Fashion Catalogue.

Please Note Carefully the Following:

We mail our *Illustrated Fashion Catalogue* Semi-Annually, about 10th April and 10th September, and should our patrons not receive a copy in TEN DAYS AFTER the dates named, we will deem it a favor if they will so inform us, that we may mail another copy.

REMITTANCES.

Always state amount of remittance in letter and in what manner made. All orders should be accompanied by Post Office or Express Money Order, Bank Draft, or Certified Check payable to the order of H. O'NEILL & Co., Sixth Avenue, 20th to 21st Street, New York City. Postal Notes and Currency sent by Registered Mail. Please observe that the figures and the written amount upon Postal Notes and Money Orders agree, and that they are signed by the postmaster issuing the order.

MAIL INFORMATION.

Merchandise by mail costs one cent per ounce. We would advise our customers to have all mail matter insured or registered. When customers fail to give shipping directions or to enclose sufficient to cover cost of mailage, we will forward by express. Articles weighing over 4 pounds must be forwarded by express, therefore state how dress goods, curtain laces, white goods, etc., are to be cut, if in excess of weight for mailing.

No writing whatever is allowed to be enclosed in package with goods; but the sender should write his or her full name and address (only) on the outside of the package, so that we may know by whom the goods are forwarded.

EXECUTION OF ORDERS.

We execute all orders on the day received, otherwise an acknowledgment will be mailed setting forth the cause of delay; should you not receive a reply within a reasonable time, please duplicate order and give particulars of the inclosures in the original. Pin all samples to the letter, and always give sizes for hosiery, collars, underwear, gloves, shoes, etc., and colors for curtains, gloves, etc. We cannot hold ourselves responsible for goods that may be lost (unless forwarded by insured mail) or damaged in transit. Be sure to write your name and address legibly, and sign all your correspondence with the same Christian name.

COMPLAINTS.

Should any of our customers have any cause for complaint, we shall deem it a favor if they will furnish us with the particulars, that we may thoroughly investigate and do justice by all concerned.

EXCHANGE OF GOODS.

Should goods prove otherwise than as represented, we will cheerfully exchange and assume the expenses, provided they are returned to us within a reasonable time and uninjured; in event of goods being unsatisfactory, we will investigate upon intimation and instruct to return, or otherwise, as may be reasonable and equitable. We cannot accept any returned goods that have been damaged or soiled, or any that may have been made to order.

C. O. D.

We cannot send any goods C. O. D. unless the order is accompanied by one-quarter of the amount of the total value of the order, which amount will be deducted from the C. O. D. bill. We positively decline to send goods on approval, as we guarantee all our goods to be as represented. In all cases it is better to send the full amount of the order, as the expense of returning the money by express is saved thereby.

SAMPLES.

When requesting samples, always state prices, widths and colors of goods desired, otherwise we cannot comply, as we may send many samples and yet omit those which may be most desired. When ordering from samples, always make a second choice, as goods selected may possibly be sold in the interval of correspondence. We cannot furnish samples of laces.

Grape Refinishing.

We invite attention to the valuable improvement effected in renewing Grapes, and making it IMPERVIOUS TO DAMPNES, by the

SURVIVE & PATENT PROC SS.

Crape, no matter how faded, colorless and shabby is, by this process, restored to its original texture; and two additional qualities are attained, which new crape does not possess:

1st. The disagreeable odor peculiar to Crape, which ordinarily is so sickening to ladies, is eradicated.

2d. This process renders the Crape thoroughly IMPERVIOUS TO DAMPNES.

When refinished by this process, it will withstand rain, dampness, or salt air, without affecting either the color or texture, and will always remain an indelible and lustrous black, and new in appearance.

Millinery Department.

This Department, although occupying an immense space, will be enlarged double the size by October 1st, and will be the largest Department in the United States.

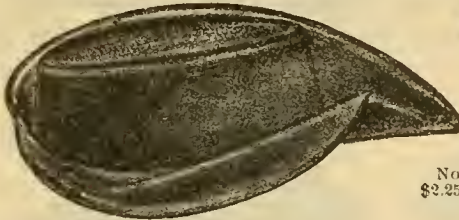

For the Fall and Winter Seasons we have a carefully selected and much larger and better assorted stock than heretofore, comprising all the leading Foreign and Domestic Novelties.

We have also a large stock of Mourning and Second Mourning Bonnets at our acknowledged low prices, and no end of variety in Feathers, Flowers, Birds, Wings, Wreaths, etc. We guarantee all our Trimmed Hats and Bonnets to be as represented, therefore, should they prove unsatisfactory we must decline taking them back, as they would be more or less injured by the repacking, handling, etc. We will in no case substitute any article in this Department, unless allowed such privilege. We make a specialty of Children's Trimmed Hats for school; also a full line of Winter Novelties in Toboggans, Tam O'Shanter, Steamer Cap, etc.

FINE ASSORTMENT OF MEN'S SCARFS, TIES, Etc.

Hosiery Department.

FOR many years past (since the introduction of Black Hosiery) we have endeavored to procure an article of standard wear, and have at last secured "OUR OWN FAST BLACK," which we guarantee in every respect. All are our own importations made from the best Maco yarns, and we will cheerfully replace any pair that does not give satisfaction. In addition to this line we still continue the sale of the well-known brand "THE ONYX" These goods are absolutely Fast Black, and will not crock off on the clothing or person, and are entirely free from all poisonous ingredients.

We also have a full line of Ladies' and Children's Black Spun and Pure Silk Hosiery, made specially for us, and imported direct from the manufacturer.

Our other lines are full and complete, comprising: Lisle Thread in all leading shades; Fancy Cashmere, in black, navy, cardinal, wine, drab, bronze and natural; Silk and Wool, fleeced lined, in black, navy, seal, cardinal, wine, drab and mode shades.

N. B.—Soap should never be rubbed on fancy hosiery; use suds only made of the best soaps Wash dry and iron on the wrong side. All this should be done quickly.
