# INFORMATION FOR CUSTOMERS.

ORDER ONLY FROM THIS CATALOGUE, (No. 52.)

Goods previously advertised cannot now be furnished.

*Our patrons will find it greatly to their advantage in ordering goods to make themselves familiar with these suggestions.*

**TERMS.**—Our terms are C. O. D. unless prepaid by Draft, P. O. Money Order or American Express Co.'s Money Order, which in each case should be made payable to the order of B. ALTMAN & Co., New York City, or, if more convenient, by money enclosed in registered letter.

As Express Companies decline collecting amounts less than five dollars, all such orders must be paid for in advance. We also require a deposit of one-fourth the amount on all orders for outfits, suits made to order or any other article made specially; the balance will be collected by the Express Company, including return money charges.

**REFUNDING OF BALANCES.**—When a balance is due after filling an order it will be returned at once with bill of items. Amounts over one dollar will be refunded by check; under that sum in postage stamps. No notice will be taken of debit or credit balances under five cents.

**CORRESPONDENCE.**—Please write the name in full, giving Post Office, County and State, also state the amount of money enclosed. Married ladies will save confusion of accounts by invariably using their husbands' initials.

**SENDING OF GOODS.**—We forward all goods by Express unless otherwise requested, it being the safest method, as all responsibility for loss or damage is assumed by the Express Companies.

No C. O. D. can be sent by mail, and prepayment in full including postage is required on all mail packages.

Goods ordered to be sent by mail can be registered at an extra cost of ten cents per package, which mode of mailing we strongly recommend as being quite safe.

Articles of glass, liquids, toilet powders, soaps, etc., are not allowed in the mails, but can be sent by Express. No article of merchandise subject to duty can be sent to a foreign country by mail.

**RETURNING GOODS, APPROBATION, &c.**—No goods will be sent on approval or C. O. D. subject to inspection; we warrant all goods advertised to be as represented.

**POSTAL RATES FOR SENDING GOODS BY MAIL.**—Postage is one cent per ounce. Parties sending us any goods by mail will please take notice that all packages must be so tied as to admit of being opened without destroying the wrapper, and to have the name and address of the sender written on the *outside* of the wrapper—as any written matter enclosed, even a tag with the price marks written thereon, subjects the whole package to letter rates. Packages that can be sent by mail are limited to four lbs. weight. Our advices from Paris all indicate that Silks are again coming into favor, and will be used extensively this Spring. For early Spring wear Surahs, Satin Rhadames and Faille Francaise will be the most popular weaves in plain colors. For Summer wear, China Pongees, which we will show in very novel and exclusive designs of printing, will be much in favor; also Louisene Silks, Check and Striped Taffeta Silks will be in great demand for Spring and Summer wear.

The assortment of Foreign Novelties for this season is unusually attractive, the most favored being in Pekin effects. Mouseline Velour, Velour Gaze, Faille Velour Pekin Chine, are some of the new combinations in our exclusive novelties.
