This hat looks pretty in pale pink, blue, or drab; also in buff to imitate Tuscan.

This hat is knitted in the same way as the one previous, only in white instead of shades, and made up with a fancy cord between each pattern, and a button at the top. This shape is better shown in the Illustration than I can describe it. You will require ribbon round the hat, with bow and ends hanging behind, and a round rosette of ribbon in front with two feathers, knitted as follows.
