## PART I.

### GENERAL PROVISIONS.

**1. ACTING DENTAL SURGEONS.**—The full-dress uniform, the special evening dress, and the mess jacket are not authorized for acting dental surgeons; their dress, service, and white uniforms and overcoat will conform to those of medical officers, but without the shoulder strap or other insignia of rank. The collar ornaments for their dress, service, and white uniforms will be of silver instead of gold or bronze, the silver caduceus being superimposed in the center by a monogram of gold or gilt, bearing the letters "D. S." They will not wear the letters "U. S." on the collar.

**2. ADDITIONAL OFFICERS** will wear the same uniform as other officers according to the rules set forth in this order. For the insignia of corps, department, or arm of service of those not regularly assigned to organizations, see par. 24, p. 18.

**3. ALASKA.**—Boots (rubber, hip), caps (fur), coats (Mackinaw and oilskin), moccasins, pea-jackets, felt shoes, and other articles of clothing specially provided for troops stationed in Alaska, including those of the Signal Corps on duty aboard cable ships during service in Alaskan waters, will be issued on memorandum receipt to company and detachment commanders for use of the men of their commands.

**4. ALTERATIONS, FITTING OF UNIFORMS, ETC.**—Alterations will not be made in any article of the uniform that will result in a material change from the cut prescribed for it in regulations; nor will hooks be placed on the front of the coat below the buttons. Company commanders will exercise personal supervision over the fitting of the uniforms of the men of their companies, and permit only such changes as will insure a proper fit without disturbing the general appearance of the uniform.

**5. ATHLETIC CLOTHES.**—Tennis, baseball, football, golf, and other athletic clothes may be worn when engaged in athletic games and sports.

**6. BAND UNIFORMS.**—Bands will wear the general uniform of their regiment or corps. Commanding officers may, from regi-

mental or band funds (A. R. 325 and 326), add such ornaments to the full dress and the dress uniform as they may deem proper and which are not contrary to the provisions of this order. Such ornaments will not include shoulder knots, shoulder straps, officers' trouser stripes, officers' insignia of rank, or any other article specially prescribed for officers.

Drum majors of mounted bands will carry sabers. Those of dismounted bands will carry batons.

The Ordnance Department will issue to bands, without charge, waist belts of enamel leather of the color of their corps or arm of the service. The Quartermaster Corps will issue, without charge, batons, music pouches, and black lynx-skin shakos. These articles will remain the property of the United States, but will be charged in case of loss or damage.

**8. CHANGES AND MODIFICATIONS IN ARTICLES OF UNIFORM.**—When changes or modifications are made in articles of clothing or equipage, issues to the Regular Army and Organized Militia of the kinds and patterns then on hand will be continued until the supply thereof is exhausted; and whenever any particular kind or size of articles of clothing or equipage that has been modified is exhausted, requisitions for that kind or size will be filled from the new pattern that may be adopted.

**9. CHAPLAINS.**—When a particular coat or vestment is required by the church to which a chaplain belongs he may wear such coat or vestment while conducting services.

#### **10. CIVILIAN CLOTHING.**

(a) **Civilian evening dress** will not be worn at posts by officers belonging to the command.

(b) **Enlisted men on pass and furlough.**—Enlisted men may wear civilian clothing on furlough, and within the continental limits of the United States they may be authorized by the commanding officer to wear civilian clothing when on pass.

(c) **The wearing of civilian clothing within the post** by officers and enlisted men will be restricted to the time necessary in entering and leaving same. (See "Uniform to be worn in camp and garrison," par. 51, p. 24.)

(d) **Philippines and other foreign stations.**—Officers stationed in the Philippines, the Hawaiian Islands, Alaska, the Panama Canal Zone, and Porto Rico are not authorized to wear civilian clothing except when leaving or returning to such countries, unless

especially exempted by the Secretary of War. Officers with troops on other foreign service will be governed by the same rule.

(e) **Not to be accompanied by parts of uniform.**—When officers or enlisted men wear civilian dress, it will not be accompanied by any mark or part of the uniform, except that officers may wear service breeches and regulation leather leggings or russet-leather boots with civilian coat when riding outside of post limits and off duty. The use of the service hat and the regulation saddle-cloth by officers riding in civilian clothes is prohibited.

(f) **Optional wear of rosettes and buttons.**—Rosettes or buttons of approved pattern, to consist of ribbons of the same color as those that pertain to the several service medals and badges, are authorized for optional wear with civilian clothing on the part of those persons to whom such medals and badges have been awarded or may be awarded, in lieu of the medals or badges to which such rosettes or buttons pertain respectively.

**11. CIVILIANS NOT TO WEAR THE UNIFORM.**—In Alabama, Arizona, Arkansas, California, Connecticut, Florida, Georgia, Idaho, Illinois, Iowa, Maine, Maryland, Michigan, Mississippi, Missouri, Montana, New Hampshire, New Mexico, New York, North Dakota, Oklahoma, Oregon, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Washington, West Virginia, and Wisconsin it is a misdemeanor for any person not an officer or enlisted man of the United States Army, Navy, Marine Corps, National Guard, Revenue Service or Forestry Service, or inmate of a veterans' or soldiers' home to wear the uniform of the United States Army. The law does not apply to persons of the theatrical profession while actually engaged in their profession.

**12. CONFORMITY OF ARTICLES OF THE UNIFORM AND ARMS AND EQUIPMENTS TO STANDARD PATTERNS, AND PUBLICATION OF DESCRIPTIONS AND SPECIFICATIONS OF SAME.**—All articles of the uniform, including garments of headgear, footgear, ornaments, insignia, buttons, decorations, and other articles herein specified, will, with the exceptions stated in this paragraph, conform in the quality, design, and color to the sealed patterns in the office of the Quartermaster General, who will from time to time publish descriptions and specifications of such patterns. *Exceptions:* Officers' collars, cuffs, evening dress shirts, neckties, shirt studs, shoes, socks, and white gloves; also suspenders for officers and enlisted men.

Organization commanders and other officers may obtain copies of the Uniform Specifications upon application to the Chief, War College Division, Washington, D. C.

**15. DIGNITY OF THE UNIFORM.**—Officers, especially organization commanders, will impress upon enlisted men that the dignity of the uniform and the respect due it are best preserved when its wearers so conduct themselves as never to cast discredit upon it. Permission to wear civilian clothes when on pass should never be granted enlisted men merely as a reward for good conduct, as this would appear to discredit the uniform. Such permission should be given only when conditions indicate that it would be for the best interests of the service, and is not in violation of the provisions of these regulations.

**16. DISCRIMINATION AGAINST THE UNIFORM A MISDEMEANOR IN THE DISTRICT OF COLUMBIA, TERRITORIES, INSULAR POSSESSIONS, AND CERTAIN STATES.**—In the District of Columbia, in any Territory, the District of Alaska, and any insular possession of the United States, and in the States of Connecticut, Florida, Massachusetts, Minnesota, New Hampshire, New York, Oklahoma, Pennsylvania, Rhode Island, and Wyoming, it is a misdemeanor for the proprietor, manager, or employee of a theater or other public place of entertainment or amusement to discriminate against any person lawfully wearing the uniform of the Army of the United States.

Commanding officers will inspect and verify the arms, service uniforms, and field equipments of officers and enlisted men as often as they may deem necessary to assure themselves that all members of their commands

are prepared to take the field upon short notice, fully equipped and uniformed, as prescribed herein.

### 37. RECORD OF SIZES OF CLOTHING.

(a) A record will be kept in each company, troop, battery, and detachment of the sizes of clothing required for each enlisted man thereof as ascertained by actual trial of the various articles of clothing. A sample of each size of garment used at the post will be furnished to post quartermasters for the use of organization commanders in "trying on" the garments until a satisfactory fit is secured and the soldier's record is correct. This record will be amended from time to time, especially in the case of young soldiers, as occasion may require. Requisitions will conform to the record of sizes.

When, for any reason, the proper sizes can not be obtained by actual trial, the tables published in the Annual Price List of Clothing and Equipage will be consulted by organization commanders in the preparation and maintenance of the soldier's record, which may be kept conveniently by entering the name of each man and the name and required size of each article of clothing on one of the individual slips of the clothing requisition blank, and then binding these slips to form 86, Quartermaster Corps, suitably labeled to show contents.

uniform and who do not present a neat appearance will not be allowed to leave the limits of the post, and men who return in an untidy or dirty condition will be disciplined. This will also apply to enlisted men on transports in foreign or home ports.

(g) **Service stripes.**—All enlisted men who have served faithfully in the Army, Navy, or Marine Corps for a period of three years, continuously or otherwise, will wear as a mark of distinction a service stripe of the corps, department, or arm of the service in which the service was rendered.

For each additional period of three years' faithful service, continuous or otherwise, an additional service stripe will be worn.

Whenever the three-year period covers service in two or more corps, departments, or arms of the service, the service stripe therefor will be of the color of the facing of the corps, department, or arm of the service in which the major portion of the period was served.

Service stripes will be worn diagonally, upon both sleeves of the dress coat, below the elbow, extending from seam to seam, the front end being the lower and about  $3\frac{1}{2}$  inches from the end of the sleeve. In case of more than one stripe, they will be worn one above the other in the order in which they were earned,  $\frac{1}{2}$ -inch space between stripes.

(h) **Other sleeve insignia of enlisted men.**—Insignia for artificers, cooks, farriers, first-class privates (Engineers, Ordnance,

### 86. INSIGNIA ON SWEATER.

(a) When the sweater is worn by officers, the insignia of rank will be worn on the collar of the sweater, similarly placed as prescribed for the collar of the shirt in par. 82, p. 37.

(b) The insignia of rank of noncommissioned officers will be worn on the sleeve of the sweater, as prescribed in par. 85 (c) p. 40.

### 87. LEGGINGS.

Officers will wear russet leather or pigskin leggings with the service uniform, except that, unless otherwise prescribed, mounted officers and other officers when mounted may wear russet-leather boots instead, and that in the field officers may wear canvas leggings or woolen puttees.

Enlisted men will wear the prescribed leggings with the service uniform.

**88. MEAT CAN, KNIFE, FORK, AND SPOON** will be carried as prescribed in orders from the War Department and in authorized equipment manuals, whenever issued. When such orders and manuals are not issued for particular organizations or arms of the service, these articles will be carried in the haversack when dismounted; when mounted, in the near-side saddlebag or offside pommel pocket.

**89. NOSE BAG OR FEED BAG** will be carried as prescribed in orders from the War Department and in authorized equipment manuals, whenever issued. When such orders and manuals are not issued for particular organizations or arms of the service, the nose bag will be carried by officers on offside of the cantle, and, when the blanket is carried, it will inclose the end of blanket roll on offside of the cantle, as prescribed in the Cavalry Drill Regulations for enlisted men. The feed bag (grain bag inclosed) will be carried as a roll in the pommel coat straps and, with the new model equipments, on top of the pommel pockets.

The blanket will not be carried on the saddle by officers merely for purposes of inspection.

**90. OILSKIN CLOTHING** (black), including hats and half-hip rubber boots, may be worn by officers and enlisted men of mine companies, mine planters, cable steamers, Quartermaster Corps, and by troops in Alaska.

**91. OVERALLS.**—Troops to whom overalls have been issued will wear them on stable duty instead of the fatigue uniform.

**92. OVERCOAT.**

(a) **Blanket-lined** overcoats will be issued to troops stationed in extremely cold regions when the necessity for such issue is certified by the post commander, but only to men performing guard duty or other necessary outdoor duty when exposure to weather would jeopardize life or limb. These overcoats will not be charged to the enlisted men, but will remain the property of the United States.

(b) **Olive-drab.**—The olive-drab overcoat will be worn over any uniform without change of headgear whenever prescribed. When off duty, the overcoat may be worn in cold or other inclement weather.

(c) The overcoat will be buttoned throughout whenever worn.

**93. OVERSHOES** may be worn by officers and enlisted men when not at formations and will be worn whenever prescribed by the commanding officer.

**94. PICKET PIN AND LARIAT** will be carried as prescribed in orders from the War Department and in authorized equipment manuals, whenever issued. When such orders and manuals are not issued for particular organizations or arms of the service, these articles, if new model, will be carried, the picket pin in picket-pin carrier (special) and the lariat, rolled, on top of the cante roll, fastened with coat straps; if old model, the picket pin, with lariat neatly coiled, will be fastened to the near cante ring.

**95. PISTOL.**—The pistol will be worn when equipped for field service by veterinarians and all officers, except chaplains and officers of the Medical Department. (See notes 2 and 3, p. 52.) The pistol will be worn on the right hip. The pistol belt will be worn outside the coat or overcoat.

**96. PONCHO.**—To use the new pattern poncho as a rain protection, button the poncho together, commencing at the end provided with buttons, the length of the closed portion depending upon the height of the wearer, then pass the part so buttoned over the body and insert the head through the opening provided, the upper or unbuttoned part falling to the rear and forming a cape. If necessary, the cape thus formed may be secured by buttoning it to one of the

rear buttons by means of the buttonhole in the center of the back thereof or by tying the gilling cord furnished with the poncho around the waist.

### 97. RIBBONS.

(a) The sections of ribbons are a part of the uniform and will be worn as prescribed in this order.

(b) **By whom worn.**—By those entitled to wear the corresponding badges or medals.

(c) **When worn.**—With the special evening dress, the dress, the mess jacket, the service, and the white uniforms.

**NOTE.**—The medal of honor, instead of the ribbon, is worn with the special evening dress and mess jacket.

(d) **How worn.**—With the *cotton service*, the *white uniform*, and the *white mess jacket*, the ribbons, without space between them and without overlapping, will be sewed on a bar having a brooch-pin arrangement or eyelet shanks. In the latter case the bar will be secured to the coat in the same manner that the buttons are secured to the service coat. With the *woolen service*, the *dress*, the *blue mess jacket*, and the *special evening dress* the ribbons may be sewed on the coat or on a bar as just described.

Ribbons will be worn on the left breast in a horizontal line about 4 inches below the middle point of the top of the shoulder.

In cases where the ribbons are sewed on the coat enlisted men, in full dress uniform, wearing badges will pin them just above the ribbons, so as to exclude the ribbons from view. If the ribbons are not sewed on the coat, they will be removed.

With the *special evening dress*, the *blue mess jacket*, and the *white mess jacket* ribbons will be worn on the left breast of the coat in a horizontal line about 4 inches below the middle point of the top of shoulder, the ribbon nearest the center of the body nearly touching the edge of the lapel. If necessary to have more than one line of ribbons, the other lines will be placed below and parallel to the first line, with a space of three-eighths inch between lines, the middle of each line being in the middle of the space between the edge of the lapel and the left side of the body.

With the *dress*, the *white*, and the *service uniforms* ribbons will be similarly worn except that the lines will begin nearer to the center of the body.

(e) **Order in which worn.**—Ribbons will be worn in the following order, from right to left:

- (1) The medal of honor ribbon.
- (2) The certificate of merit ribbon.
- (3) The Philippine congressional medal ribbon.

(4) The campaign ribbons in the order of the dates of the campaigns.

(5) Army of Cuban Pacification ribbon.

(f) **Not to be worn by officers suspended from command or enlisted men in confinement.**—Ribbons will not be worn by officers suspended from rank and command, nor by enlisted men serving sentence of confinement.

(g) **Not to be worn on shirt or sweater.**—Ribbons will not be worn on the olive-drab shirt or the sweater.

#### 98. SABER.

(a) Officers of the dismounted service and of the staff departments, and the noncommissioned officers of the dismounted service and staff departments armed with the saber, will not carry the saber in the field. Officers and enlisted men of the mounted service when acting as dismounted troops will not carry the saber. At other times the saber will be worn by all officers when on duty with troops under arms or side arms, and on the occasions stated in the "Tables of Occasions."

(b) When dismounted, the saber will be habitually worn guard to the rear, with the scabbard hooked. When worn with the overcoat, the belt will be inside and the saber outside the overcoat. When mounted, the scabbard will be worn attached to the near side of the saddle by saber straps passing through the pommel ring and the quarter ring of the saddle. With the new model equipment, when mounted, the scabbard will be worn in the saber carrier which is held in place by passing its attaching strap through the loop on the off cantle hinge; the depending billet buckles to the carrier strap; adjust so that saber shall swing in a vertical plane. The officer uses the saber carrier for either saber. It goes on the near side also.

(c) The proper saber knot, as indicated in the "Tables of Occasions," will always be worn with the saber.

(d) Upon social occasions when the saber is worn, it may be temporarily laid aside, but the belt and slings will not be removed.

(e) The adjutant will wear side arms when placing officers in arrest. (See par. 51 (b and c) p. 24.)

#### 99. SABER KNOTS.

(a) **The dress saber knot** will be attached to the saber when worn with the full dress, the dress, and the white uniform, and when worn by the officer of the day with the special evening dress or the mess jacket, as authorized in par. 27, p. 19.

(b) **The service saber knot** will be attached to the saber when worn with the service uniform.

**100. SADDLECLOTH.**—To be used by all officers when mounted in uniform, and to be worn over the saddle blanket or pad. (For saddlecloth insignia, see par. 83, p. 38.)

**101. SASHES.**—General officers above the grade of brigadier general will, with the full dress uniform, wear the sash across the body from right shoulder to the left side and not extended around the waist; brigadier generals will wear the sash in one thickness around the waist, so as to fit snugly over the belt.

### **102. SHIRTS.**

(a) **Olive drab.**—The commanding officer may, when he considers it advisable, on account of climatic or other conditions, prescribe the wearing of the olive-drab shirt without the coat at certain drills and without the sweater when in the field. (See par. 111, p. 48.) A belt will then be worn instead of suspenders. When the shirt is so worn, elastic or other arm bands will not be worn.

(b) When the olive-drab shirt is worn without the coat or sweater, except when the coat or sweater is only temporarily removed, the insignia of rank will be worn on the collar by officers, as prescribed in par. 82, p. 37, and the chevrons will be worn on the sleeves of the shirt by noncommissioned officers as prescribed in par. 85 (c), p. 40.

(c) The olive-drab shirt will be worn with the service uniform in the field.

(d) **White evening dress.**—White evening dress shirts with plain stiff bosoms will be worn by officers with the special evening dress and the mess jacket.

### **103. SHOES.**

#### OFFICERS.

The russet leather shoes will conform in general style to the shoes issued by the Quartermaster Corps. The high shoes of polished black leather, black enamel, or patent leather, will have plain black leather or plain kid tops, with or without toe tips.

**Full dress and dress uniform (dismounted).**—High shoes of polished black leather, black enamel, or patent leather.

**Service uniform.**—High russet leather shoe.

**Special evening dress and blue mess jacket.**—High or low shoes or pumps of black enamel or patent leather.

**White uniform.**—Low white canvas shoes.

#### ENLISTED MEN.

**For all occasions.**—Russet leather shoes, as prescribed, for all occasions.

**The gymnasium shoe** will be worn in gymnasium work. It may be worn in barracks and may, when prescribed by the commanding officer, be carried in the surplus kit and used as a camp shoe.

104. **SHOULDER BELTS** will be worn with the full dress uniform by all officers of the Signal Corps, including those detailed therein.

105. **SHOULDER KNOTS** will be worn on the full dress coat, the special evening dress coat, and the blue and the white mess jackets, except that general officers will wear epaulets with the dismounted full dress, unless capes, waterproofs, or overcoats are worn because of inclement weather, in which event the shoulder knots may be worn.

106. **SHOULDER STRAPS** will be worn on the dress coat.

107. **SOCKS**.—Black socks will be worn with the blue uniform dismounted and white socks with the white uniform.

108. **SPURS** will always be worn when boots are worn, whether mounted or dismounted. When mounted, with leggings or woolen puttees, spurs will be worn. Black straps will be worn with black boots and russet-leather straps with russet-leather boots and leggings when the latter are worn on mounted occasions.

109. **STABLE FROCKS**.—Troops to whom stable frocks have been issued will wear them on stable duty instead of the fatigue uniform.

110. **SUSPENDERS** may be worn, but they must not be visible.

111. **SWEATER**.—The sweater, as issued by the Quartermaster Corps, will be worn by troops of the mobile army *in the field only*, when the weather is too cold to admit of the use of the flannel shirt alone.

Service coats will be packed and taken along by troops going into permanent or maneuver camps and issued on arrival. When troops are to take the field at other times, and, in the opinion of the commanding officer, conditions are likely to arise that will make the wearing of service coats desirable, he will order the coats of the enlisted men packed, and they may then or subsequently be sent forward and issued, being repacked when necessary.

When service coats are on hand, individual soldiers when out of camp will not wear the sweater as an outer garment, except by permission of the commanding officer in particular cases.

On the march and in other military formations officers will wear the sweater when the enlisted men do.

Sweaters will form a part of the surplus kit.

For insignia of rank on the sweater, see par. 86, p. 43.

112. **TIN CUP** will be carried as prescribed in orders from the War Department and in authorized equipment manuals, whenever issued. When such orders and manuals are not issued for particular organizations or arms of the service, the tin cup will be carried in the

haversack on dismounted duty and will be secured to the canteen strap on mounted duty.

**113. WAIST BELTS** issued by the Quartermaster Corps will be worn when the olive-drab shirt is worn without the coat or sweater (par. 102 (a), p. 47). They may be worn at other times, if so desired.

**114. WATERPROOF CAPES OR OVERCOATS.**—Officers may wear waterproof capes or overcoats, as nearly as practicable the color of the service uniform, when on duty involving exposure to rainy or other inclement weather. Under similar conditions mounted officers and enlisted men may wear the slicker and dismounted officers and enlisted men the ponchos issued by the Quartermaster Corps.

**115. WHITE COLLARS AND CUFFS.**

(a) **Officers.**—With the full dress, the dress, and the white uniforms, and with the service uniform (except when in the field, at inspection in field equipment, drill, target practice, or on other duty involving physical exertion) officers will wear white cuffs and a plain white standing collar or white stock; the collar to show one-fourth inch above the collar of the coat.

With the special evening dress and the mess jacket, either the standing or turned-down collar may be worn.

(b) **Enlisted men.**—With the dress and the full dress uniform, and with the service uniform when worn on pass from garrison, enlisted men will wear a plain standing white collar; the collar to show one-fourth inch above the collar of the coat.

## NOTES.

1. Except by the officer of the day, the service uniform will not be worn after retreat by officers in garrison, unless prescribed by the commanding officer for some particular duty, nor will it be worn off the post except as authorized in the Table of Occasions of the dress uniform (dismounted), occasion 3, p. 33.

2. Whenever necessary for personal protection, the personnel of the Medical Department may carry pistols.

3. Veterinarians when in the field will carry pistols and ammunition.

4. The service hat will be worn with the service uniform for field duty and target practice. It will also be worn with the fatigue uniform and with stable frocks, except by enlisted men of the Coast Artillery Corps. It may be worn in garrison with the service uniform when waterproof capes, overcoats, slickers or ponchos are worn, or when, in the opinion of the post commander, exceptional or severe climatic conditions would make the wearing of the caps endanger the health of his command.

5. General officers, officers of the Staff Corps and Departments, and Cavalry officers will wear the officers' leather waist belt with magazine pocket and necessary leather slides—for first-aid packet pouch, for the canteen, and for the pistol holster. Officers of Infantry, Field Artillery, Engineers, Coast Artillery, and Signal Corps will wear the web pistol belt, model of 1912.

## NOTES.

1. Except by members of the guard, the service uniform will not be worn out of barracks after retreat by enlisted men in garrison, unless prescribed by the commanding officer for some particular duty, or authorized as stated in note 3, below.

2. There are two kinds of service uniforms, the woolen olive-drab and the cotton olive-drab. The woolen olive-drab uniform will be prescribed for habitual wear when the climate or weather does not require the cotton olive-drab.

3. The cotton olive-drab will be prescribed by commanding officers for soldiers on pass in warm weather and also for use in garrison in warm weather when out of barracks after retreat. The woolen olive-drab will not be worn by soldiers on pass from commands supplied with the dress uniform.

4. When under arms, every enlisted man will carry the arms pertaining to his grade and branch of service.

5. With dismounted service uniform, in garrison under arms and when changing station by rail or water, noncommissioned staff officers will wear belt and saber instead of belt and cartridge box.

6. With dismounted service uniform, in the field, noncommissioned staff officers will carry the pistol instead of the saber.

7. The service cap is not authorized for enlisted men in the Philippines; the service hat will be worn for field duty.

8. When troops are traveling by rail, the train commander may cause the arms and equipments not required for the necessary guard duty en route to be properly secured and stored in a property or baggage car. (Par. 393, Field Service Regulations, 1914.)

9. Trousers, cotton or woolen service, may be issued to and worn without leggings by such enlisted men as are on duty in offices, in the buildings in which offices are situated, including enlisted men of the Hospital Corps while on duty in dispensaries. The trousers will be worn only during the time actually engaged on such office duty.

10. The service hat will be worn with the service uniform for field duty and target practice. It will also be worn with the fatigue uniform and with stable frocks, except by enlisted men of the Coast Artillery Corps. It may be worn in garrison with the service uniform when waterproof capes, overcoats, slickers, or ponchos are worn or when, in the opinion of the post commander, exceptional or severe climatic conditions would make the wearing of the caps endanger the health of his command.
