Special

BEGINNER'S OFFER

Attention, all those interested in taking up one of the most fascinating of hobbies . . . Emblem Collecting! For a limited time only we are making a very special "Beginners Offer" of a

STARTING ASSORTMENT OF

50 PATCHES

Guaranteed \$10.00 Value

FOR ONLY

\$5

Of course, you'll have to leave it up to us to pick out a good selection for you, but the same guarantee of satisfaction applies to this offer as on every purchase made from us. Our usual **SATISFACTION-OR-YOUR-MONEY-BACK GUARANTEE APPLIES!**

SPECIAL NOTICE

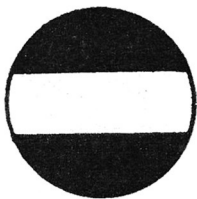

In assembling a catalog such as this, keeping up to the minute by inserting the latest patches as they are authorized, it is essential that there be a "stopping point." Since choosing our "stopping point" in the proper arrangement of the insignia shown, many new arrivals have been added to our stocks . . . and therefore will be found in our

Emblem Supplement Beginning on Page 33

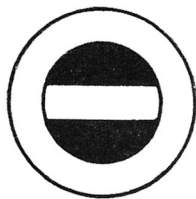

In picturing, identifying and pricing so many items, there is always the possibility of an error. Although we've checked and double-checked, and feel that the catalog is accurate in every respect, we will appreciate the calling to our attention of any discrepancies that might appear . . . as well as any suggestions that you might have to offer for the improvement of succeeding issues which will, of course, contain all newly authorized patches and many more World War I and foreign patches.

We Manufacture Embroidered Insignia

When 57 or more embroidered emblems of any kind are desired, forward a rough sketch to us showing the exact size and shape of the proposed emblem with colors indicated, and we'll rush a quotation to you. As is true in the manufacture of most other items, the greater part of the cost in emblem making is in the initial stages . . . so, naturally, the larger the order, the less the unit cost. We guarantee our prices and workmanship to be "right." Let us supply your emblem needs.
