## A Word to our Patrons.

By reason of our Mail Order Department we are virtually next door to you. There is nothing in our vast establishment that you cannot have precisely as if you stood before our counters, and at the same price. You can save time, money, and the annoyances attending shopping in person, by ordering what you desire through our Mail Order Department. Our Mail Order Clerks will stand in your stead, and exercise their trained taste. They are here for that purpose. We educate them for this especial work.

## How to Order by Mail.

In ordering please state the amount of money you enclose. Write plainly your name, town, and State. Always mention *how* goods are to be sent, whether by mail or express. If by mail, always enclose a sufficient amount to cover the postage, which must be prepaid. If there is a surplus left, it will be returned to you by mail in a separate envelope, with an itemized bill. Postage rates are one cent an ounce, but the parcel must not weigh over four pounds, as that is the limit. Express charges can be paid when goods are delivered. Goods will be sent by express C.O.D. when desired, but cannot be sent in that way by mail. We are not responsible for unregistered letters containing money, or merchandise packages. Registry fee is eight cents additional to postage. The safest way to remit is by money orders or registered mail.
