LADIES OF THE SIXTEENTH CENTURY.

the jupe was wide and flowing. After the arrival in France of Catharine de Medicis, the most extravagant exaggerations were introduced into every part of the dress. Amongst the most remarkable of these was the wide-flowing gown, stiffly formed, called the *vertugalle*. Some of the jokers of the time

remarked that all the ridiculous fashions which have been witnessed from the seventeenth century to the present day are found under other names in the costume of the ladies of the sixteenth century.

Our next cut is taken from a portrait in the Library of St. Geneviève, in Paris. The lady it represents was the daughter of Jacques de Beaune,
