisfactory manner in which we treat our customers.

Samples sent upon Request.

We forward free of charge, to any address, samples of any of our dress goods, requesting only that care be used in describing as clearly as possible the style and price of goods desired, and for what purpose wanted. By doing this we are able to fill your order quicker and more satisfactorily, and also avoid unnecessary waste of material.

Special and Important Notice.

We cannot too strongly advise the importance, when ordering, of making two selections, first and second choice. Also state if you are willing that we may substitute (at our risk) what seems best, providing what you have ordered has been closed out during interval of correspondence.

A Monthly Bulletin.

As a still further benefit to our mail order customers, we issue the first of every month a special bulletin, giving full particulars regarding our bargain sales of special lots for that month, thus giving you every advantage possessed by a customer visiting our store in person. We will gladly mail you one of these bulletins upon request.

A personal examination is necessary to fully appreciate their beauty and merits.

Fancy Foreign Novelties. We have imported, in lower and medium price novelties, hundreds and hundreds of the very choicest styles. These consist of the very newest colorings, weavings, and combinations of wool, and silk and wool, that foreign skill can produce.

SILKS. The most popular of all dress fabrics for the present season.

Silks for Entire Summer Dresses, Silks for Separate Waists, Silks for Entire Spring Dresses, Silks for Separate Skirts, Silks for Dress Linings, and Silks for Dress Trimmings

From every fashion centre come indications that silks will be worn more universally than ever. To meet this increasing demand we have been preparing ourselves for months, and shall open the spring season with the largest, best, and most practical varieties we have ever shown.

Our unequalled foreign and domestic connections not only enable us to procure the very newest and latest ideas, but also place us in a position to offer them to the public at prices uniformly lower than can be quoted elsewhere.

A satisfied customer Our ever-increasing business, both at home and through our our best advertiser. MAIL ORDER DEPARTMENT, is a most convincing proof of the satisfactory manner in which we treat our patrons.

Samples sent upon request. We forward FREE OF CHARGE, to any address, samples of goods with prices, requesting only, in return, that you describe as nearly as possible goods, styles, etc., wanted, so that we may fill your order more readily, and also avoid waste of material.

A Monthly Bargain Bulletin. We issue each month a special bulletin, giving you full particulars about the many special bargains we are offering for that month. Write for these each month. They will save you money.

Special. We cannot too strongly advise the importance, when ordering, of making two selections, first and second choice. Also state if you are willing that we may substitute (at our risk) what seems best, providing what you have ordered has been sold during the interval of correspondence.

This Catalogue gives you only the lines and varieties of goods we carry in stock throughout the season. If you do not find mentioned here just what you want, **write to us**: we have a special **Bureau of Information**, and can, no doubt, furnish you with what you desire.

 Read about our Mail Order Prizes on the inside of last cover.

SILK'S.—Continued.

Foulards are in high favor, this twill being light, elegant, and so soft as to lend itself to effective draping. The blue and white, and black and white foulards are the most sought after. Among the newest foulards are certain printed novelties showing bright stripes and figures.

There is no doubt of the decided fashion change back to these fabrics. White grounds, light colored grounds, together with the new shades of blues, greens, browns, and purples, shades with white and colored figures, make a most attractive variety to select from.

Following are our staple lines, in connection with which we shall always have some special values:—

Figured Foulard Silks. 24-inch Foulards, 75c per yard.

24-inch Foulards, \$1 per yard.

Figured India Façoné.

Grenadines, as well as other pronounced open-mesh fabrics, are usually in evidence in summer; but this season they are a leading feature.

In Figured Foulards, India Façonnés, and Japanese Silks we control exclusively all our patterns.

These are all made specially for us by the best foreign and domestic makers, which fact, together with our unequalled connections, enables you not only to procure from us the very choicest styles, but to get them at prices uniformly lower than others can afford to sell them at.

**Back Supporting Shoulder Brace and Suspender.**

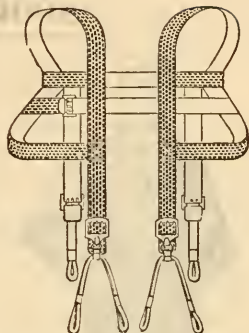

(For Men and Boys.)

This brace provides a firm yet flexible support for the back, from the hips to the shoulders, to which is attached at the waist a yielding belt, which helps to keep the back support in place. At the upper part are connected carefully constructed, adjustable pads, so arranged as to draw the shoulders gently back, without cutting or chafing under the arms, thus inclining the body to an erect position, and correcting all tendency to stooping or round shoulders. Suspender attachments are also added to the trousers, which render other suspenders unnecessary.

# Nemo

TRIPLE STRIP

Ladies are often annoyed by the bones and steels of their corsets protruding through before the corset is half worn out. The Nemo Triple Strip overcomes this defect. Each strip is re-enforced with three layers of material, thus giving to the Nemo much greater strength. The shapes and styles are made to suit prevailing fashions.

A Marvel of Perfection.

Made of sateen, heavily boned and steeled, re-enforced top and bottom, handsomely embroidered, shape perfect. White and drab. Price, \$1.25.

Made of fine sateen, double side steels, heavily boned, re-enforced at top and bottom, very popular. White, drab, and black. Price, \$1.

Made of imported English netting, cadet shape, re-enforced top and bottom of bones and steels, preventing them from cutting through. Price, \$1.

Warranted Unbreakable Hip.

Bones and Steels can not cut through.

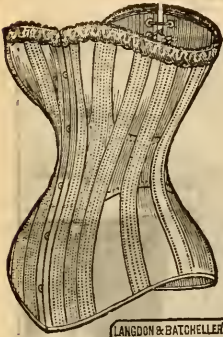

This Corset is suitable for full figures. It is heavily boned, and provided with the well-known Kosmo Unbreakable Hip. The triple strip re-enforcement prevents bones and steels from cutting through the material. Price, \$1.50. Summer Net, \$1; \$1 to \$8 \$1.25. We are authorized to replace this corset with a new one if the hips should break within three months' wear.

Made of Alexandria cloth, sateen strips, three side steels, re-enforced top and bottom of each side steel, boned bust, and imported silk edging. White, drab, and black. Price, 75c.

## Hints on Measuring and Ordering.

Be sure and follow directions for each garment.

Don't make too much allowance for growth, as our sizes are cut to the average boy, and are correct.

Be sure and give age as well as measurements.

The proper way is to save size ticket, generally found on the garment, for future use, and, if growth is rapid, order one or two sizes larger.

In cases where we are unable to furnish samples, kindly describe pattern and colorings desired, and we will fill order in best possible manner.

When ordering, kindly remember to make first and second choice; in so doing, it will enable us in some cases to be more prompt in the delivery.

We have found it necessary to reserve a large amount of our stock entirely for our Mail Order Business.

This greatly aids in filling orders correctly and promptly.

# Jordan, Marsh and Company's FOUR MAIL ORDER PRIZES.

- FIRST.     **\$50** to the person sending in the greatest number of orders between March 15 and July 1, . . . 1897.
- SECOND.   **\$50** to the person sending in orders amounting to the most money in the aggregate from March 15 to July 1, . . . . . 1897.
- THIRD.     **\$25** to the person sending in the second greatest number of orders between March 15 and July 1, 1897.
- FOURTH.   **\$25** to the person sending in orders which will aggregate the second largest amount of money from March 15 to July 1, . . . . . 1897.

The greatest number of orders received means the greatest number received from one person.

The greatest amount of money received means the greatest amount received from one person.

One and the same person can win both the first and second prizes.

The orders must come through our Mail Order Department, and not personal purchases in the store. Traders, express companies, and public carriers are excluded from competition.

No restriction is placed on the number of orders or amount of money sent in, so the four prizes must be won by somebody. Tell your friends to send for a copy of this book, and try for a cash prize. Everything in it is actually needed in every household. Every one of your neighbors is a consumer of something we have in our store. Ask them to send their orders through you.

If there is any one in your section who never heard of us, tell them we have been fifty-six years in business, that our house is the largest in New England, that we have grown to our present enormous proportions by fair dealing and giving our patrons the best goods at the lowest prices. And do not forget to tell your friends and neighbors that we will always cheerfully refund the purchase price on anything that proves unsatisfactory from any cause.

The prizes are to be awarded in August, 1897, and the names and addresses of the winners published in our Fall Catalogue, issued in September of that year. Jordan, Marsh and Company's check for the amount of the prizes won will be sent to the name and address of the winner.
