Lieut. Thomas A. Rogers

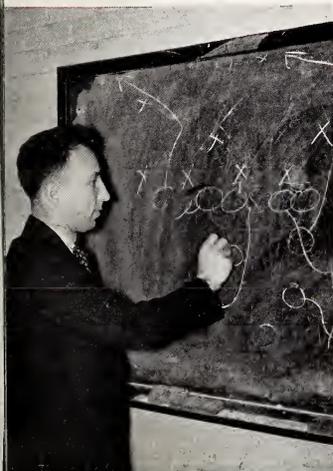

TO Lieutenant Thomas A. Rogers, friend, councillor, teacher, coach, and naval officer, this book is dedicated. "Tommy," who gave unstintingly to all Denisonians with whom he came in contact, is now giving unstintingly as a Lieutenant Senior Grade in the United States Naval Reserve; doing his part so that the Denison we know will be preserved.

For seven years Tommy was head football coach at Denison before entering the navy, and during that time he developed a spirit of fair play and teamwork which makes the war jobs which are necessary today a little easier for those who have come under his influence. In appreciation for what he has done at Denison and for what he is doing now in a bigger way, and in the hope that he may soon be back on 'the hill' we extend this, our gesture of thanks and hope, to Tommy Rogers.

*We Look
at Our
Campus*

The beauty and grandeur of Granville in the spring has instilled a love never to die in the hearts of those who have tasted it. This beauty has been responsible for many a romance and it has often tempted its alumni back again and aggin. The memories we have of our college on the hill will live forever come rain or shine; come war or peace. This year the shout of military commands can be heard on Denison's campus and to them we say; What better place could you receive your training?

From fraternity row, one gets a panoramic view of Deeds Field and the surrounding hills. This natural bowl is the scene of much activity: football, baseball, tennis, track, commandos, and archery.

To Denison, we raise our

◀ An eight minute breathing spell between classes is an enjoyable one when the sky is blue and the grass is green. Pictured here is one of those fleeting moments on the campus quadrangle.

The nucleus of all activity is housed in Doane. The bills are paid on the first floor and for more bad news, we walk upstairs and get our grades. But somehow it looks peaceful here.

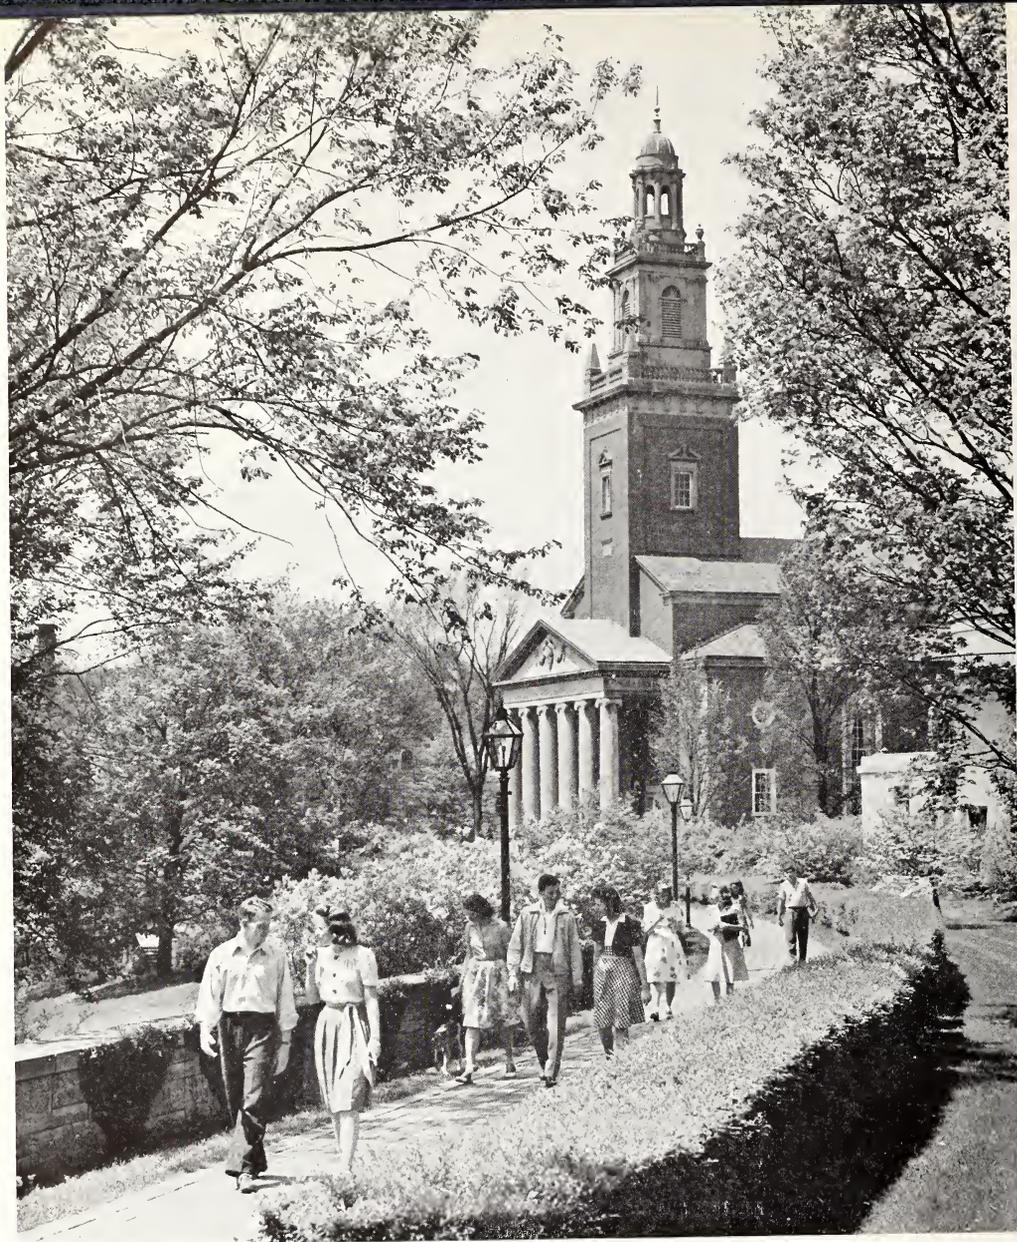

song . . .

PICTURED on these pages are the buildings we live in and the buildings we have lived in. Here is an example of how Denison has changed to meet the present war conditions. As the Adytum goes to press, we find the Army Air Corps Meteorology Unit living in Curtis Hall. However, more changes are in store for it has recently been announced that the Navy will be on our campus in the near future. And so for the present we gladly make these changes but the memories we have of our happy life at Denison live on. The bull sessions at two in the morning and the midnight spreads will be back after the war; as ever today they go on under somewhat different surroundings and circumstances.

Fair College on the

○ UR college buildings are not at all bad looking or inadequate. The Chapel and red brick walk have probably been photographed more than any other subject on campus. The Life Science Building was undoubtedly the most expensive but its value cannot be denied. That building, together with the Library is the envy of many a larger college. And think of Denison's changes in the last six years—Shaw Hall, Curtis, Library, Life Science, Lamson Lodge and four sorority houses.

GRANDVILLE, IOWA

1943

Bab Gray was the president of the senior class until his call to service—U. S. Army Air Corps. Dick Buttermere, inset, was elected to fill that vacancy. Vice President Barbara Legler also left Denison before completing her term of office, February graduate. Barbara Williams, inset, assumes that capacity. Hugh McCullach and Jean Fessenden served as treasurer and secretary.

That momentous year of 1939 saw 300 of us learn the beaten path from the Grille up the Drag to the library. Now in 1943, less than half of us will achieve the goal of receiving a B.A. degree.

In this period we have seen the decline of the rah-rah college spirit and the growth of a more serious attitude. Our college days have been colored by a background of war hysteria, and farewell parties at Foxes have marked the departure of our men for all branches of the armed service. The Army Air Corps unit has taken over Curtis Hall, and their ringing "Hep, two, three, four!" has kept us marching in time to classes.

During these years Denison women have

gained an equal status with the men in our student government. We have seen this organization approach maturity in the students' desire for an honor system, and have also witnessed the dangers of beaurocracy to which a democratic government may lead.

Deni-Sunday and the Social Service projects have added to the students' social consciousness. The enthusiasm for new war courses has made it impossible to say that Denison's most serious impact with the war was the closing of the Grille in September and the shortage of cokes. We leave four years of undergraduate dances, open houses, term papers and exams to follow the grave pursuits of fighting the war and holding down war jobs.

About Campus

W. J. Livingston, co-ordinator of civilian defense in Granville, instructs the student air raid wardens as to their duties Barkie Baker tells Ellen, Sunshine, Audrey and Fergie just how it is being wedged. . . . Ginney Price proves she can model an afternoon dress as well as a bathing suit Three freshmen girls invitingly proclaim that spring is here. . . . Bob Duncan, Ollie Welf, and Bruce Brickels tailor pledge Jim Marshall's coiffure Jan Bright and Tom Trout select records for the Revolt-day dance.

1944

President of the junior class Marvin Dees; vice president Eloise White; secretary Fanny Pease and treasurer Mort Leggett.

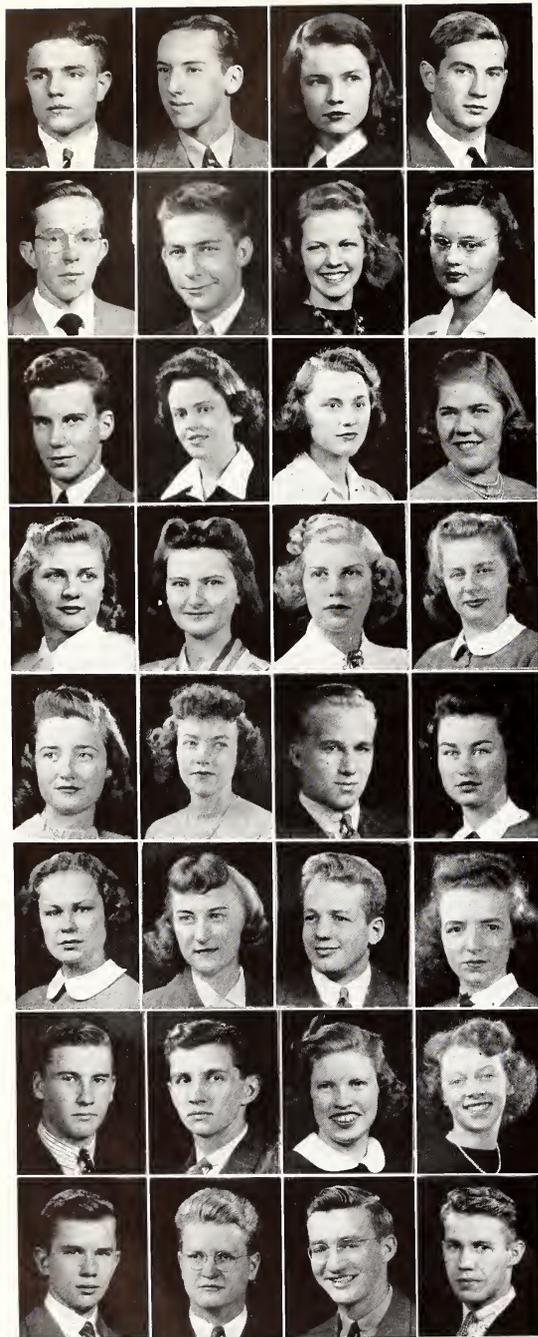

"Back in the good old days", some three-hundred freshmen came to Denison, eager and ready for college. For the first year and a little more those Freshmen played along happily, taking in formals, spring picnics, and Sunday night movies. All this and more, until, in the middle of their sophomore year a change in plans came about; a matter of a war to be taken care of. At the end of that year a great many of the boys joined the Armed Forces or secured themselves a place in the Reserve Corps.

Fall of '42, and half of those freshmen who entered in '40 returned to the Hill. They found a new Denison and more changes on the way;

fewer men, a superfluity of women, a meteorological unit, crowded dorms, and empty fraternity houses. To show that they had a bright eye for the future as well as the present, they cooperated whole-heartedly in campus drives for the Red Cross and helped put Denison's quota for War Bonds well over the top. They showed that war proms, too, could be successful. In a night-club setting of non-essential materials they danced to Bill Cross' orchestra, and played host to the Army.

The class of '44 has seen one more war year through, and looks forward with the same eagerness of their freshman year to their last at Denison.

SIGMA CHI *Mu Chapter*

Dick Prosch
Berwyn, Illinois

Sigma Chi has continued to survive with a fair amount of success. Although Mu Chapter has suffered heavy losses of personnel, it did find nearly thirty members remaining until the end. This large number is undoubtedly due to the fact that most of the Sigs were in the navy and marines.

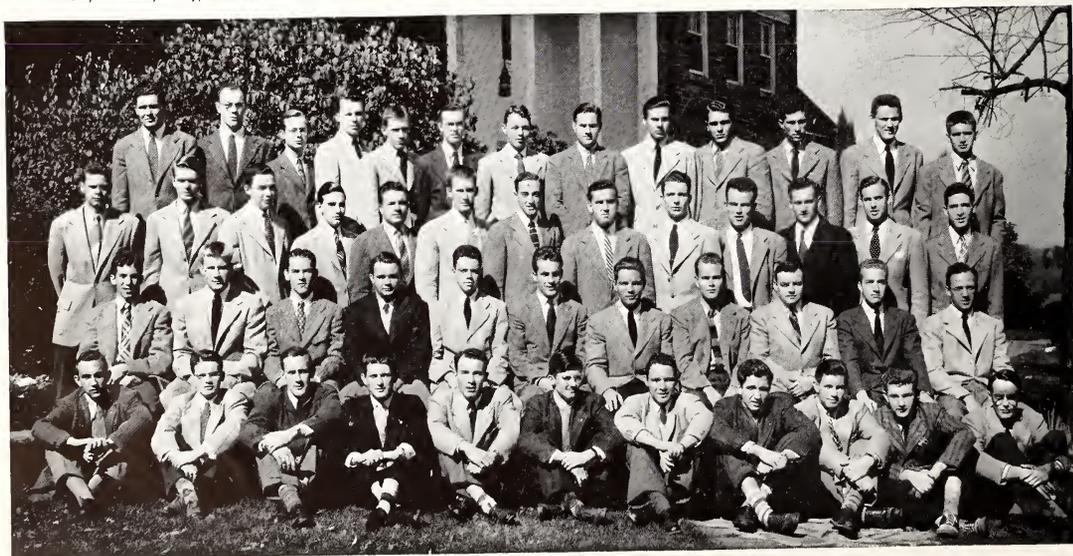

The social life was definitely held down to a minimum but it did permit a halloween party, Christmas formal, annual bloody bucket party, and the commencement party. The curtailment of expenses also permitted the numerous open houses with our beloved housemother, Mrs. H., as chaperon.

Intramurally we did fine and from all indications, the trophy we now possess will remain there. As we went into the spring season, Sigma Chi enjoyed a lead of over one hundred points. Championships for the year include speedball, touch football, fall track, swimming, and wrestling.

Honors have gone to four men in ODK; three men in Blue Key; one in Phi Beta Kappa; Welf as capt. of the baseball team, Robinson as co-capt. of the football team, Prosch and Wentis as chairmen of men's judiciary; Brigham as the new junior class president.

First Row, left to right: McDaniel, King, Krantz, Olbert, Streb, Campbell, Dix, Dalle, Tharntan, Marshall, Servis. **Second Row:** Stransky, Wentis, R. Duncan, Sauer, Haltz, Prosch, Welf, Curtin, Mansan, Riley, LaMareaux. **Third Row:** Schulke, Hilscher,

J. B. Turner and Bill Krontz look on discouragingly and Ken Olbert smiles encouragingly to his partner as Ed Stoll applies the pressure.

A familiar after-lunch scene at the Sig house as a group gathers in the memory room for reading and crossword puzzles.

BETA THETA PI Alpha Eta Chapter

Joseph Craig
Washington C. H., Ohio

Alpha Eta has come through an uncertain year strong in spirit though somewhat depleted in numbers. The call to duty in the armed services cut the chapter complement from 52 to 28. Despite this loss of manpower, the chapter has been able to keep abreast of campus affairs and activities.

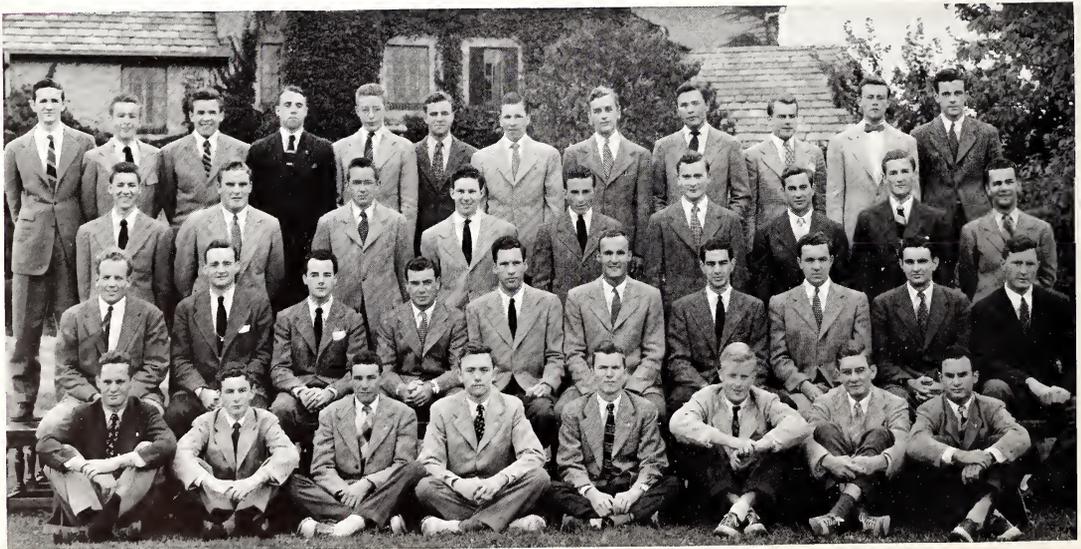

Eight Alpha Eta men held positions on the Big Red football team this year. "Red" Hannaway captained the team to a very successful season. Bob Gray was captain of the basketball team which included, also, two freshmen from the house. In spring sports, the chapter is well represented with two men out for baseball and six on the track team. In intramurals, the house holds championships in touch football and A and B league basketball.

Outstanding in other activities were Bob Gray, senior class president; "Red" Hannaway, president of the "D" Association; Joe Craig, president of the Interfraternity Council; Chas. Hall, business manager of the Adytum; and Jack Ellor, business manager of the Portfolio. Bob Gray, Joe Craig, and "Red" Hannaway are all members of O.D.K., senior men's honorary.

The big social event of this year was the annual Christmas dance with the traditional setting of pine. The Bacon Bat, a fraternity steak fry, was held in the early fall.

First Row, left to right: Rupp, H. Shaw, Daganhardt, Wright, Gravett, Reese, Sims, Burns. **Second Row:** Chapman, Ellor, Bright, DiTirro, Craig, Clenndening, Gray, Halt J. Rucker, Hannaway. **Third Row:** McClaskey, Neff, Raymond, Schulkins,

Marquardt, Palmer, Alpaugh, Hall, Darmeyer. **Fourth Row:** B. Rucker, J. Shaw, Brawne, Shepard, Richards, Ward, Hummel, Kingbeil, MacKeever, Heller, Dellard, Dekker.

Prexy Joe Craig, Bud Holt, Bob Neff, and Sam Chopmon talk it over in the Beta Kitchen.

Red Honnoway and J. G. Rucker look on not too hopefully as Lou McCloskey works on the radio.

Φ Γ Δ *Lambda Deuteron*

Phi Gamma Delta has enjoyed a good year and our only regret is that all of our boys have not been able to remain with us all year. Of the boys that started this year, we now have lost twenty-five to the armed services. All in all, Lambda Deuteron has one-hundred and twenty-five men in the armed services.

Hugh McCulloch
Evanston, Illinois

This year has not been without social life, for the calendar was dated up with the grass party, Christmas party (with Danner Mahood as Santa Claus), Commencement party, Norris pig dinner at homecoming, and the fine banquets at Mother's day and Father's day. Phi Gamma Delta again enjoyed having the Christmas kids party for the poor children of Granville and Newark. The faculty and townsmen enjoyed a reception held for them here on the hill.

Our BMOC's include John Kinney, Phi Beta Kappa; Hugh McCulloch, ODK and Business Mgr. of the Denisonian; Dick Buttermore, senior class prexy and president of Blue Key, and Rex Brophy, Adytum editor. The athletic rosters included our men in all varsity sports.

First Row, left to right: P. Legler, Hess, Sutherin, West, Orr, Sherer, Schuler, Goudie, Randall, Christian, McGrow. **Second Row:** Thiele, Sibbison, Ronkin, Wise, H. McCulloch, Winkler, Grimm, Kinney, Buttermare, Stelzer, Lewis. **Third Row:** John-

KAPPA SIGMA *Gamma Chi Chapter*

Robert Goodrich
Zonesville, Ohio

Despite the many privations and depletion in numbers common to all fraternities in these times, Gamma Xi held up admirably during the year, while supplying a goodly quota of men to the Armed Forces. Eleven were called to the Army, three are in the process of earning their wings in the Army Air Corps and one in the Naval Air Corps, and two are undergoing the rigorous training of the Marines.

Kappa Sigma contributed its share to Denison athletics and activities: Goodrich and J. Staudt earned their D in football, Goodrich being voted the most valuable player; Gwinn and J. Staudt held down varsity berths in basketball; Patrick was elected president of Blue Key; Close was elected to Phi Beta Kappa; the DSGA claimed two men, the Glee Club three, the band four, and major dramatics four. Atkinson was co-editor of the Denisonian, while seven brothers were active on the staff.

First row left to right: Erney, Deardurff, Droz, Skeggs, Gelados, Robinson, Hummer. **Second row:** Sivertsen, Janes, Neff, Hopkins, Goodrich, Fellobaum, Close, Atkinson, Hartley, J. Staudt. **Third row:** Horvey, Thomos, Sutton, Middleton, Lodner, Hal-

PHI DELTA THETA *Ohio Iota Chapter*

Like other fraternities on the Denison campus, Phi Delta Theta was no exception in its reduction of social expenditures for 1942-43. Instead of the traditional fall formal, the chapter threw some decorations around the house and held a Halloween Party.

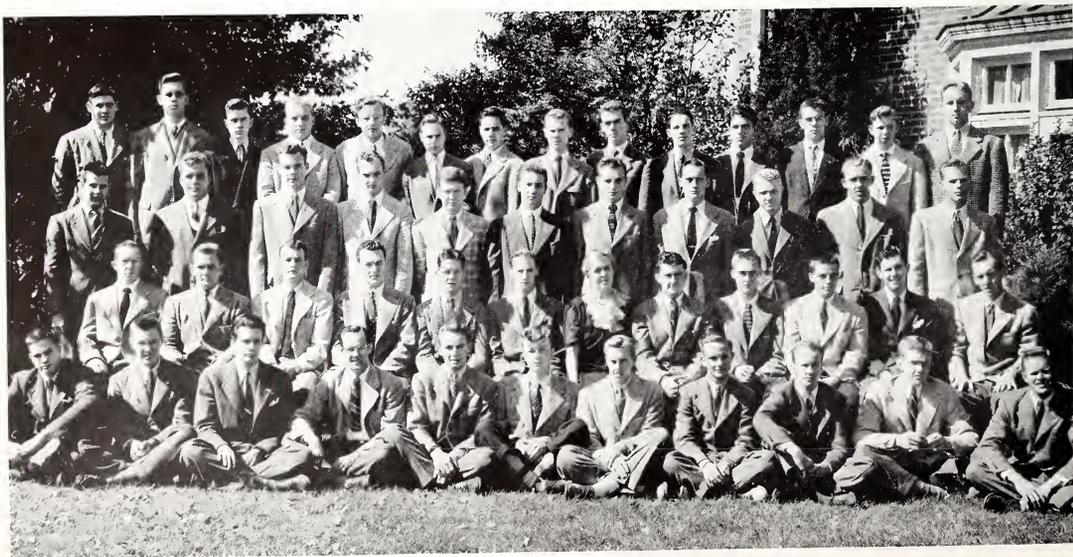

John McCune
Bexley, Ohio

At the beginning of the spring sport season Ohio Iota held down third place in the race which saw the Sigs in first and the Betas second. Of intramural significance was the close fight in the "A" basketball league for the championship, with the Phi Deltas coming out second. Elsaesser and Dees lost no games in all their matches to capture the handball crown. The fraternity took third in the swimming meet.

Alder, Jones, Anstaett and Pugsley represented the chapter in the inter-fraternity quartet contest, which brings up the fact that Phi Deltas were in the majority in the Men's Glee Club. Eight men were on the varsity football team; three on the basketball team; four were part of DSGA, Trout being Co-president. The Denisonian took three with Leggett as co-editor. Dees was co-chairman and Martin morning program chairman of Deni-Sunday.

The year began with a successful rush week. The fall semester was the last fling at the college days which the upper classmen had come to think typical: the Fall Formal on a radio hookup with a loudspeaker system throughout the house; a depleted but hearty alumni back for Homecoming; the hay ride out the Mt. Vernon road; the candle-lit Christmas Formal.

And then came vacation and examinations and accelerated Hell Week, with sleepless nights and burlap undershirts, and finally initiation. Then the brothers began to leave: our freshmen draftees; our former Army Air Corps lieutenant who had been back for one semester, leaving for the Navy Ferry Command, Buzz Woodring; our new prexy, Gene Rohrich, being called to the Army Air Corps with two other brothers. The new social chairman planned the second semester functions on new wartime lines: the afternoon tea dances with the Alpha Phis, the Delta Gams, and the Chios; a breakfast for the brothers and their dates before Deni-Sunday; smokers with the Kappa Sigs and Commons Club; the Commencement Formal as the finale.

First row left to right: Crockett, Evans, Gaynor, Adams, Hanks, McGookey, Boyles, Leyen, McDonald. **Second row:** Skriletz, Jaschke, Stephan, Woodring, Hartenian, Smith, White, Wygant, Thomas, Cutler. **Third row:** Sievert, Edmunds, Denes, Spike,

SIGMA ALPHA EPSILON *Ohio Mu*

At the opening of the school term in the fall of 1942 SAE had a total membership of 38 members. Of this number 23 were active members and 15 pledges. Thirteen of these pledges were initiated and became active members. This was one of the most promising years for SAE but we lost many of our men to the armed forces of our country. At present we have a total membership of 19 members.

Hal Humphries
Cincinnati, Ohio

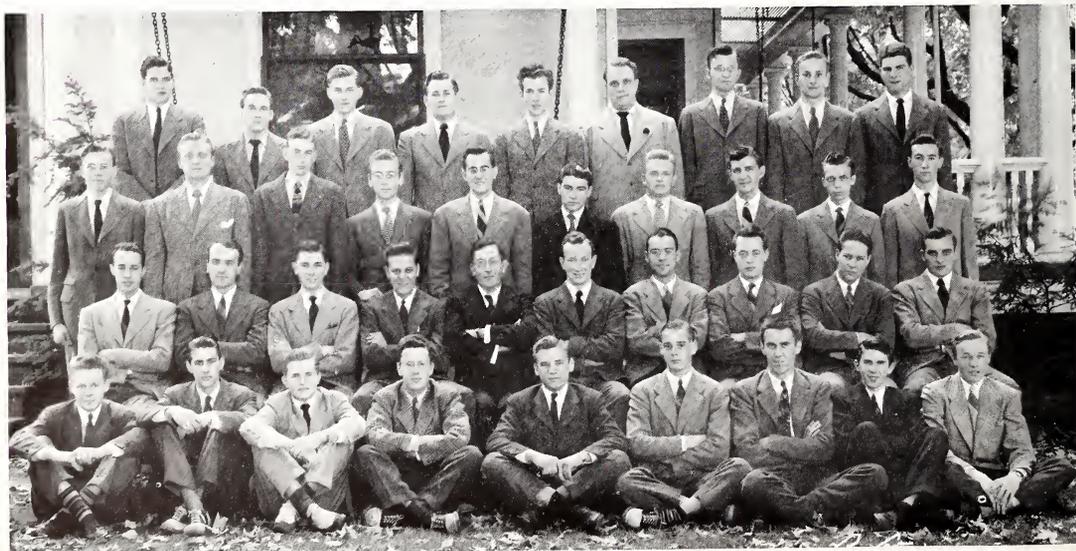

SAE has always been active in all athletics. We have two members on the varsity football squad and two members on the varsity basketball team. In intramurals we placed 2nd in Volleyball, speedball 5th, football 3rd, track 4th, handball 4th, swimming 5th, and 7th and 8th in basketball and wrestling.

At present we have Stan Johnson as president of the D.S.G.A., Charles Plank as the sophomore representative, Dick Conrad as senior member of the Board of Control of Music, and Hal Humphries as president of the Men's Council.

In scholarship and other extra curricular activities SAE has Warren Howell who was in Phi Beta Kappa, ODK, TKA, Blue Key, Phi Society and Who's Who in American Colleges. There are two members in ODK and four in Blue Key.

ACC Denison Chapter

AMERICAN COMMONS CLUB

Dana Cartwright
Cincinnati, Ohio

In 1943, the members of the Denison Chapter returned to a house just one year old, happy that their goal had been attained in that respect, and desirous now of reaching new goals in other fields. It was decided early in the year that the most promising new goal to be reached was that of supporting the war effort to the best of our ability. For that reason, all social functions were of a less elaborate nature, and the only dance to be held with the support of a band was the Christmas Formal.

The Fowl Ball was held in February, this being an annual banquet planned by the sophomores for the remainder of the chapter, and for the honored alumni. Dr. F. D. Amner, one of our most faithful alumni, gave a speech which greatly inspired those who were able to attend.

Notwithstanding the handicaps under which its members were working, the Club was still able to maintain the high scholastic record of which it is very proud. For six consecutive semesters the Club has won the Scholarship Cup.

CHI OMEGA

Delta Gamma Chapter

Among the many projects executed during the year were the direction of crafts at the Community House in Newark, and the maintenance of an English child for one month through the Foster Parent Fund. Chi Omega rated first in scholarship among the women's social groups.

Eleanor Raine
Alderson, W. Va.

Janet Hill was one of the Adytum queens, and attendant to the Winter Carnival queen. Jean Crisp was a member of Mortar Board. In Crossed Keys were Charlotte Swain, Mary Lou McCartney, and Virginia Benson, who was president of the group. Charlotte Swain was one of the two juniors elected to Phi Beta Kappa; the only junior tapped for Masquers was Virginia Benson. Associate editors of the Portfolio and Denisonian were Virginia Benson and Charlotte Swain respectively. Virginia Lou Stubbs was elected to Phi Society.

Officers in WAA were Gerry Stoddard, vice president; Jean Crisp, secretary, and Betty Barth, treasurer. Jean Crisp also served as YWCA treasurer. Senior member of Judiciary Council was Ura Mae Munroe.

Representing Chi Omega on the war front, Nancy Palmer is now on active duty with the SPARS.

KAPPA ALPHA THETA *Beta Tau Chapter*

With Denison's social program desperately curtailed this year, the Thetas concentrated on entertainment and decorations for open houses and the formals. Using our imaginations, we evolved a Penthouse Party for our fall formal. The Christmas formal was truly a big affair—a wonderful band and all the holiday atmosphere, with a big snow man standing guard to our winter wonderland.

Elizabeth Brode
Newcomerstown, Ohio

To make ourselves useful in these war times, our social service committee got together with the Alpha Xis and with Miss Eubank, to make plans for a community nursery school to give Granville mothers a little leisure time.

In our enthusiasm for the community nursery project, we have not been neglecting campus affairs. Ann Shepard, Barbara Tight, and Sue Martz are members of Mortar Board. Barb is president both of Mortar Board and Women's Council, and Sue is president of Y.W.C.A. and a member of Phi Beta Kappa. Both were chosen for "Who's Who in American Colleges." Displaying Theta's beauty this year were Barbara Bjelke, attendant to the Homecoming Queen, and Libby Long, who reigned over the Winter Carnival Dance.

DELTA DELTA DELTA *Delta Chi Chapter*

Dorothy Sheldon
Ashtobulo, Ohio

Tri Delta was the first chapter on campus to sponsor the 10% Club for the purchase of War Stamps. A new social service project was initiated by the members in cooperation with the Community House in Newark. Pat Kienker was in charge of a Christmas party that brought delight to under-privileged Newark children. In March the Tri Delt House was the scene of a song fest for the Thetas, Kappas, and Tri Deltas, the hostesses winning the novel "bean pot" cup in the mock song contest.

In campus activities the sixty-five members of Tri Delta have attained honors and important offices. Two of our members, Roberta Johnson and Dorothy Donner, are members of Mortar Board; one of us is a member of Phi Beta Kappa, and almost all of the other campus organizations are represented in the chapter. Offices held this year were: President of Masquers, Bobbe Johnson; Vice-President of Masquers, Dorothy Donner; President of Delta Omicron, Alice Eschman; Vice-President of Y.W.C.A., Jean Hooper. Roberta Johnson and Jean Hooper made "Who's Who in American Colleges."

KKKΓ *Gamma Omega*

Betty Jayne Morse
Akron, Ohio

The fall of 1942 found the members of Kappa Kappa Gamma gathering once again at the little white house "half way up the next block." Betty Jayne Morse, president, captured the first honor of the season by being elected Homecoming Queen. Then all was quiet for a while, until a "shipwreck" party was featured for the fall dance.

After Christmas vacation came the winter formal, with angels for decorations, and steak sandwiches at midnight. Through the winter months, informal open houses were held for each of the other sororities, and independent women. During this time the chapter took on the project of organizing a group of young girls in Central City. A Victory Club was formed for them, the object of which was to help the girls with their problems.

Gamma Omega is proud of its members who have distinguished themselves in campus activities. Among these are Ellen de Bary and Lindsey Yoxall, who were elected to Phi Beta Kappa; Phyllis Heidenrick, president of Y.W.C.A.; and Dorothy Jean Kerr, who succeeded Ellen de Bary as Co-president of D.S.C.A.

Ellen Kroehle and Phyl Heidenreich have Joan Herrick stumped as Carolyn Straben looks on hopefully in a fast bridge game.

A Φ PHI *Beta Kappa Chapter*

This year we of Alpha Phi selected the Community House of Newark as our project, and devoted Wednesday evenings to the entertainment of the young people.

Mary Van Natta
Lakewood, Ohio

We brought the war closer to us by adopting a Defense Stamp drive. Each girl has her own stamp book, and adds to it monthly by purchasing stamps through the sorority. We're looking forward to that day, very near now, when we'll be able to buy our bonds.

No year in a sorority is complete without romance. The biggest thrill of the year for the Alpha Phis was Mary Linthicam's marriage to Al Stites. Mary and Al were married prior to Al's induction into the Army.

We have been fortunate and happy to have many honored guests presiding at the various receptions held at our house. Mrs. Bolton, Ohio Congress Woman, and Lansing Hatfield, the well-known Metropolitan baritone, were two of our most distinguished guests this year.

First Row, left to right: King, Groy, Flickenger, Jeffers, Kennord, McConachie, Stark, Sweetman, Corruthers, Snyder, Moore, Friend. **Second Row:** Handyside, Klommt, Blattenburg, Reid, Weith, Sottem, Mrs. Carpenter, Von Natta, Hare, Townsend, Bowers, Thamossen, Cord, Crangle. **Third Row:** Anthony, Meyer,

In a favorite co-ed pose, five Alpha Phi sophomores knock off for a late morning bull session at the chapter house.

A group of Alpha Phis gather before the fireplace for some very light intellectual exercise.

ALPHA OMICRON PI *Alpha Tau Chapter*

After a successful rushing season and welcoming back, our National President, our alums, and our dads, AOPi jumped into a full year of service, activities and good times.

Jeannette Marlow
Elizabeth, N. J.

Aching muscles didn't daunt those of us who took to the wide-open spaces several weekends last fall to pick apples and dig turnips. Along those same lines we supported Bobbie Hayne and Betty Putnam with their Rural Commission. As our part in the Panhellenic projects, we went domestic and had a "delicious" time taking charge of the co-ed cooking classes every Tuesday evening at the Newark Community Center. Christmas time found us making "little things" to send to our social service department of the Frontier Nursing Service in Wendover, Kent.

Millie Holt was selected for Crossed Keys and voted Raccoon Rambler president. She and Mary France are proud owners of the coveted "D." Peg Avey had charge of the Winter Carnival and Marty Deckman of the Y.W.C.A. Christmas Pageant, while Peggie Redmond starred in the "Bartered Bride." Jay Marlow was made head of Women's Judiciary Council.

ALPHA XI DELTA *Beta Delta Chapter*

Grace Larig
Pittsburgh, Pa.

Under the able guidance of Miss Lauriel Eubank, the girls of the Beta Delta chapter of Alpha Xi Delta have become co-workers in a day nursery project in Granville. Allied with the Thetas, we have put in many an enjoyable hour of work in the basement of the Baptist Church, where gradually we have seen an attractive play-room grow into being. Chairs made from orange crates, a sand box, and gay children's pictures on the walls have been created to add to the cheeriness of the room. Mothers of Cranville now have a place to leave their children several afternoons a week where the youngsters can play under the guidance of Thetas and Alpha Xis.

When the Mobile Blood Donor Unit of the Red Cross came to Granville, the Alpha Xis contributed generously of their blood. The dances given this year at the house have dispensed with orchestras so that the money normally reserved for them might go into defense. The vic, however, has supplied the music, and the dances, as a result, have been grand successes. We have also had numerous chapter suppers at which we have had fun entertaining guests in an informal style.

DELTA GAMMA *Beta Zeta Chapter*

Ann Bartholomew
Fart Wayne, Indiana

This year, Beta Zeta of Delta Gamma has had great satisfaction in undertaking the timely work of caring for the blind. The interest in the blind has been one of long standing not only to Beta Zetas, but to Delta Cammas in this country and in Canada. Beta Zeta's work under the direction of Miss Eubank, consists of visiting the blind and making their acquaintance. We entertained them by singing sorority songs at the Community House in Newark, talking or reading to them, and by taking them to the movies. We have also contributed to the fund for the care of war orphans.

At Christmas time, Beta Zeta lost one of its most beloved and respected advisors, Miss Badenoch. The Founder's Day Banquet was combined with the dedication of a garden in her memory.

Beta Zetas are proud of their soprano, Elinor Schubert, who gave her recital in March. We also boast Phi Bete Thelma McKell; Ann Bartholomew who received election to Mortar Board, and Barbara Stelhorn who was elected to "Who's Who in American Colleges."

FOOTBALL
BASKETBALL
INTRAMURAL

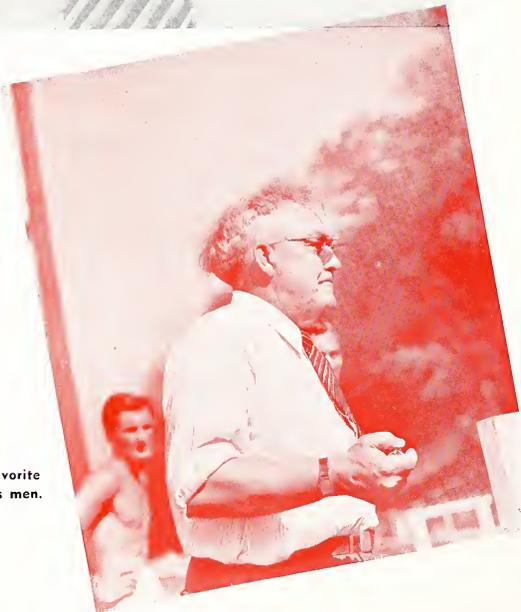

As the end of the spring term approaches, Denison can look back with pride upon the accomplishments and record of its varsity teams in intercollegiate competition during the past school year.

It is too often the case that the various teams steal most of the glory, with comparatively little recognition given to the brains behind them, the respective coaching staffs. Once again "Livy," as director of athletics, has remained at the helm of the athletic program and can point with pride upon the feats of his teams, not only during the past year, but as long as he became athletic director some thirty-one years ago.

With the coming of Gerald "Red" Armstrong, a wartime necessity turned into an extreme pleasure for all those who have associated with him. "Red" has very ably succeeded Lieutenant Thomas Rogers, who was called into the service last summer.

Rounding out the athletic department is Sid Jenkins who needs no introduction around here. Taking into consideration the lack of height and the loss of several vital men, Sid did an admirable job in turning out a fighting basketball combination.

"Livy" in his favorite habitat with his men.

Walter W. Livingston
director of

ATHLETICS

GRIDIRON

Under the competent leadership of "Red" Armstrong, assisted by Claude "Pie" Pyatte and Del Johnson, the Big Red gridmen came through the season with a fine showing.

The only dark spots in an otherwise brilliant record were games with Patterson Field and Wooster. The former is not a member of the Ohio Conference so the results of the game did not count in the final standings. Denison fought to a 6 to 6 tie with Muskingum at New Concord.

Under a new type of system and hampered by the loss of many key lettermen, the Big Red overcame Mt. Union, Oberlin, Otterbein, Washington and Jefferson, Wittenberg, and the U. S. Naval Radio Training Station at Hamilton with comparative ease.

"Red" was handicapped by having had to work with boys who were used to Tommy Rogers's system of a more wide open game, but with the aid of line coach Pyatte and assistant Johnson, the rough edges were smoothed out in short order.

The board of strategy, coaches "Pie" Pyatte and "Red" Armstrong take inventory on a few plays.

First Row, left to right: Souer, Brophy, Elsoesser, Johnson, R. Honnoway, Goodrich, Morquardt, Crocker, Asst. Coach Johnson, Dees, J. Honnoway, J. THE PLAYER

Lettermen

The Big Red backfield accounted for many a thrill because of their brilliant brand of play throughout the season.

Bernie Wentis, Junior fullback, was always reliable and could always be counted on when the going was tough. Marvin Dees was the starting quarterback, and did an excellent job in assuming a position in the backfield. Dees was shifted to the backfield from the center position of last year.

The duties of right half back were carried out by George Crocker and Jim Staudt, both sophomores. Rounding out the backfield performers are seniors Phil LaMoreaux and Joe DiTirro. LaMoreaux's speed and agility accounted for many touchdown runs, while veteran DiTirro was also a good ground gainer.

It should not be right if we did not remember the ground gaining abilities of Dave Sauer and Jerry Gaynor.

At the beginning of the season the line suffered a hard blow by the loss of Co-captain Jerry Robinson, but it developed regardlessly into a rugged fighting machine. The ends were capably handled by the veteran Bob Goodrich, Dick Koster, and Bob Englehart. Goodrich especially deserves mention because of his fine play, both offensively and defensively.

At the tackle posts were the Hannaway brothers, "Red" and Jack. "Red," as co-captain, played his usual fine game throughout the season. Jack, a first year man, was hard to stop and developed into a stellar line man.

Opponents will undoubtedly testify to the fact that ground gaining through the center of the Big Red line was no small chore. Stationed at the guard positions were mainstays Sam Chapman, "Monk" Myers, and Rex Brophy. Chapman played most of every game and proved to be a tough nut to crack. Myers was handicapped with a foot injury much of the time, but never failed to turn in a bang-up game while he was in there. Brophy developed fast as the season progressed. He was greatly aided by his speed and hard charging ability.

Holding down the center position was Don Elsaesser. "Stumpy" was also a near sixty minute man, and called the signals from his post in the middle of the line. Elsaesser also attempted most of the extra points.

CAGEMEN

Were it not for the complete lack of height, the Denison cagers record would undoubtedly be much more impressive. Johnny Gwinn, a guard, was the tallest man on the starting lineup. Because of this shortcoming in altitude, the boys had to capitalize on their speed.

The starting aggregation under the guidance of Coach Sid Jenkins was usually comprised of John Loehnert, John Gwinn, Bob McGinnis, Jim Staudt, and Tom Wuichet. Bob Gray was a starter till a knee injury sustained early in the season kept him out of action. Until called into military service, Pete Weidemeier also was a constant performer.

Coach Sid Jenkins prepares to deliver a half-time pep talk.

Shorty Lawrence and Johnny Gwinn move in to stop a Capital cager.

Bob Kalish of Capital tries an under-basket shot as Johnny Gwinn is on the defensive.

Capt. Bob Gray, forward; John Loehnert, forward;
Bob Lawrence, center; Jim Stoudt, guard; John
Gwinn, guard; Pete Weidemier, center; Roy Hoop-
er, forward.

Although the starting line was shuffled when coach Jenkins saw fit, Loehnert, Gwinn, Wuichet, McGinnis, and either Hooper or Staudt were seen on the floor when the opening whistle sounded.

The picture was not as black as it was painted by the scoring record. Several games were decided in the closing seconds of play, and were lost by one or two points. Then too, several other contests were decided by a four or five point edge on the part of the opponents.

Conspicuous was the basketeer's fight and aggressiveness which made up somewhat for the lack of height. The Big Red constantly harassed the opposition by their alertness, speed and determination.

John Loehnert, forward, finished the season among the top scorers and was a constant threat anywhere near the basket. Johnny Gwinn at guard played brilliant defensive ball throughout the season. As he shot very rarely, he was not much of a scoring threat, but he was an adept "feeder" and set up man. Individual scoring star of the year was freshman Bob McGinnis who played forward and center, and was one of the most polished players the wigwam has seen.

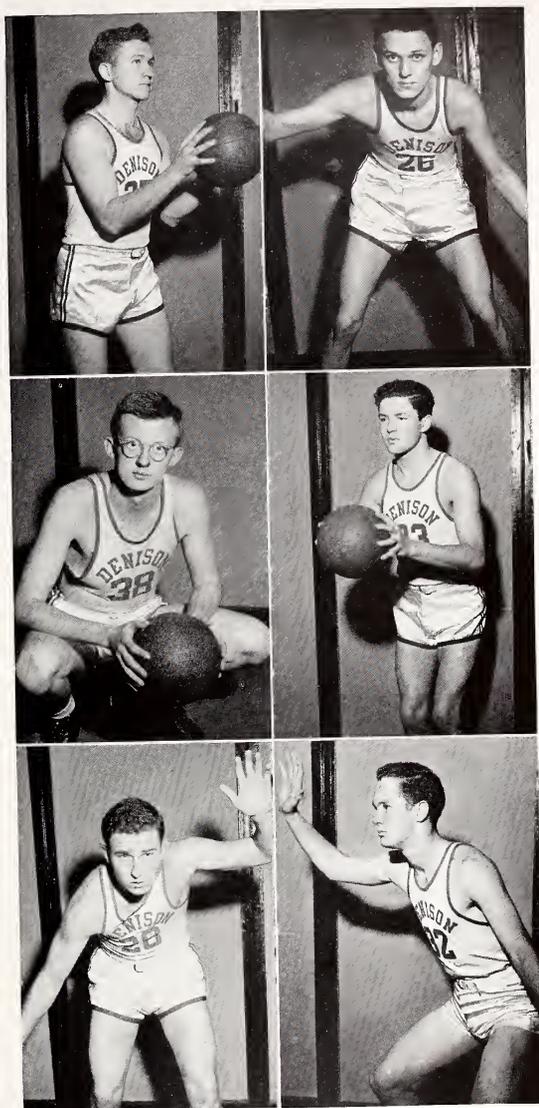

Had it not been for Bob Gray's unfortunate knee injury, the Big Red's stock would undoubtedly have increased considerably because he was a good shot and a good floor man. While he remained in school, freshman Pete Weidemeier stole the spotlight on several occasions by his excellent brand of playing.

Besides the aforementioned regulars, note should be made to such capable performers as Bob "amoeba" Kuenzel, Bob "shorty" Lawrence, Rudy Skriletz and Eddie Rupp.

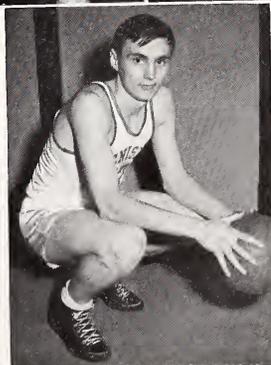

Lawrence, the only tall man on the team, aided the cause in many games, as did veteran Rudy Skriletz. Eddie Rupp also merits mention for the work he did while he was in school. (Both Eddie Rupp and Pete Weidemeier were called to service before the season was completed.)

Though they didn't see much action, Marquardt, Starrett, Dauenhauer, Short, and Christian remained as competent substitutes for the others.

All in all we had a good team; for more definite proof of that statement ask Ohio Wesleyan, Capital or Oberlin.

Rudy Skriletz, guard; John Storrett, forward, Pot Short, center; Bob Kuenzel, center; Dick Marquardt, guard; Eddie Rupp, guard; Bob McGinnis, forward.

INTRAMURALa

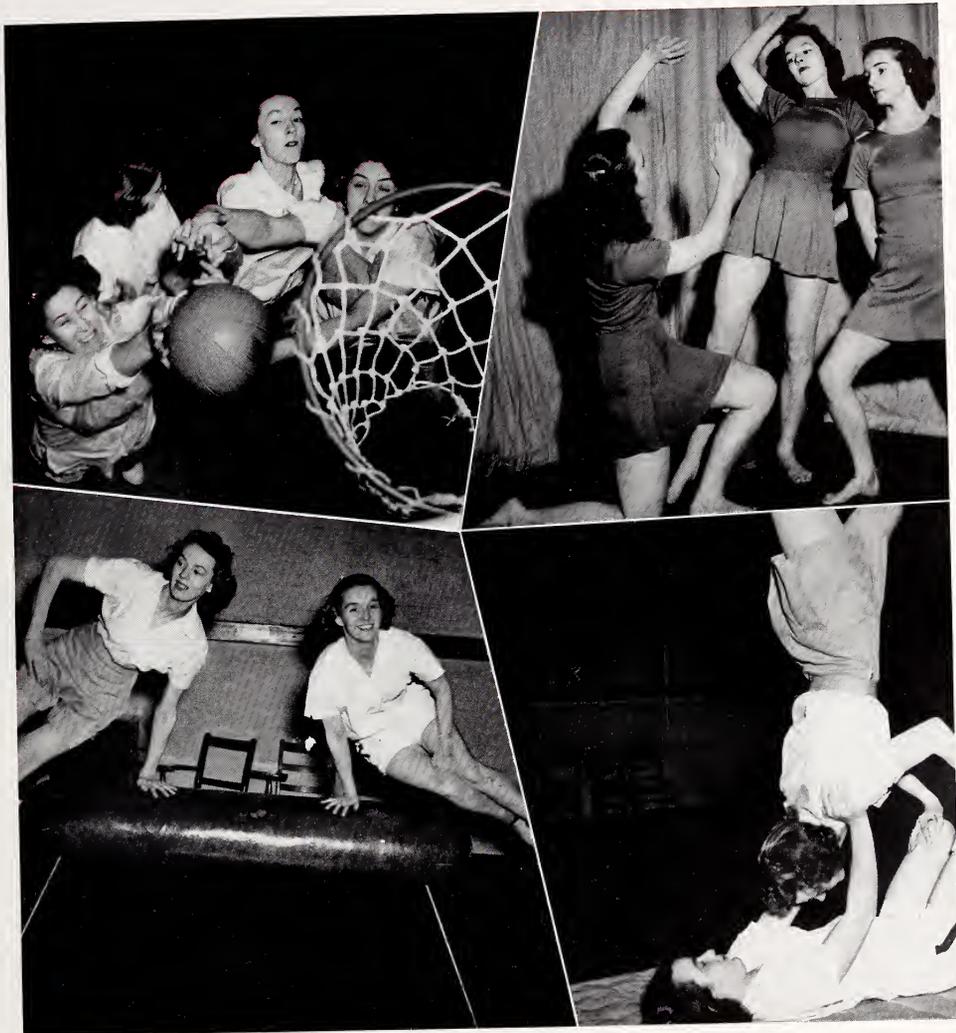

With the advent of the nation-wide "body-building" program, Denison and its athletic department was among the first colleges to adapt the new concentrated physical fitness training. Under the instigation and guidance of the director of athletics, Walter J. Livingston, a program, which saw its beginning last year, has grown and become ever more important in the lines of Denison men.

Although the novelty of the extenuated and concentrated physical education classes gained considerable publicity and limelight during the course

of the past year, it did not overshadow the efforts of the eight fraternities in the usual quest for the intramural championship. In a bid to repeat their victory of last year Sigma Chi got off to a flying start in the fall. Beta Theta Pi came to the front during the winter and Phi Delta Theta garnered enough points to put in an initial bid for the trophy. The spring sparts will decide the contest but at that point the Sigs enjoyed a comfortable lead.

sport for all students

Throughout the coed's college career the Women's Athletic Department offers healthy exercise outdoors, championship, and the excitement of competition. To the underclassmen it presents opportunities to become proficient in sports through class work, and to the upperclassmen it gives an opportunity for organized recreation.

Sports classes meet twice a week and it is in these class periods that students train for the teams. At the end of each season there are inter-class team competitions in which the more athletic mem-

bers of the classes participate. The freshmen and sophomore teams are made up of those students that are registered for the different sports, while the junior and senior teams are composed of girls who are keen enough to take practices, and so win entrance to the teams.

The Women's Athletic Association is one of the major interests of the department. This organization is very active and forms a very important part of the coed's life.

DENI-SUNDAY

Barbara West and Diana Bowsman recondition a platform for Deni-Sunday community work.

A familiar scene to Deni-Sunday goes at 9:45 a.m. on Sunday morning.

Marv Dees and Dottie Donner survey the accomplishment of the Deni-Sunday Vitamin Bank for local needy families.

Miss Eubank and the apple picking crew which helped out during the harvest season due to the labor shortage.

A typical group leave the popular new Deni-Sunday services.

Deni-Sunday

This year has seen the beginning of a new and bold experiment at Denison—Deni-Sunday! The name stands for a voluntary religious service for students at 9:45 every Sunday morning in Recital Hall. It's not Sunday school, and it's not church. It's something all its own, and the only one of its kind.

Beginning on Sunday, November 8, as a big question mark, Deni-Sunday has gained an increasing student following through the year, and its average attendance for the first year has been over 150. The co-chairmen for its first year were Marvin Dees and Dorothy Donner, who, together with Beverly Date, Louis Dudrow, Stan Johnson, Bob Martin, John Morton, and Margaret Richards, made up the Executive Committee. Numbers of others took part in the program: presiding at the weekly meetings, ushering, working on one of the numerous committees, or planning special events. And Doc Cuninggim gave the weekly talks, all the way from "An Apple for the Teacher" to "Chaos or the Cross" and back again.

The regular program of Deni-Sunday has included more than a Sunday morning service: discussion groups, study groups, and special projects, such as the planning conference at the Granville Inn, and the Easter Sunrise Service. Closely associated with the program this first year have been the Community Service projects under the direction of Miss Lauriel Eubank, consisting of numerous social service activities in Granville, Newark, and the surrounding country. Deni-Sunday has also worked closely with the Y.M.C.A. and the Y.W.C.A., and during the year the Y.M.C.A. voted to unite with the new program as the Men's Division.

If "the first year is the toughest," then the future for this war-baby organization is bright!

D. U. Theater

The rating of the Denison masquers is again on a plane with that of professional acting. Under the capable tutelage of Edward A. Wright and with the assistance of Robley Evans, the Denison theater has turned out excellent performances of such plays as "Letters to Lucerne," "Thunder Rock," and "Brother Rat."

Much credit should be given to the performers of our plays for it has been the enthusiasm and support of such people as Roberta Johnson, Virginia Benson, Ace Morgan, and Gordon Condit that has made our plays so enjoyable. Condit had one of his own plays produced this spring.

Seaman Kenneth Jones, D. U. alumnus on the ill-fated Wasp inspects Denison's roll of honor with Prexy.

Denison students, faculty, and friends in the surrounding community have been very fortunate in having had the opportunity of seeing and hearing such people as Cornelia Otis Skinner and Norman Thomas. It would be difficult to make mention of all the visitors who have been on our campus. They range from singers to that of a veteran world war II alumni such as Kenneth Jones, survivor of the aircraft carrier "Wasp."

We have listened to the excellent singing of Anna Kaskas and Lansing Hatfield, the poems of May Sarton, the scientific findings of Dr. Herrick, the political viewpoints of Congressman Frances Bolton, and numerous others such as DeWeerd, Thurman, Krumbine and Seabury.

D. U. Visitors

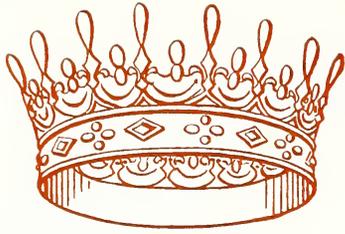

Engineer Fred Willis tunes up the 'mobile boiler' which visited us when one of the boilers in the heating plant failed to go.

Dr. C. Judson Herrick, first honorary member of the newly formed Univ. Research Foundation, inspects some of the equipment with Dr. Stickney.

Congressman Francis Poyne Bolton is guest of honor at a tea with our first Lady and prospective career-girls.

1943 Queens

The Adytum queens for 1943 were picked on a somewhat different basis this year. No one girl is the queen of them all but rather it was thought that each girl was equally a queen in her own right. This was borne out by the elections which by the way were so close that it was a shame to limit the space to four girls.

All of the girls pictured here have been popular for their beauty for quite some time. Betty Barnes has been pictured here for three consecutive years. Libby Long was Winter Carnival queen and Janet Hill was in that same court. Marge King, a newcomer to Denison and to these pages, will undoubtedly grace this section again.

The male population of Denison should be justly proud of these queens and of the many others that are on our hill, for it has long been said that Denison is well known for its beautiful women.

IN A DAY'S EATING

These are the foods everyone should eat everyday. Often referred to as the "daily seven," they provide the proper balance of proteins, vitamins, minerals and other nutritive values for a healthful diet.

Meals should be planned "around the clock" to include these foods—whether eaten at home, at school, or on the job. No matter what your nitch in this all-out war, Uncle Sam needs you strong and healthy. So, eat this way every day for Victory.

October, 1943

Dear Roomy,

I've finally managed to get away from the potato sack for a brief visit here at the old Alma Mater. You wouldn't know her after not quite two years in war.

The old DU campus is gone completely military. There's Navy and Army here now. I felt quite at home in my khaki all day. The Phi Gam house is now an army air corps hangar, while the Phi Delt house has been remodeled into a Naval storeroom. The old Beta House has been condemned as unsafe and the Sig house torn down completely. You will be very surprised to hear that Dr. Brown has sponsored a very impressive brewery on top of the hill where the Sig house stood. The military atmosphere on the hill has brought about a complete change in our old Prexy.

There are only about two hundred girls left in Denison. These must pass very stiff physical requirements. They must be able to do 100 pushups successively while running two miles on their hands. Miss Spacht is the only woman to do this twice in one day.

I'm sorry I must close here but I must hurry off to a lecture by Dean Olney about old "golf course romances" for the sailors. She, incidentally, is very popular with the Navy.

Sincerely,
DOUG.

"The Sun is MY Time Clock"

... HE IS AMERICA'S
GREAT PRODUCTIVE WORKER!

THE average farmer works from sun to sun and then some. Last year farmers of the U. S. A. brought in a bumper crop and now they are being asked to produce even more, so as to feed our armies, our allies and the civilian population. It won't be easy, but with any kind of luck with the weather, the farmers *will* produce more food in spite of labor and machinery shortages.

Certainly farmers deserve and should receive the fullest cooperation in this gigantic task. In so far as electricity can help, we are making every effort to assist in keeping electrical farm machinery running and in developing every possible source of electrical farm equipment.

We salute the farmers of America who meet the challenge of the elements, working through torrents of rain or scorching sun with the same faithful dispatch of duty—tending livestock and crops with steadfast efficiency. We are proud to be partners with these "unheralded and unsung" heroes in the attempt to do everything possible to aid in the increasing of food production for the nation.

AMERICA LEADS IN
ELECTRIC POWER!

Wartime shortages that have developed in many other necessities fortunately do not apply to the electric power supply... Thanks to the foresight of American business management, this country has available more power than all of the Axis nations combined—five times as much as America itself had during World War I.

MASTER ENGRAVERS TO AMERICA'S SCHOOLS

An American

TRADITION

For more than half a century Pontiac has been producing **QUALITY** printing plates for all types of publication work and has established a reputation for dependable service which is unexcelled among photo-engravers. Everywhere Pontiac yearbook service men have become known for their friendly, helpful assistance and are recognized for their ability as specialists in the school publication field.

It has become "An American Tradition" for schools to select Pontiac as their engraver year after year, with the result that the number of annuals handled by Pontiac has steadily increased. Hundreds of these staffs have developed distinctive books with the assistance of Pontiac artists and have gained recognition for the originality and success of their publications.

The entire personnel of Pontiac Engraving & Electrotype Co. salute the publishers of this book for their splendid efforts in producing a fine yearbook. They invite other schools to join the thousands of satisfied Pontiac clients for assistance in the solution of their engraving problems.

Pontiac served as the **Official Engraver** to this book.
