A woman with long brown hair, wearing a floral patterned short-sleeved shirt, is seated at the top left of the table. She is looking down at her plate of food.

A man with dark hair, wearing a light-colored long-sleeved shirt, is seated at the top right of the table. He is focused on eating from his plate.

A young girl with long brown hair, wearing a blue shirt, is seated at the bottom left of the table. She is seen from the back, eating from her plate.

A young boy with short blonde hair, wearing a blue and white striped shirt, is seated at the bottom right of the table. He is seen from the back, looking towards the center of the table.

A large white plate in the center of the table holds several round, golden-brown fried items, possibly dumplings or small breads, along with some dark meat or vegetables.

A red can of Karo syrup is positioned in the center of the table, directly in front of the large white plate.

A large glass jar filled with a white liquid, likely milk or cream, sits on the table near the top center.

A yellow mug is placed on the table near the center, next to a glass jar containing a dark liquid.

Two white ceramic cups are placed on the table, one near the man and one near the center.

A patterned curtain with a repeating geometric design in shades of grey, red, and blue hangs in the upper right corner of the cabin.
