Nettleton

Military Footwear

for American Army Officers

A. E. Nettleton Co., the largest manufacturers in America of Men's Fine Shoes Exclusively, have maintained the highest known standard of shoe quality for over forty years.

Officers of the regular army have long endorsed this line with their patronage. Officers of the new army, through their purchases, are expressing pleasure in finding that Nettleton civilian quality is obtainable also in military footwear.

Many officers are anticipating their future needs by outfitting now with both Dress and Service Boots or Shoes and Puttees bearing the Nettleton mark—an assurance of ultra style and quality.

A pair or a complete set of dress and service boots or of shoes with puttees to match from the Nettleton line of Military Footwear Extraordinary will prove a most acceptable gift.

There is a Nettleton dealer in every city, in the vicinity of every cantonment and in most post exchanges. A Paris representative looks after the needs of American officers on the Continent.

Write today for descriptive booklet and information as to where you can obtain the necessary service.
