TOSSION DENISON

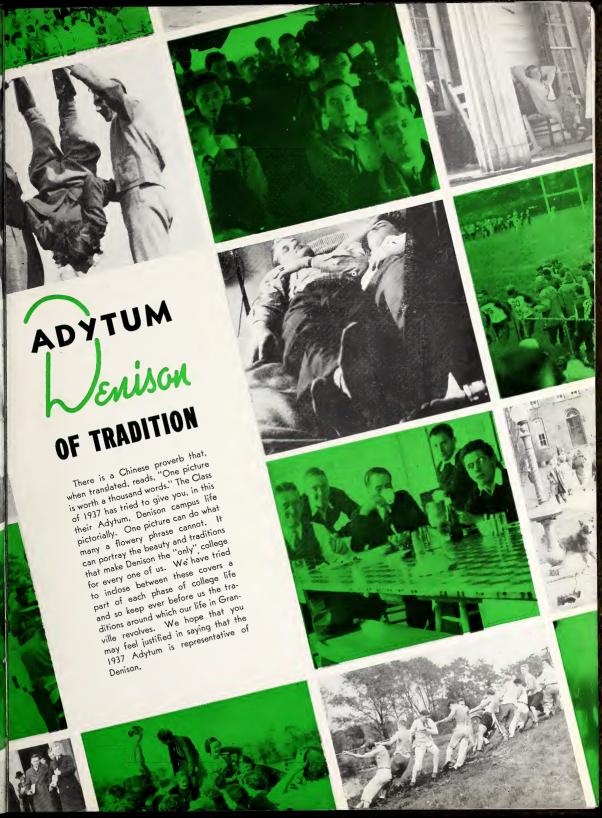

UNIVERSITY

OF TRADITION

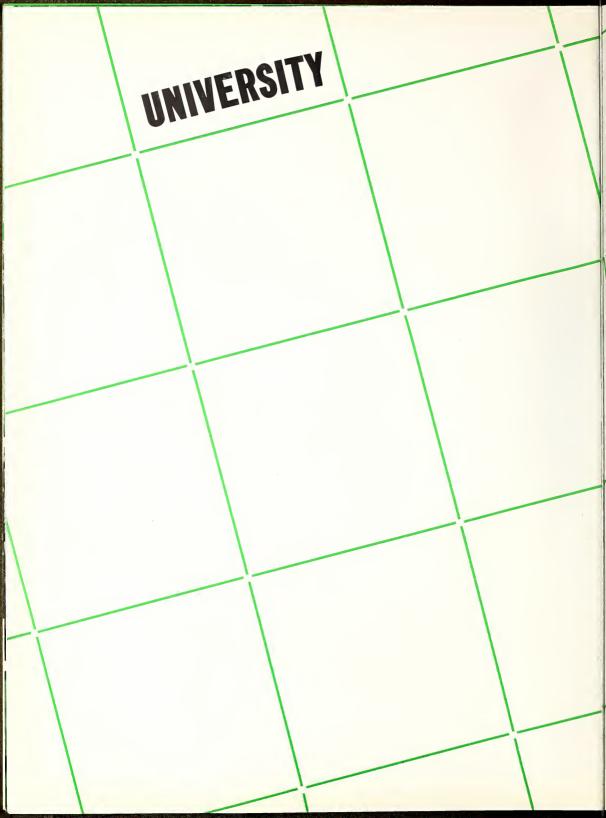

G R A N V ROBERT VAN WAGONER, Business Manager

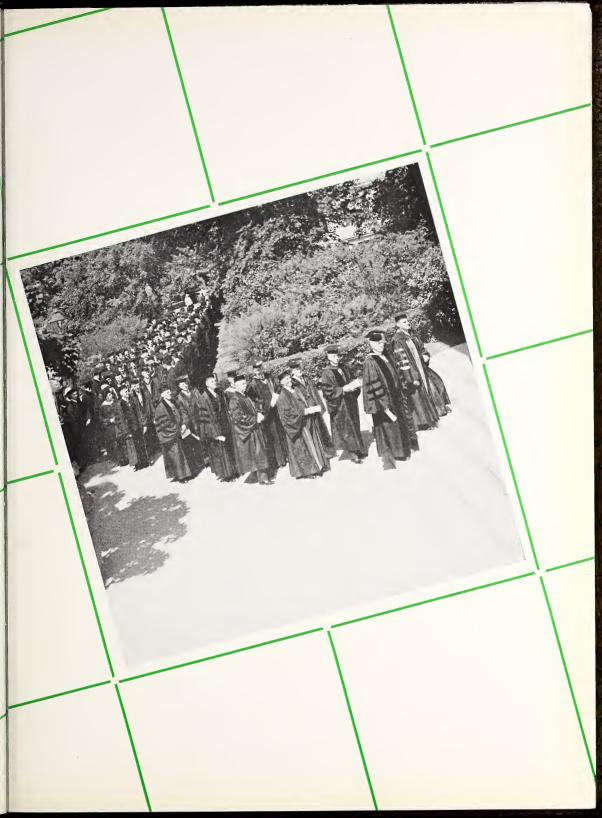

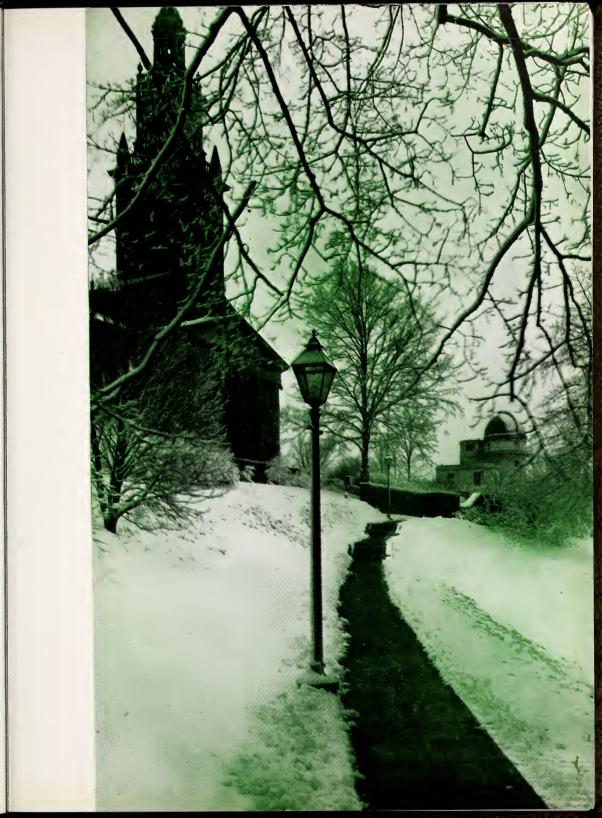

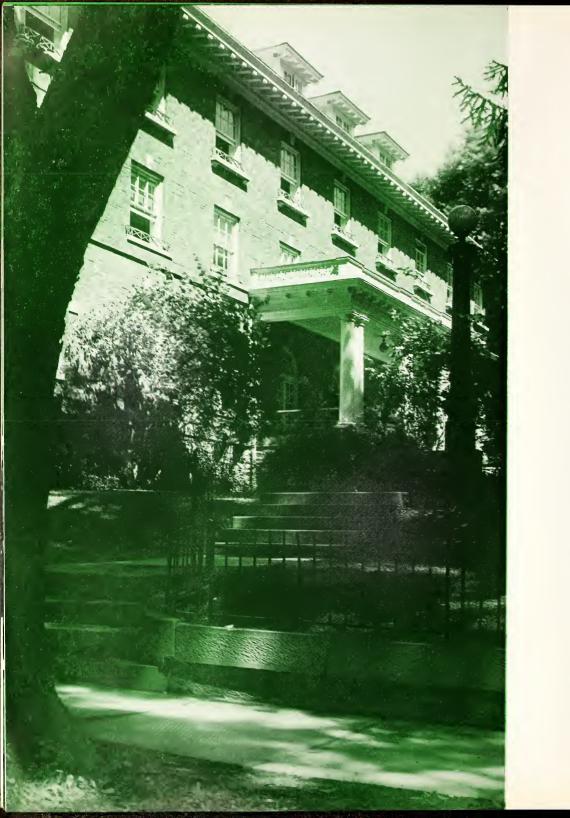

DEDICATED TO MRS. A. A. SHAW It seems fitting in a book, depicting the it to It seems fitting in a book, depicting the it to dedicate it to The traditions of this university, to dedicate The traditions of this university, to dedicate The traditions of our President. The traditions wife of our President. The traditions wife of our President. The tradition to Denison students of hospitality in the Shaw home is warmth of hospitality in the Shaw home indeed a tradition to Denison students indeed a tradition to Denison students.

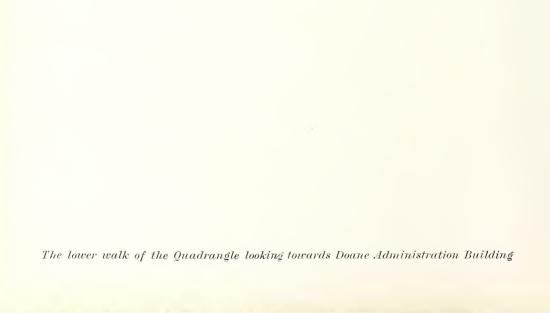

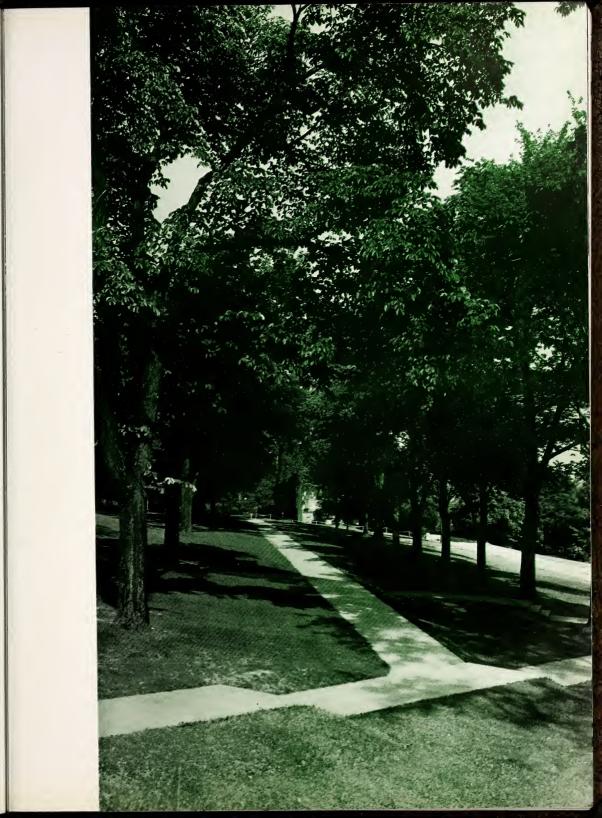

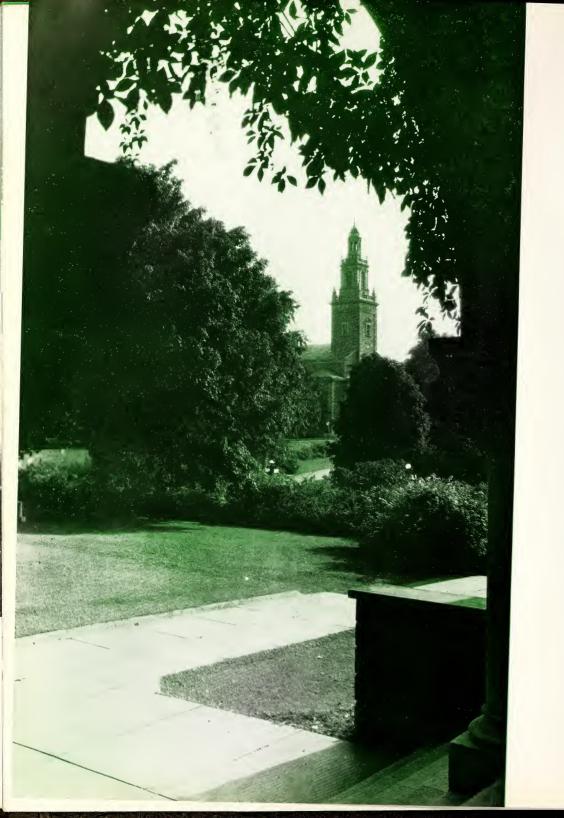

In 1832 the legislature of Ohio granted a charter which created the Board of Trustees of Denison University at Granville, Ohio. Each year twelve alumi are elected to the Board for a term of three years. Of the thirty-six members, two are chosen by the alumni and the rest by the Board itself. They are men of broad business and professional experience and come from all sections of the country. On April 17, 1936, Miss Prudence Sherwin was elected as the first woman member of

the Board of Trustees. This spring another woman, Mrs. Lorena Woodrow Burke of New York City. was elected. Other trustees elected to the Board n 1936 and 1937 are: C. E. Richards of Columbus, Dr. Kirtley Mather of Newton Center, Massachusetts, H. W. T. Collins of Cincinnati, and Mr. Thomas B. Fordham of Dayton.

The Board of Trustees

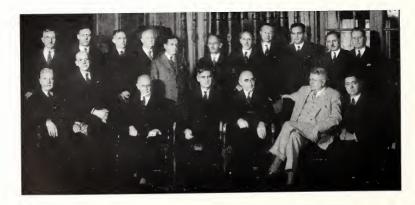

The Roard of Trustees lost a loval supporter in C. F. Burke who died this winter. His loyalty to Denison will never be forgotten by those who knew him. In 1936 five valuable trustees were lost in the persons of Dr. J. L. Cheney, W. D. Chamberlin, H. H. Feight, F. P. Beaver and Edward Canby.

The Cleveland Trust Company aids in the investing of the funds under the able leadership of

Mr. H. C. Royal of Cleveland who is Chairman of the Finance Committee. Much of the detail work of the Board is done by the Executive Committee of which Mr. A. M. Colby of Mansfield is chairman. Mr. D. E. Green, a prominent attorney of Cleve-land, is chairman of the Board and Colonel E. A. Deeds of New York is vice-chairman in cooperation with W. P. Beck of Pittsburgh. Dr. Millard Brelsford is secretary and his offices are located on the second floor of the Alumni building on Broadway in Granville.

'The Destiny of Denison' program for which the trustees have given both their valuable time and financial support is receiving the enthusiastic support of all Denison alumni. The first step in the program was the building of a new library which is nearing completion, and is expected to be ready for use when college opens in the fall. Dr. Brelsford deserves a great deal of credit for his excellent work in the capacity of secretary of the Board of Trustees.

Standing, left to right: Fred D. Barker, Rev. Charles Lyon Seasholes, Percy L. Wiltsee, Henry A. Stout, Harry C. Royal, Willard D. Chamberlin (deceased), Charles F. Burke (deceased), Frank B. Amos, G. Herbert Shorney, Howard Lewis, and Ellis P. Legler. Seated: Francis W. Shepard-

President

Dr. Avery A. Shaw

Dr. Avery A. Shaw became President of Denison University in 1927. He was born in Nova Scotia and received his Bachelor of Arts degree from Acadia College, Nova Scotia. He now has degrees from Rochester Theological Seminary, McMasters and Bucknell College.

Before coming to Denison, Dr. Shaw was pastor of the Emmanuel Church in Brooklyn, New York, for thirteen years. In 1934-35 he received the honor of being elected President of the Northern Baptist Convention. He is a trustee at the present time of Rochester Divinity School and is in "Who's Who in America" and "Presidents of American Colleges and Universities."

Because of his friendliness and sympathetic understanding he has taken a place in the heart of every Denison student. He has a keen interest in each student which has made him an integral part of campus life. There is nothing so enjoyable as an evening spent with the Shaws, for their charming home is always open to the students and is a haven for those in search of advice, sympathy and hospitality. We regret the numerous organizations that take Dr. Shaw away from us at various times during the year but he always returns to the white house next to the chapel.

Denison has reached new heights under the guidance of our loved President and we hope for its continuance for years to come.

HONORARIES

Top Row: Thorsen, Cudmore, Souers, Allison, Holth; 2nd Row: McCuskey, Stewart, Van Wagoner, Western, Willett; 3rd Row: Dr. Crocker, Dr. Detweiler, Mr. Livingston, Mr. Mahood, Dr. Shaw.

OMICRON DELTA KADDA

Omicron Delta Kappa is a national men's honorary fraternity. Membership is awarded after a certain number of points is earned through three or four years of college. Points are given in every field of college endeavor including athletics, journalism, scholarship, debate, music, dramatics and student government. Throughout the year meetings are held bringing together leaders in all fields for discussion of university problems.

This fall three students and one faculty member were elected. They were: Dr. Frank J. Wright, Robert Van Wagoner, Thomas Allison, and Alex Stewart. Bob is the first member of the class of 1937 to receive this honor.

Omicron Delta Kappa has had many worthy projects, one of which, the O. D. K. Shelter House, stands on Sunset Hill. This organization backs all worthy projects and attempts to benefit Denison in every way possible. This fall a great deal of constructive thought was given to the Destiny of Denison program with emphasis on the transforming of Cleveland Hall into a student union building. Under the leadership of Robert Thorsen the year has been a successful one.

The highest award for senior women outstanding in scholarship leadership, and service is Mortar Board. Previous to the spring of 1935-1936, the senior women's honorary was Cap and Gown.

To encourage scholarship, Mortar Board gave a scholarship dinner for the fifteen girls with the highest averages from the

sophomore and junior classes.

This fall, they gave a tea for transfers. All the members were blackened and dressed in white mess jackets. The transfers were given "transfers" from their old colleges to Denison. The theme of the tea was "a train."

Later, the organization planned the Dad's Day banquet. At Homecoming they planned a dance at the Inn in conjunction with Omicron Delta Kappa. The following morning, they held a breakfast for Mortar Board alumnae, at which time they took into the chapter some alumnae from Cap and Gown,

Two girls didn't return this year, Marjorie Hunt and Phyllis Taber. The latter is now affiliated with the chapter at Pitt.

Alice-Janet Stouffer is the president of Mortar Board this year. Mrs. Horace King, Miss Barr, and Miss Badenoch are advisors. Mrs. Shaw and Dean Olney are honorary

Mortar Board meets at the convenience of the members, usually once a month, and preferably for supper.

MORTAR BOARD

BLUE KEY

Blue Key is a national honorary fraternity designed to honor men recognized as leaders on their respective campuses. It originated at the University of Florida in 1924 and it now has 71 active chapters throughout the country.

The Denison chapter is very active on the campus. Blue Key planned the celebration for Dads' Day, arranging for seating the dads of the football players on the bench with the team, and for tagging each dad with his son's number. At that time the organization also made arrangements for fraternity open houses for the fathers.

Some time ago Blue Key sponsored a safety program, having as a chapel speaker a member of the State Highway Patrol.

Blue Key helped with the preparations for Homecoming and had charge of the Barbecue given for the alumni.

Blue Key played an important part in the plans for Sub-freshman day in the spring. They arranged fraternity openhouses for freshmen, planned a tour of the campus for the sub-frosh, posted welcome signs and signs indicating points of interest, and sponsored decoration of fraternity

Jesse Skrilitz was sent as delegate to the national Blue Key convention at New Orleans in the winter.

Blue Key also had such duties as regulating men's conduct in chapel and on the campus, renewing the name-signs of former Denison presidents along the Drag, and planning an activity calendar for next year.

Top Row: Cornell, Cudmore, Davis, Erler, Frost, Gerhandt; 2nd Row: Haas, Harman, Hartman, Holth, Kingery, Lawrence; Bottom Row: Morgan, Skrilitz, Turnbull, Van Wagoner, Western, Willett.

Top Row: Murton, Oxley, Spring, Beck; 2nd Row: Coons, Eschman, Jones, Portmann: 3rd Row: Post, Reiter, Sparks, Warner.

Our honorary society for Junior women is Crossed Keys. It was organized in May, 1926, to promote a friendly spirit among various social groups and to keep class spirit running high. New members are tapped in recognition of their campus attitude and cooperation in activities.

After the first semester, Crossed Keys dropped the matter of chapel conduct in view of the fact that the present plan was not successful. They are now working with Mortar Board on a new program.

Mortar Board on a new program.

Crossed Keys helped Women's Government in collecting money and clothes for flood relief. In cooperation with Blue Key they are working on plans for Sub-Freshman Week-end, which will be May 15th, 1937.

The officers for the past year were: Evelyn Murton, president; Katherine Oxley, secretary and treasurer; Mary Spring social chairman. Dr. Charlotte Rice is the faculty advisor.

Crossed Keys may not appear to execute many functions during the school year, but the organization is primarily an honorary society that helps the campus in ways intangible rather than material.

Those sophomores tapped this year are: Ida Jeanne Daggar, Dorothy Frazier, Jean Gregg, Carol Griffith, Betty Hartman, Portia Miller, Sue Palmer, Jean Ralph, Evelyn Rope, Betty Scott, Margaret Schumaker, Betty Tumbleson, Elizabeth Way, Katherine Webb, Ruth Wheeler, and Jean Yoder

Top Row: Willett, Wood, Carney, Anderson, Baker, Crites; 2nd Row: Cudmore, Everhart, Hard, Hirst, Holden, Jacobi; Bottom Row; Kent, Kingery, Nadel, Stewart, Wiley.

DHI MU AIDHA

Even more than in previous years did Nu chapter of Phi Mu Alpha distinguish itself on the Denison campus during 1936-7. The first event of importance was the reception given in conjunction with Delta Omicron, musical sorority, on November sixth.

On the 24th and 25th of March members of Phi Mu Alpha and Delta Omicron sang the leading roles in the puppet opera, "The Emperor's Clothes." They played to a large and enthusiastic audience both nights.

Besides its contribution to Denison life, as an organization, Phi Mu has served and won recognition through musical activities of its individual members. Reid Anderson and Ronald Wiley are drum major and assistant director of the band, respectively; Tom Cudmore is student leader of the glee club; Harry Willett is glee club manager and member of the board of control of music. Franklin Wood is assistant director of the club, and Henry Jacobi is manager of the same. Norman Nadel writes musical news and criticism for the Denisonian.

Phi Mu Alpha Sinfonia was founded as a national honorary musical fraternity at New England Conservatory of Music in 1898. The local chapter was established in 1912. Delta Omicron was founded at the Cincinnati Conservatory of music in 1909, "to create and foster fellowship among musicians during their student days with the idea of attaining the highest degree of musicianship individually." Delta chapter was installed at Denison in 1915. Standing for superior ability and interest, it represents the highest recognition of music attainment for women at Denison.

For the second year, the chapter has sponsored the sale of tickets for the various concert series in Columbus. In the fall, Phi Mu Alpha cooperated with the sorority in giving their annual reception for all music students. In the spring, the two organizations presented the marionette opera. "The Emperor's Clothes." Those participating were members of the two approaches.

groups.
On Founder's Day, a supper was held at the Campus Corner Tea Room; members of Epsilon chapter at the Morrey School of Music were guests of Delta on this occa-

sion.

All of the musical organizations on the campus are represented in the membership. Delta Omicron has members who are in the glee club, the orchestra, the chapel choir, and the string quartet. The three girls in the Madrigal Group are D. O.'s, as are the accompanist and the student director There are 18 girls in the chapter this year, seven of whom were initiated in March. The officers for the year were Florence Mather, president; Theresa Irwin, vice-president; Annabel Shepard, secretary; and Dorothy Lanning, treasurer.

DELTA OMICRON

Top Row: Beam, Davis, Deeds, Eschman, Freeman, Geil; 2nd Row: Guthridge, Hopkins, Irwin, Jennings, Lanning, Mather; 3rd Row: Shepard, Shepherd, Townsley, Vanderbilt, Walton, Wolfe.

DI DELTA FDSIION

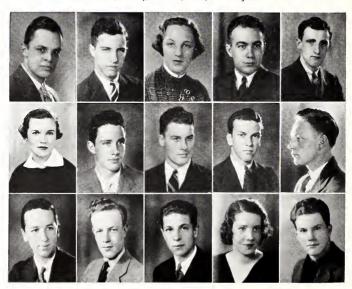

The Denison chapter of Pi Delta Epsilon, national journalism fraternity, is one of the most active and worthwhile honoraries on the campus. Membership is gained by election after outstanding work in some phase of journalistic activity on the Denison campus, of an editorial or business nature on either the Denisonian or the Advtum.

Robert Thorsen was president of the organization during the past year; and with Loren Souers as vice-president, Neil Cartter as secretary and Tom Allison as treasurer, the group made numerous contributions to Denison life and activity.

Perhaps the outstanding contribution of the season was the Penman's Prom which the fraternity sponsored. A name band was imported and an all-campus dance was held. Two prizes were instituted for excellence in student journalism. The group cooperated in the very successful Pi Delta-Epsilon Grille Moderne Bridge Tournament. Programs which appeared at the football games were also a project of this very active group.

Along with these projects the honorary carried on the editing, publishing and distribution of the Student Blotter and the Student Directory. Regular meetings were held and plans for a literary magazine and Freshman Bible were discussed.

Top Row: Thorsen, Souers, Cartter, Carabelli, Allison; 2nd Row: Barnes, Burrill, Cudmore, Cullen, Davis; 3rd Row: Dunnick, Dwelley, Overhuls, Short, Van Wagoner.

Tow Row: Erb, Chatten, Dorr, Stouffer; Bottom Row: Beardshear, Oxley, Souers, Dr. Lionel Crocker.

Denison's chapter of Tau Kappa Alpha, one of the two leading national forensic societies, was headed this year by Lauren Souers, president, and Frances Erb, secretary. The members of this organization

Jesse Skrilitz Lauren Souers Gail Oxley Albert Beardshear Frances Erb Janet Chatten Miriam Dohr Alice Janet Stouffer

Membership into this organization is obtained by two years of active participation in collegiate debating, as a member of the varsity team or by outstanding work in the field of speech. Denison attended the National Convention held at Cincinnati at which convention all the chapters send delegates for a "Round Robin" of debating and after-dinner speaking competition. The delegates representing Denison were Alice Janet Stouffer and Gail Oxley. Each delegate had to be prepared to speak on either side of the question: Resolved, that Consumers' Cooperatives would benefit the public welfare.

MEN'S STUDENT GOVERNMENT

The Men's Student Government Association is composed of members elected each year by the men's student body to represent it in problems concerning its interest in the school. One of its main purposes is the bringing about of a closer relationship between the men students and the college.

In accordance with the policy of governments of previous years, this year's group has worked toward broader powers for itself, and has had some success with regard to actual student government and disciplinary measures.

disciplinary measures.

MSGA has reorganized the voting in student government and class elections on lines that will eliminate, as far as possible, all politics and will facilitate the actual voting.

The program in men's assembly each Thursday is prepared and directed by MSGA. Local and outside speakers who present a wide variety of subjects are obtained for these meetings.

By means of boards elected by the student body, MSGA has control over music, debate, publications, and athletics. Worthy campus projects are always endorsed and fostered.

Officers of MSGA this year were: Jim McCuskey, pres.; Tom Cudmore, vice-pres.; Don Western, sec'y.; and Harry Willett, treas. Jack Rader has been elected president, and Charles Vincent, vice-president for the coming year.

Self-government is conducted by Denison women through the Women's Student Government Association, to which all women belong. This year the association has maintained the central file committee, organized to record the extra-curricular activities of the students, and to enforce the point system.

Many have been the interests of W. S. G. A. this year. According to custom, this body has managed the General Jam. They have also arranged all the programs for Tuesday chapel and have revised the handbook rulings. The Big Sister organization has been the work of women's student government, as has the traditional Christmas sing at Dr. Shaw's home after the Y. W. C. A. pageant, and the May Day celebration, in honor of the seniors and the mothers.

Women's Student Government has also had charge of the dormitory dances and teas. The age-old tradition of scrap day has been another of its various activities. One of the most interesting of the Association's departments was that of intersorority freshmen debates, the Tri Delt pledges being victorious. Cooperating with Y. W. C. A., the association helped to establish a freshman camp. The main project undertaken this year was vocational guidance conference which was highly successful.

WOMEN'S STUDENT GOVERNMENT

Top Row: Baird, Colwell, Eschman, Post, Stouffer; 2nd Row: Carle, Coons, Spring, Rope, Klemm; Bottom Row; Shumacher, Short, Chatten, Vanderbilt, Dean Helen Olney.

INTERFRATERNITY COUNCIL

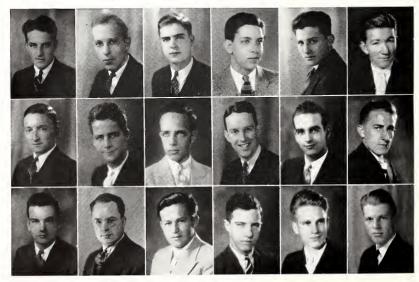

The Inter-fraternity Council was headed this year by James Morris, Sigma Chi. Due to his graduation at semesters, the presidency went to Donald Western, American Commons Club. The purpose of the inter-fraternity council is to strengthen inter-fraternity relations and to handle collegiate matters pertaining to fraternities as a whole.

In the summer of 1936 the council prepared and sent out handbooks to the Freshman men giving advice on fraternities, pledging and expenses. The annual banquet was held at the Inn in January. One of the outstanding bits of legislation by the council this year was the boycotting of the up-hill dorms for seranades, except sweetheart seranades, because of lack of appreciation.

Another step forward in controlling and subduing rushing activities was made when the council voted that a definite date system be set up for freshman men. This provides that a prospect must be entertained in three different houses before he is pledged. This plan goes into effect in the fall of 1937.

The annual Interfraternity Serenade contest was held over Mother's Weekend with the Phi Gams victorious. Three inter-fraternity smokers were held during the year for all college men. The council persuaded Dean Olney to reduce the number of faculty chaperones at a formal from three to two couples. The council feels that it has had a very successful year and all important legislation has been handled intelligently and fairly.

Top Row: Morris, Western, Taylor, Rovin, Brauning, Cornell; 2nd Row: Deeter, Holth, Morgan, Moshier, Nesbit, Orr; Bottom Row: Pettit, Root, Skrilitz, Souers, Turner, Welles.

Top Row: Gray, Bowman, Eschman, Barnes, Dorr; 2nd Row: Jorgenson, Lozier, Mally, Marner, Masch; Bottom Row: Pickrel, Shoemaker, Sparks, Walker, Dean Helen Olney, Advisor.

In the Panhellenic Association are merged the ideas and characters of seven Denison fraternities. The council has resulted in democracy and cooperation among fraternity women. The members discuss their various problems, and are able to see how other fraternities solve these difficulties.

The council's greatest job on campus is the regulation of rushing. At the recommendation of the Alumni council they are corresponding with other schools of similar size and type to find a suitable new set of rushing rules.

This year the Panhellenic Association sponsored a benefit bridge at the Kappa Alpha Theta house, and proceeds were to be used to send a delegate to the sectional conference in the spring. Betty Bowman, Kappa Kappa Gamma was chairman of the affair.

Betty Shoemaker, Kappa Alpha Theta, was selected by the council to attend the conference in Cincinnati, and she returned with many ideas for the rushing season of next year. The council is planning to change the system entirely because the present plan has not been satisfactory.

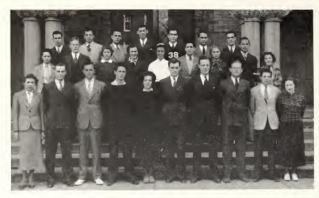

Officers this year were: President, Mary Gray, Chi Omega; Vice-President, Betty Shoemaker, Kappa Alpha Theta; Secretary, Elinor Eachman, Delta Delta Delta: Treasurer, Betty Bowman, Kappa Kappa Gamma.

DANHELLENIC COUNCIL

ACTIVITIES

Back Row: Martin, Fulcher, Beardshear, Bates, Bromley, Sweitzer, Hage; 2nd Row: Speckman, Brant, Orcutt, Barnes, Christena, Nadel, Cowman, Smith, Zimmerman; Front Row: Weber, Walker, Moore, Burrill, Short, Allison, Dwelley, Bowman, Overhuls, Bowyer.

THE DENISONIAN

In the eightieth year of its history the **Denisonian**, student weekly newspaper, was edited by Tom Allison, Sigma Chi senior, who had been on the staff since his freshman year and last year served as associate editor.

Frequent editorial clashes with Kenyon College over Denison's athletic policy and again over selecting of the Denison **Adytum** queens by vote of the Kenyon student body focused campus attention on the columns of the **Denisonian**.

The staff hopes this year to win first place among college weeklies of the Ohio College Newspaper Association in the annual contest. Last year the **Denisonian** missed first place by one-sixth of a point.

In order to make the pages more attractive as much use of illustrations has been made as the budget would allow. Several new headline styles have been introduced. The society column edited this year by Jean Weber and the sport page under Dick Cullen improved significantly over previous years. More space was devoted to the Denison athletic program in the belief that it has great interest to the students.

Four six-page issues appeared on special occasions such as homecoming and sub-freshman day, both of the latter issues having been distributed free among the visitors on the campus.

Much of the credit for the quality of the work done this year is due to the associate editors: Mary Kay Short, James Overhuls, and Thorndike Dwelley. To them fell the greater part of copy-editing, selecting material, making assignments, and making up the page.

Sam Bowman, a sophomore staff writer, was awarded the first annual Pi Delta Epsilon prize of \$10 for the best general news reporting done by an underclassman. The selection was made by a committee headed by the editor.

Through the expert management of Robert M. Thorsen, business manager, and Bill Burrill, advertising manager, the advertising was increased even over the peak of last year. Besides the sinking fund which is laid aside each year, salaries were paid on a percentage basis to the editorial and business staffs.

Back Row: Martin, Bersted, D. Smith, Bromley, Bowman, Hallstein, Sheldon, DuBey; 3rd Row: Clements, Porter, Matthews, Hopkins, Brant, Wolf, Hornor, M. Smith, Radebaugh; 2nd Row: Speckman, Shank, Watson, Williams, Way, Galloway, Weber, Wood, Izant, Thrasher; Front Row: Mitchell, Anderson, McCoy, Moore, VanWagoner, Cartter, Beardshear, Sweitzer, Barnes, Montgomery, McCarroll.

THE 1937 ADYTUM

Editing a yearbook is not a one-man job. If it were not for the valuable aid of competent workers, it would be almost impossible to put out a successful book. The time and effort spent on the completion of the book by members of the staff goes almost unrecognized by the school for whom it is edited. We would like to express our deepest appreciation to all who have helped make this **Adytum** a success.. Especially we would like to thank Helen McCoy, Nancy Thrasher, Don Smith and Verne Bowman for the hours of layout work, and Betty Barnes, Harry Sweitzer and Bob Deeter for their editorial work. The photography of Ham Webster, Jim Root and Gene Wolf is responsible for many of the informal snapshots throughout the book. We would like to thank Al Beardshear for his competence in handling the circulation and Wally Smith for his success with the patrons' page. We also would like to thank members of both business and editorial staffs for their willingness and hard work.

The Alumni Office deserves a vote of thanks for allowing us to use their files at will and it goes without saying that our thanks to Mr. Max Mueller of Newark for his patience and dependability can reach no bounds.

In the fall the **Adytum** sponsored a Snapshot Contest. The 104 pictures that were submitted showed that there is a great deal of interest in amateur photography on this campus. The pictures were judged on technique, originality and effect. Mr. Mueller chose as the winner, Helen McCoy, and as runner-up, Sue Shelton. Prizes of five and three dollars respectively were awarded to these two girls.

The 1937 Adytum is published by the Junior Class for the school, and we hope that you will feel that it is really your book. We have tried to emphasize the many traditions that belong to Denison and show them pictorially. If we have managed to capture in these pages some of the informality and friendliness that characterize Denison life, our efforts have not been in vain.

MEN'S STUDENT CHRISTIAN ASSOCIATION

In its third year of existence on Denison's campus, the Men's Student Christian Association has taken still greater strides in the advancement of its purposes among

the students of the school than in previous years.

One hundred and ten men in the college were members of the group during the past year. The work of the organization is in seven divisions, each in charge of a cabinet member. John Harman was head of the Freshman Camp, one of the most important functions of M. S. C. A., held before school last fall at Camp Indianola. There were 90 men at camp who by its advantages got head starts in making acquaintances with faculty members and friendships among their future fellow classmates.

Back Row: Hanna, Collyer, Wood, Hover, Dewey, Sivertsen, Sitterle, Sherman; 3rd Row: Brauning, Hall, Pierce, Wells, Moorehead, Welsh, Price; 2nd Row: Schaub, Black, Ault, Western, Rupp, McKibben, Webb; Front Row: Smith, Titirigi, Holth, Harman, Lawrence, Morgan.

Dr. Charles Lyon Seasholes, pastor of the First Baptist Church of Dayton and one of Denison's trustees, conducted the annual week of prayer. Dr. Seasholes was undoubtedly the best speaker of the year and put his prayer program across to the Denison students in a very effective manner.

Erwin Holth, president of M. S. C. A., had Clare Pineo, representative of the emergency peace program, in Granville several times during the year to conduct

forums and discussions on this great movement.

The work on the relief project of this organization at Dillonvale was highly complimented at the Tri-State Convention at Albion, Michigan, of the Y. M. C. A. and Y. W. C. A., to which Nickie Titirigi, Erwin Holth, and Professor Stewart attended as representatives of Denison.

M. S. C. A. sponsored several dances in Cleveland hall after the home basketball games. The dances were given for the purpose of getting the students together

and not for a profit of any kind.

During the year joint meetings of the Y. W. C. A. and M. S. C. A. were held. The two groups cooperated in securing speakers for the Chapel and Vesper services. The speakers this year were: Harold C. Phillips, D. D., Cleveland; Dr. H. M. Lichliter, Columbus; Dr. Charles L. Seasholes, Dayton, and H. A. Kent, Kingston, Ontario.

After being nominated by a committee composed of Dr. Shaw, Professors Stewart and Rupp Nicholas Titirigi was unanimously elected to the presidency of M. S. C. A. for 1937-38. Other officers elected or appointed to office for next year are Phil Smith, vice-president; John Stewart, treasurer: John Turnbull, secretary; Jim Morgan, freshman camp; Louis Hover, deputation; Wallace Ault, chapel and vespers; Bob McKibben, forums; Warren Sivertsen, social service; Stafford Webb, local churches, and Bob Blackburn, social committee.

The Denison M. S. C. A. sponsored a conference of state Y. M. C. A. presidents at Granville on April 10 and 11. Representatives from more than 30 Ohio colleges

were here to discuss mutual problems.

YOUNG WOMEN'S

Spurred on by the preceding year's success, the Cabinet of Y.W. started their spring program last year with a Mother-Daughter Banquet, the theme of which was the currently popular sport, knitting. Place cards were knitting bags, the skit portrayed the love-life of Knit and Purl who were beset by the villian, Dropstitch, but were rescued by Crochet-hook. The Freshmen feted their mothers with a breakfast and lovely program.

The whole association gathered on Sunset Hill for a picnic supper and the last meeting of the year. The new Cabinet entertained the honorable seniors of the association at a supper party and gave to each a comic gift with a suitable verse.

In a more serious vein, the Cabinet worked on the re-organization of the association membership. Using the significant Triangular theme the Association was divided into three Interest groups: Philosophy of Living, Expression, Social Service. These were headed by cabinet members and their deputies and advised by Miss Rice, Mrs.

Standing: Jones, Oxley, Sheldon; Sitting: Smith, Chatten, Stouffer, Gregg, Pickrel, Dorr. Erb. Sparks. Post.

> Milne, Mrs. DeWeerd and Mrs. King. Each group met on one Thursday evening a month, while the fourth Thursday was reserved for Association meeting.

> Heart-sister week was a gay few days in February when the girls did secret missions and favors for each other. They celebrated at the end with a banquet, all seated in a huge chain, one heart-sister next to another.

> The Christmas Pageant was a series of tableux illustrating the reading of "The Other Wise Man" by Van Dyke. An angel chorus made a most effective "Curtain," while talented students filled the time between scenes with music.

> Dr. Seasholes of Dayton, was invited to the campus for the Week of Prayer by M.S.C.A. and Y.W.C.A. He gave the students days of inspiration and religious quidance.

> Freshmen and new girls were shown the true spirit of friendliness found in Y.W. during their first week on the campus. Members of the Cabinet assisted W.A.A. and W.S.G.A. at Freshmen Camp; the association, with M.S.C.A. entertained freshmen women and all Denison men at a dance in Cleveland Hall; and Y.W. members saw that each new girl was escorted to church her first Sunday.

> Freshmen members soon organized their own association, chose their cabinet, planned their meetings and followed through smoothly.

In June last year the "Geneva Fund" made it possible for nine Denisonians to be representatives at the National Y.W. Student Camp Conference at Lake Geneva, Wisconsin. The nine made a fine showing, with more hits than errors and a high batting average. This June there should be an even larger delegation for the campus coeds have consumed hundreds of candy bars and the Fund looks promising.

Y.W.C.A. is responsible for one chapel hour a month and one Vesper service

a month. These were ably handled by the worship chairman and her group.

The fact that such a large majority of Denison women willingly join Y.W.C.A. shows there is a common desire to "realize a fine and creative life" through the opportunities offered for fellowship, leadership and growth. This phase of the national creed, "through a growing knowledge of God," stands as a spur onward to cabinet and members alike.

MEN'S DEBATE

"Resolved that the several states should adopt a unicameral form of legislature" and "Resolved that Congress should be endowed with power over minimum wages and maximum hours for industry," were the two questions considered by the men's varsity debate team this year.

Denison's debate schedule lasted from November to March, during which time the two questions were argued with teams from Kenyon, Otterbein, Muskingum, Case, University of Cincinnati, Ohio University, Earlham, Kent State, Capital, Bluffton, Heidelberg, Ashland, Ohio Wesleyan, and Xavier. In February, a team consisting of

Left to right: Evans, Titirgi, Gordon, Cosway, Souers, Beardshear, Welles.

Gail Oxley and Loren Souers made a trip through the East, debating at the University of Pittsburg, American University in Washington, D. C., and at Washington and Lee University at Lexington, Virginia. Big Red debaters tied for third place in the Ohio Conference Tournament held at Capital University on December 12.

Debate is sponsored at Denison for the purpose of developing trained speakers. It is the belief of Dr. Crocker, debate coach, that benefit to the students is of more importance than a successful decision. None of the regular scheduled debates were judged because it is felt that a spirit of keen competition defeats the avowed purpose of the debates.

Members of the Denison 1936-37 debate squad were: Al Beardshear, Gail Oxley, Leonard Welles, Loren Souers, W. Griffith Evans, Nickie Titirigi, Bob Gordon, Richard Cosway, and Sam Bowman.

Freshman debaters, under the leadership of Gail Oxley, were organized last Fall at a banquet at the Granville Inn, at which a talk by Dean Detwieler sent them off to a season of great oratorical activity. The question considered by frosh debaters was: "Resolved that all electrical utilities should be owned and operated by the Federal Government."

In addition to numerous exhibition debates before various civic organizations, the Denison freshmen matched their wits and oratorical power against freshman teams from other colleges. Among these colleges were Kenyon, Ohio Wesleyan, and Wittenberg. Those participating in freshman debate were: Stafford Webb, John H. Shively, James McCollum, Warren Perry, Kenneth Beaver, Phil Brown, and Bob Vick.

WOMEN'S DEBATE

The women's varsity debate schedule for the season of 1936-1937 included meets with the University of Cincinnati, the University of Pittsburgh, and Pennsylvania College for Women. These debates were on the question: Resolved, that the Congress of the United States should legislate minimum wages and maximum hours for Industry. Members of the team this year were: Janet Chatten, Frances Erb, Katherine Oxley, Alice Janet Stouffer, Elizabeth Way and Jean Yoder. Representatives were sent to a debate tournament for women of Ohio, at Baldwin-Wallace College on February 26th and 27th at Berea, Ohio, on the same question.

Sitting: Erb, Chatten; Standing: Yoder, Way, Oxley, Stouffer.

The freshman women under the direction of Miriam Dorr debated Ohio Wesleyan College and Wittenberg and also matched their wits aaginst the Denison freshman men. These were dual debates, one team debating at home and the other travelling to the college of the opponents. Their question was: Resolved, that there should be government ownership and control of electric utilities. Members of the squad were Ruth Barrie, Betty Cowman, Esther Crooks, Helen Evans and Zaida Shelton.

Representatives were sent to the regional annual Tau Kappa Alpha convention in Cincinnati, Ohio, on March 9th and 20th. Elimination debates were held with one man teams on the question: Resolved, that Consumers' Cooperatives would benefit the public welfare. Each speaker was subjected to heckling during his debate by his opponent and a lively and interesting debate was the result. Each speaker had to be prepared to debate either the negative or affirmative side of the debate and was not told which he was to give until just before he spoke. An after-dinner speaking contest was held after the annual banquet on the subject, "If I were a King."

The fourth annual inter-sorority debate tournament sponsored by Women's Student Government was held in February and March on the question: Resolved, that the Denison campus is overorganized. The silver loving cup with the winner's name engraved on it went this year to the Delta Delta Delta team composed of Helen Rose, Ruth Barrie and Barbara Eschman, coached by Carol Griffith. They defeated Betty Cowman, Betty Clements and Marjorie Merchant of Kappa Alpha Theta in the finals. The debate is eagerly followed every year by the student body and was especially good this year because of the excellence of both finalist teams.

MEN'S GLEE CLUB

Boasting one of the most complete repertoires in its history, the Denison glee club added many laurels to its long list of intercollegiate honors this year. Broadcasting with Fred Allen's programs as a featured attraction and singing before the Town Hall Recital club marked the high spots of two long jaunts that have done much to make "Denison" synonymous with good singing.

With two regular hourly practices plus two other special practices every week, except "trip" weeks, the club has religious, classical, semi-classical, and several popular songs ready for presentation. This year's home concert, the 28th of April.

Back Row: Walker, Van Wagoner, Hearsey, Bashore, Sims, Bates, Crites, Johnson, Bethune; 4th Row: Cavagrotti, Robson, Webster, Scipione, Williamson, Taylor, Deeter, Markle, Musal, Lyon; 3rd Row: Hage, Stridsberg, Arnold, Everhart, Larson, Pither, Wright, De Fossett, Condit; 2nd Row: Boggs, Titirigi, Newberry, Barlow, Scott, Jewett, Carney, Kent, Caruso, Crawford; Seated: Rice, Wood, Willett, Cudmore, Jacobi.

was Granville's first opportunity to see the club in action and know at first hand what has been called by music critics in metropolitan centers, "the best balanced voice group in Ohio music circles." The men invariably put on a good show, and a musical one. They sing enthusiastically, on pitch, and with unusually strict attention to their conductor.

More than a few broadcasts and at least a dozen appearances have been on the club program for this year, making the glee club "travelling representatives" for Denison. Tom Cudmore's versatile leading and the active management of Harry Willett accounted for much of the touring successes. Faculty Director Karl Eschman, who works constantly to keep the music up to the standard to which people connected with Denison have become accustomed since he has been director of the conservatory of music, gives credit for their success to concentrated practice periods and the active cooperation of every member of the club.

Adding to their previous contest honors this year Denison still remains one of the best voice aggregations in the country as proved by their standing in the state contest held May I in Granville. This contest was sponsored by the Ohio Intercollegiate Glee Club Council of which Karl Eschman is the president. For the first time Denison played host to the other Ohio clubs.

An unusual feature in this year's club is that each member belongs to a quartet which practices once a week. These practices do much to improve the individual singing while the regular bi-weekly practices are for the improvement of the group singing.

During the four day trip to Chicago, three concerts and one broadcast were given while on the New York trip during the ten day Easter vacation, the thirty-three men who comprise the Denison glee club presented ten concerts and excellent broadcasting in Cleveland and New York City.

If the success of this last trip made by the men's club can be judged by the way its concerts were enjoyed, it may be said that this organization has done its bit to further Denison prestige among the colleges and universities of this country.

WOMEN'S GLEE CLUB

During the past year the women's glee club has been under the capable direction of Dr. King Kellogg, new voice instructor at the conservatory. With him the group has travelled to nearby towns for special programs, taken its annual concert tour, and given performances in Granville. On most of the trips it has had the pleasure of having Mrs. Kellogg as its guest. The club sang in churches in Alexandria, Newark, and Columbus, and before the Convention of Public School

Back Row: Sheppard, Lanning, Smith, Simmons, Ahlers, Mather, E. Eschman, Vorhis, Geil, Haight; 2nd Row: Hartburg, Guthridge, Golden, Rope, Long, Spring, Freeman, Jones, Jacob, Menendian; Front Row: Jennings, Fischer, Wingert, Vanderbilt, Wolfe, Knight, Brizell, B. Eschman, Islev. Irwin.

Music Supervisors of the Granville District. At home it appeared in several churches, in chapel, and in vesper services. As has been the tradition for many years, the girls serenaded the men's fraternity houses early in the morning of the last day of school before the Christmas holidays. Their trip, though not having the uniqueness of being snowbound as last year, was equally interesting for it took them to Chicago. There they were welcomed into the homes of many fellow Denisonians who were justly proud of concerts they gave at Morgan Park, Wilmette, La Grange, and over station WLS. As the last programs of the year the group gave their annual home concert and assisted in a joint performance of all the campus music organizations as part of the Mother's Day festivities.

Dr. Kellogg is to be highly commended for the choice of selections in the club's repertoire. One of the most enjoyable numbers was a group of folk-songs containing arrangements of Coming Through the Rye, Zwischen Berg und Tal, My Little Banjo, and Up Wi' the carles o' Dysart.

Vocal soloists have been Jessie Mae Vanderbilt, Ruth Jennings, Margaret Hopkins, and Theresa Irwin. The octet was again featured with Jessie Mae Vanderbilt, Joan Gutheridge, Harriet Beam, Mary Lou Pugsley, Elizabeth Plum, Theresa Irwin. Elinior Eschman, and Ruth Haight as members. This group has made a name in its own right by performing independently on several occasions including a broadcast over station WHKC in Columbus.

The officers for the past year have been Jessie Mae Venderbilt, student director; Ruth Knight, manager; Elizabeth Plum, sec'y-treas.; Margaret Brizell, librarian; and Katherine Wolfe, accompanist.

SPANISH CLUB

El Circulo Castillano has had an unusually successful year. The membership has increased two-fold. There are now thirty-five members of the Spanish Club. During the past year there were two initiations for new members; one service was held the latter part of September and the second was held during the second semester. At these times students vitally interested in Spanish were made members.

The purpose of El Circulo Castillano is to give students an intellectual understanding and knowledge of Hispanic customs and history. The topics discussed at the meetings during the year had as their main theme those affairs which vitally concern Mexico and Spanish speaking countries of South America. It was the policy of the

Back: J. Newton, Helper, Jones, Kiehm, F. Newton; Front: Mr. Amner, Smith, Woods, Wood, Clements.

club to instill in each member a feeling of our close relationship with these countries and thus show that this can only be achieved by the realization of their importance to us.

Talks were given by the members who had traveled in Spanish speaking countries. Mr. Amner gave a very interesting talk about his trip last summer through Mexico. He also gave a talk on the unusual locations and consequent oddities of various of the Southern and Central American countries. Pan American Day is celebrated internationally and because of the interest of the members of the Spanish Club, historical facts and the background of Pan-Americanism was discussed to great extent. Pan-American flags were displayed and Spanish songs were sung by the group as a whole.

The success of this year's activities depended a great deal on the able leadership of the President, Mary Dell Baldwin. She was assisted by a competent group consisting of Helen Jones, Vice-President; Benton Mellinger, Treasurer and Mary Elizabeth Wood, Secretary. The new officers elected for the coming year are Jeanne Woods, President; Doris Jean Flory, Vice-President; Mary Elizabeth Wood, Secretary for the second year; and Dave Turner, Treasurer. The increase in membership has put the Spanish Club in a more important place in the list of Denison organizations and it is hoped that this is a favorable sign for a very successful year to come.

Programs of great interest to all Spanish students are being planned for the meetings next year. Mr. Amner has given invaluable aid and information and much of the success of El Circulo Castillano is due to him. His knowledge of Spanish customs in all Spanish speaking countries is ever available and his talks have been vivid and instructive.

Because of the Spanish war Spain has been in the public eye constantly for months. The study of Spanish countries carried on in the bi-weekly meetings is not concerned only with Spain but with all the Spanish speaking countries.

DENISON BAND

In the last three years the Denison Band has raised its number to 48 members. Under Reid Anderson's efficient leadership as Drum Major the band has made great strides and it is the first time in years that Denison has had a band to really be proud of. This year Reid has had two assistant drum majors. They were Bob Lamson and Bob Randolph.

Members of the band according to sections are: Clarinets, Ronald Wiley, Reid Anderson, Robert Gregg, Robert Conant, Donald Sherman, Julian Maire and Jack Fulcher Flutes, John Brant, and Woodward Rupp; Oboe, Frank Hirst; Saxophone, Verne Logerquist and Fred Oyster; French Horn, Gordon Kingery, Stafford Webb

and Harold Bayless; Cornets and Trumpets, William Hite, Paul Gilbert, Dwight Wait, Franklin Molen, Robert Goodridge, Fred Taylor, Merton Barlow and Robert Hillibish; Trombones, Ted Erler, Henry Jacobi, Joe Cavagrotti, Gerald Friederich, Charles Hansberger, Gordon Deer, Nickie Titirigi, Charles Boggs, Tom Phillips, and Robert Wright; Baritones: Norman Nadel, Robert Carney, and Donald Everhart; Basses, Franklin Wood and Charles Burris; String Bass, Dean Beier; and Percussion, Warren Sivertsen, Sterling Jewett, Richard Shoop, Wallace Ault, Jack Pauley, and Robert Shaw.

At every football game in the fall the band marched between the halves. Each game saw them with a different formation practiced during the week. One of the finest shows of marching was at the Oberlin game which was the last game of the season. Through correspondence a formation had been planned with the two college bands marching together. They played while they marched and they were led by the Drum Majors of both schools attempting to outdo each other in trick throws with the baton.

The band also lent its services at pep meetings and parades before the various football games. Part of the band was always present to break into melody at the home basketball games, and to play "To Denison" at the half.

One of the outstanding performances of the band this year was at the Muskingum-Denison night football game at Muskingum. Each member of the band had a small battery attached to his cap. The lights of the field were turned out leaving the stadium in complete darkness except for the 48 flickering lights moving in formation down the field. At the opening game of the season played at Deeds Field against Defiance, Reid Anderson, Big Red Drum Major, carried a flaming baton making a beautiful spectacle in the unlighted stadium.

Mr. Sam Gelfer deserves great credit for his hard work with the band. The uniforms that were donated by a friend of Denison have made the band a pride of the university. Each year a few new instruments are bought with the money donated to the band fund.

ORCHESTRA

The two festivals the fifty piece orchestra has assisted in this year have been the thirty-second annual performance of Handel's "Messiah" and the Spring Festival, in which Honnegar's "King David" and Rossini's "Stabet Mater" were presented. The "Messiah" was the winter concert of the combined chorus and orchestra which took place in Swasey Chapel on December 12th and 13th, while the Spring Festival performance was given May 12th and 13th.

Two symphony concerts were given and the outstanding numbers were: "Overture to the Meistersinger" by Richard Wagner, "Symphony No. 5" by Tchaikovsky, and "Symphonic Poem, Danse Macabre" by St. Saens. A string quartet composed of Mr. Gelfer, first violin, Wallace Hard, second violin, Florence Mather, viola, and Donald Everhart, violoncello, assisted in the concert of the orchestra, playing the

Quartet in G Major by Haydn.

Under the capable direction of Karl Eschman, conductor, Sam Gelfer, concertmaster, and Reid Anderson, student director, the orchestra has had a successful season.

ENGINEERING SOCIETY

The Denison Engineering Society was founded in 1904, and is one of the oldest departmentals on the campus. Membership in the society is elective and is limited to students of the Engineering and Physics departments whose scholarship is acceptable.

The purpose of the group is to conduct an intensive study of various phases of modern engineering and physics which are not covered in the classroom. The program of the society is designed to carry on this study of engineering subjects of current interest and to offer the members a direct contact with modern engineering practice and achievement. Meeting programs this year have consisted of talks by various noted engineers and physicists, motion pictures, and talks by the senior members. Regular meetings are held twice a month.

Officers of the Engineering Society this year were; pres., Robert Boehnke; vice-

pres., Phyllis Beck; treas., Frank Lippard; and sec'y., Robert Deeter.

FRANCO-CALLIODEAN

The Franco-Calliopean Society was first organized at Denison as two competitive debating clubs for men, more than 100 years ago. Since then, the two organizations have been combined to cultivate the literary interests of both men and women students.

The programs of the year have been devoted to the reading of the literatures of various countries. One of the most interesting evenings was spent in a discussion of Jewish art, including both music and writing. The highlight of the year was the reception held for Paul Engel after his speech in Granville at which time Mr. Engel was made an honorary member.

The society has evolved a new program suggested by Mr. Mahood in his speech at the initiation banquet, whereby the club will be divided into small groups, each group buying a novel, reading and discussing it, and donating it to a permanent

Franco-library, to have a separate alcove in the new Denison library.

Officers were William Smith, president; Lillian Colwell, vice-president; Alfred Scipione, treasurer; Ruth Orcutt, secretary; Neil Arnold and Frances Erb, program chairmen.

COSMOPOLITAN CLUB

The Cosmopolitan Club exists primarily for the foreign-born students of Denison, but is open for membership to those who believe that "Above All Nations Is Humanity." The club was under the able leadership this year of Ray Giffin. Other officers were: Vice-president, Jean Yoder; Secretary, Catherine Sparks; and Treasurer, Wallace Ault.

Under the new regime, 15 new members were initiated into the Cosmopolitan Club. With Ray Giffin presiding, a series of very interesting and instructive meetings were held at the homes of the club's advisers. Dr. Detweiler, Professor Amner, Professor Kato and other faculty members interested in the movement entertained the club at several very enjoyable meetings.

The members who attended the State Officers' Retreat at Ohio State University in Columbus, found that the Denison chapter rated very favorably among the Fed-

erated Cosmopolitan Clubs of the state of Ohio.

CHEMISTRY SOCIETY

The Denison Chemistry Society initiated 13 chemistry students into its membership at an early meeting of the year. The meetings, which were held bi-monthly, were conducted by Erven White, president of the group, and were under the direction of Dr. Fhauch and Dr. Everhart of the chemistry department.

Excellent speakers were selected for the society's programs. They were: Paul Ebaugh, who discussed new uses of glass; Mr. William Stewart, who demonstrated chemical magic; Dale Parr, Denison 1935, who talked about different types of rubber; Mr. Bottomly who gave a demonstration of the distillation of nicotine; and the secretary of the club, William Taylor, who discussed the composition of photographic films. A joint meeting was held with the Engineering Society at which moving pictures describing the refining of copper were shown.

Officers of the past year were: Erven White, president; Don Winchell, vice-president; and William Taylor, secretary and treasurer.

ETA SIGMA DHI

Eta Sigma Phi is a national honorary fraternity whose membership consists of those showing excellence in the classical languages. Zeta chapter was founded at Denison in 1926 and is now well-established in its work of promoting the classics. The society has not confined its activities to the campus alone but has awarded each year in Newark high school and in Granville high school a medal to the senior ranking highest in Latin.

The programs, this year, have been exceptionally broad and interesting. One of the purposes of Eta Sigma Phi is to promote the study of the classics in the high schools. In connection with this work, the Latin students of Newark high school presented a play for the chapter, dramatizing the story of Pluto and Proserpina. On April 15 and 16, Eta Sigma Phi sponsored "As You Like It" at the opera house. At the final meeting in May, Alpha Tau chapter of Ohio State attended the formal initiation banquet held at the Granville Inn. To put the finishing touch on the year's work, Eta Sigma Phi presented the new library with a gift.

CHAPFI CHOIR

The chapel choir, made up of mixed voices from the men's and women's glee clubs, has passed through a very successful year under the excellent guidance of Dr. King Kellogg. It has been larger this year than in any previous year.

The group practices on the three days a week when there is not service in the chapel, and credit toward graduation is given to its members provided they also take some other music course.

Throughout the year it has furnished beautiful music for the chapel and vesper serivces, and is to be especially commended for the program of Christmas carols rendered just before the holidays.

Soloists for the chair have been Elinor Eschman, Joan Gutheridge, Margaret Hopkins, John Crites, and George Sims. One of the most effective numbers of the year was "Pray for the Peace of Jerusalem."

Smith, Colwell, Van Wagoner, Walker, Fitch, Oxley, Smith, Lindstrom, Mr. King, Thiele, Skrilitz.

MASQUERS

Masquers is the organization on the Denison campus which undoubtedly contributes most to the aesthetic life of the university. It is an honorary, with membership limited to juniors and seniors who may be voted into the group after fifty hours of work in some phase of Masquers activity. This work may be done either as an actor, a technician or in a business capacity.

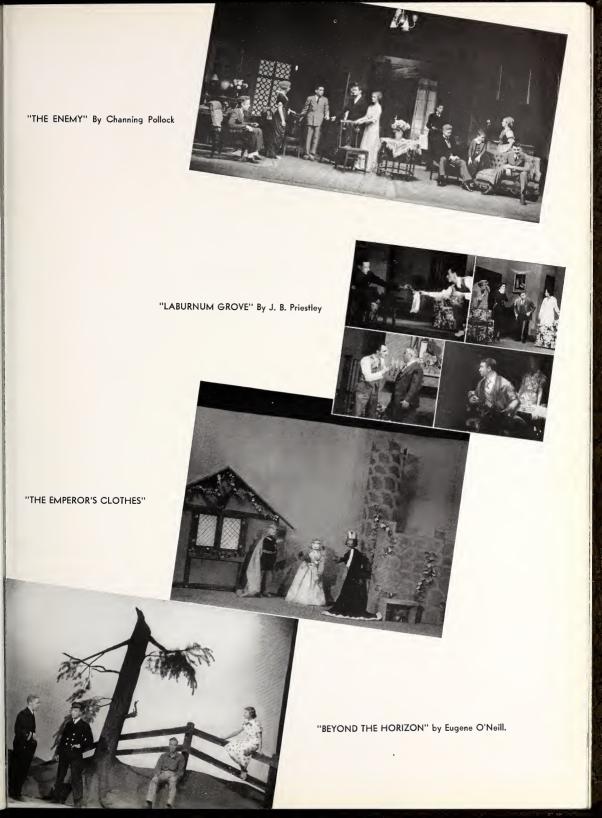

Masquers maintained its customary high standard of production this past season under the direction of the faculty director, Richard Woellhaf. The presentations embraced a wide range of subject material, thus demonstrating a versatility unusual in an amateur group. Some of the credit is due to President Shirley Fitch who was aided by Vice-President Jesse Skrilitz, Dorothy Smith, secretary; Kathryn Oxley, treasurer, and Program Director Lillian Colwell.

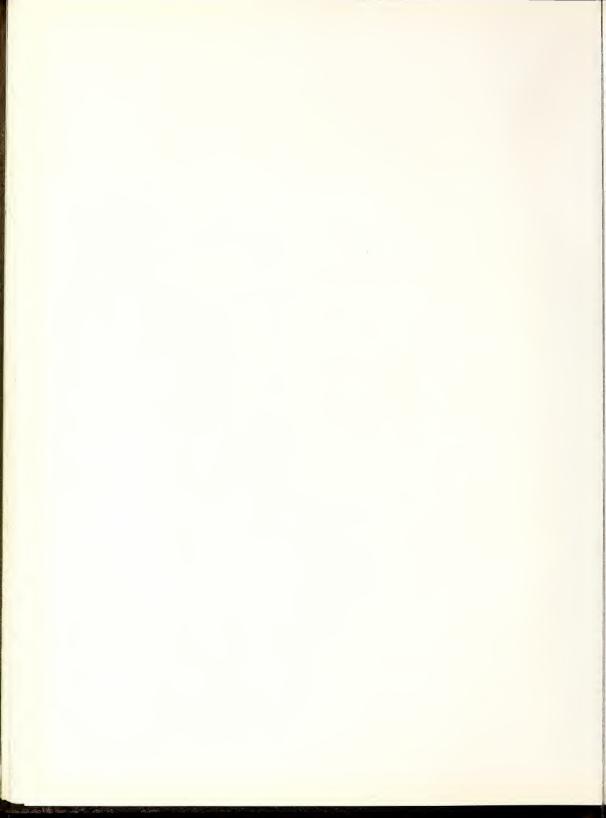

Three major productions in the legitimate field deserve commendation. "The Enemy" by Channing Pollock, "Laburnum Grove" by Priestly and O'Neill's "Beyond the Horizon" were all well rounded productions with fine individual performances. Mr. Woellhaf, especially, turned in a fine performance in "Laburnum Grove" aided particularly by Dorothy Smith. "The Enemy" gave Betty Hornaday an opportunity to turn in the finest feminine performance of the season. The final production of the season, "Beyond the Horizon," was featured by the excellent work of Edward Thiele in his best performance of the season. Thorndyke Dwelley showed to good advantage while two very fine characterizations were credited to Barbara Nichols and Lillian Colvell.

Masquers also sponsors a Freshman Guild which aims to cultivate Thespian ability among the first year class. The Guild production this year was in the nature of an experiment in the drama. "Centuries of Lovemaking" included excerpts from a number of plays in which the love element was the dominant motif. These were then tied together in well written continuity and presented by the aspiring freshmen. The production was well received by critics and the experiment applauded as were some fine performances on the part of the freshmen.

An essay into another field added further to Masquer prestige. In cooperation with the music department a comic opera, "The Emperor's Clothes" was presented with puppets as the principal performers. The puppets were prepared and operated by Masquers members. William Smith earned credit by his work in this activity.

An unusual project of the season was the exchange performance with Ohio Wesleyan University. The Wesleyan players presented "Brittle Heaven" here while the Masquers took "Laburnum Grove" to Delaware.

FRATERNITIES AND

SORORITIES

SIGMA CHI

Mu chapter of Sigma Chi completed the spring term last year in a most successful manner. It was awarded the all year intramural trophy and the intramural sportsmanship trophy. Mu had four members on the baseball team including Howard Walker, co-captain and the president of the "D" association. Other varsity membership included four members of the track team and one member of the golf team, while in intramurals Mu won the annual indoor track meet. This fall the rushing season was very successful in the pledging of fifteen outstanding men.

Sigma Chi this year is completing one of the most outstanding years in its history. It placed eight men on the varsity football team, seven receiving letter-sweaters. Mu boasts the captain of the football team and president of the "D" association Alex Stewart; and George Kovachy, co-captain of the football team for the 1937 season. The basketball team includes the captain, John Harman, and three other Sigs; all of them receiving letter awards. Mu has three members of the baseball team, including Ed Wick, the captain; four track men, and one member of the golf team. Ten Sigs are members of the "D" association, and freshman football and basketball draw eight and seven candidates respectively. The Blue and Gold, this season, has won the speedball and "B" league basketball championships.

Sigma Chi membership includes the treasurer of the senior class, John Harman; and Tom Orme, president of the sophomore class; Tom Allison, the editor-in-chief of the Denisonian; Dick Cullen, the sports editor, and five members of the staff. Mu boasts two Phi Beta Kappas, Robert Deeter and Fred Holden; three members of Phi Society; Jim Morris, president of the Interfraternity Council, and five members of the Men's Student Government. Sigma Chi has Tom Allison in Omicron Delta Kappa; Dick Cullen and Tom Allison in Pi Delta Epsilon; John Harman, Bill Hartman, and Ralph Boggs in Blue Key society; Henry Jacobi, Robert Carney, and Fred Holden in Phi Mu Alpha; one member of Tau Kappa Alpha; Albert Beardshear, and two other members in Franco-Calliopean.

Sig representation in other activities includes four members of the Adytum staff, two members of the glee club, one varsity debater, one member of Masquers, one member of the Freshman Guild, one member of the orchestra, and three band members.

Socially Mu has been extremely successful with more than ordinary fall and winter parties, remarkable for their outstanding decorations due to the efforts of Dick Cullen and Bob Morehead. Mu's annual "Bloody Bucket" was again this year one of the year's outstanding social successes.

BETA THETA DI

Once again Alpha Eta has completed a successful college year in maintaining its high position on the Denison campus. Honors in activities, athletics and leadership have gone to many Alpha Eta men.

An outstanding achievement of the year was the election of George Baker, Philip Lawrence, and Robert Thorsen to Phi Beta Kappa in recognition of their high scholar-ship and character.

In honoraries, Robert Thorsen served as President of Omicron Delta Kappa and Pi Delta Epsilon while Phil Lawrence headed Blue Key and Math Club. For three years Reid Anderson has done much to build up the Big Red Band. He acted again this year as Drum Major with Robert Lamson as Assistant Drum Major.

Varsity "D"s were awarded to Carl Sitterle, Eli Craig, manager, and Charles Vincent for football. The latter was elected co-captain for next season. Eight Alpha Eta freshmen received numerals in freshman football, and Monroe Snider was elected honorary captain at the close of the season. In Basketball, Sitterle and Rupp earned varsity awards; while Fred Meyer and Roy Linson were on the basketball squad. This spring brings the second baseball letter to Cornell and the first to Howard Pyle. Granville Sharp is baseball manager. Thorsen will receive his second letter in track.

In Intramurals Alpha Eta was an active contender for the all-year trophy. The chapter recently took first place in the outdoor track meet. Dick Jones and Robert Thorsen again became school handball champions having won eighteen consecutive games in the past two years.

The chapter has had men active on the Denisonian and Adytum staffs. Robert Thorsen served as Business Manager, William Burrill as Advertising Manager and Jim Overhuls as an associate editor of the Denisonian.

High points in the social life of Alpha Eta were the Fall Formal, which was a gay Masquerade this year, the Christmas Formal, the third annual Beta Military Ball, and the Triad given at the Granville Inn in conjunction with Phi Delta Theta and Sigma Chi.

After recent chapter elections John Nesbit, past president, handed over the robes of office to William Cornell for the coming year. Under his leadership Alpha Eta is certain to maintain its high position in campus affairs.

DHI GAMMA DELTA

As the school year draws to a close, Lambda Deuteron looks back on a highly successful year. The Fijis recall with pleasure such social occasions as the Norris Pig Dinner at Homecoming, Dads' Day, the Townsmen's Reception, Mothers' Day, four formal parties, and numerous open houses and victrola parties.

In intramurals the chapter failed to capture more than one championship, but in total points did not fall far behind the leaders. The chapter's one trophy was for swimming in which the Fijis have reigned supreme for six years.

On the various college athletic teams Lambda Deuteron was well represented. Lou Pettit won his varsity award in football; basketball season saw Gus Christman and Al McNeill winning their letters with Christman also being given honorable mention in the all-Ohio selections; Spence Meilstrup, Dave Morrow, Wally Smith, and McNeill played varsity baseball; and Bud Moore, Al Lidster, Bud Corson and Christman were on the track team. John Reed was varsity track manager.

In campus activities and honoraries the following Fijis played their part: Tom Cudmore has successfully filled his office of senior class president; Bill Smith and Ed Thiele have been active in Masquers productions; Bud Hage, Bud Coughenour, and Moore have worked on Denisonian advertising and circulation; Bob Van Wagoner served as business manager of the Adytum and was aided by Wally Smith; Cudmore and Van Wagoner are members of Omicron Delta Kappa; the same two together with McNeill are in Blue Key; Joe Carabelli, Cudmore, and Van Wagoner are members of Pi Delta Epsilon and Cudmore is a member of Phi Mu Alpha; twelve Fijis, Pinch Adair, Ham Webster, Frank Shanaberg, J. D. Jones, Bud Pearse, Bill Smith, Bruce McNair, Len Welles, Neil Arnold, Moore, Carabelli, Christman, and Joe Shai are members of Franco-Calliopean society; glee club members include Cudmore, student leader, Arnold, Pearse, Webster, Van Wagoner, Hage, Dick White, Bob Wright, and Don Bethune.

In scholastic circles Fiji Bill Lewis represents the chapter in Phi Beta Kappa and Reed was elected to Phi society. The chapter as a whole raised its scholastic standing to second in points per man among men's groups on the campus.

Much of the success which has come to the chapter is due to the efforts of its officers during the past year: John Pettit, president; Leland McBride, treasurer; Bruce McNair, recording secretary; Joe Carabelli, corresponding secretary; and Bill Smith, historian. Their duties for the coming year have been taken over by Len Welles, president; J. D. Jones, treasurer; Bill Smith, recording secretary; Ralph Barr, corresponding secretary; and John Reed, historian.

KAPPA SIGMA

Kappa Sigma has had one of the best all-around years it has had in several years. Under the able leadership of the chapter president, Erwin Holth, the fraternity has ranked high athletically, socially, and scholastically. The chapter raised its scholastic standing from fourth to first place among the fraternities on the campus in the past year and has kept the Interfraternity scholarship cup on the mantle for two consecutive semesters.

One of the strongest pledge classes on Denison's campus this year now wears the "Crescent and the Star." Among the Kappa Sigma freshmen were James Black and Ames Hanna, who received football numerals. Philip Pierce was elected treasurer of the freshman class. James Black and John H. Brant were on the Denisonian staff. Clem McNamara, Charles Beardsley, and James Black were outstanding in freshman basketball.

In athletics Kappa Sigma did exceptionally well. Gamma Xi won the Intramural wrestling tournament. The "A" basketball team ended the season tied for first place, failing to win the third leg of the basketball cup by six points in the last game. Browne, Black, Holth, McNamara, Hanna, and Beardsley composed the "A" team. Kappa Sigma ranked high in the spring sports this year.

Kappa Sigma was well represented in Denison activities. Edwin Holth, president of M. S. C. A., was prominent in his four years of football at Denison, and was active in the "D" Association. Ralph Baker was on the Big Red squad last fall. Phil Smith was Vesper service chairman of M. S. C. A. and president of the College Young People's Union. One third of the Denison Band was Kappa Sigma, Gammi Xi having 15 members in that organization in which Warren Siverson and Ronald Wiley were manager and librarian, respectively. Robert Scott will enter his fourth year as cheer leader when he dusts the megaphone off next football season. Douglas Mailey, Donald Everhart, and Ronald Wiley were prominent in the music circles this year, all being in Phi Mu Alpha.

William J. Taylor, chapter secretary, was elected to Phi Beta Kappa last semester. He was also the secretary of the Chemistry society. Minard Patrick, social chairman, and his committee, did a good job during the past year entertaining the fellows with the various social functions. Four formal parties were held and numerous novelty open houses were staged.

Officers in the chapter during the past year were: Erwin Holth, president; Douglas Mailey, vice-president; Philip Smith, treasurer; and William J. Taylor, secretary.

DHI DELTA THETA

Both as a chapter and as individuals, the Phi Delts attained a highly successful record for the year 1936-1937.

In publications, Thorndyke Dwelley was recently appointed editor-in-chief of the Denisonian having previously served as associate editor. Sam Bowman and Marvin Walker were appointed associate editors for this publication for next year. Dwelley is a member of Pi Delta Epsilon. John Stewart served on the general news staff.

Thorndyke Dwelley, Don Winchell, and John Dunnick are members of Masquers and Ned Collander is a member of the Freshman Guild. Dwelley has had lead parts in productions during the last two years. Winchell was chief electrician for the organization for this year and is now technical adviser for next year. Dunhick was box office manager for this year.

Four of the chapter members; Art Kent, George Sims, Al Musal, and Marvin Walker are members of the Glee Club. Kent, Sims, and Walker are also members of Phi Mu Alpha.

In athletics Phi Delta Theta had five letter men: James McCuskey, George Eggert, Joe Austin, Jack Cleff, and Dick Davis, all are members of "D" Association. Joe Austin, Roland Miller, Jack Cleff, Jack Tamblyn, and Carl Faelchle were on the varsity football team last fall. Don Cumming is number one man on the tennis team on which are also Bill Bunje, and Jim Kernohan. Don Cumming won the university tennis championship last year. Louis Ewing and Bud Maire are playing varsity baseball this spring and Jim McCuskey, Joe Austin, Griggs Smith, John Stewart, and Marvin Walker are on the track squad.

Jim McCuskey was president of Men's Student Government Association, president of Phi Delta Theta, and member of Omicron Delta Kappa. Loran Souers was president of Tau Kappa Alpha, president of Phi Delta Theta, member of Omicron Delta Kappa, member of Pi Delta Epsilon, member of student government, member of the debate team, and assistant in the speech department. John Dunnick was chairman of the Junior Prom, a highly successful affair, a member of Pi Delta Epsilon and was elected president of the Senior class. George Sims was elected to the post of treasurer of the Junior class and had a lead in the recent production, "The Emperor's Clothes." Dick Davis is a member of Blue Key, member of student government for the last two years, general chairman of the "D" Association Jamboree, and member of Pi Delta Epsilon. Russell Malcahy and Jim Morgan are members of Blue Key. Louis Hover, Jim Morgan, and John Stewart are members of the Men's Student Christian Association cabinet. Lauren Conger was undergraduate assistant in the geology department and secretary-treasurer of the C. L. Herrick Geological Society. Tom Bottomley, Horace Hamlin, Don Winchell, and Don Cumming are members of the Chemistry Club.

LAMBDA CHI ALDHA

Gamma-lota Zeta of Lambda Chi Alpha has completed a very successful year. Thru the co-operation of the alumni, many improvements have been made on the house. At the beginning of the year, thirteen men were pledged, and three more were added to the roll later in the year.

Representing Lambda Chi on the Big Red football team were John Crites, Harry Duffy, and Harold Haynes. Haynes completed his second year as a member of the basketball team and is also on the track team.

In musical activities Harry Willett and John Crites sang as soloists with the Glee Club. Other members included: Williamson, Jewett, and Fred Taylor. Harry Willett acted as manager of the Glee Club, and President of Phi Mu Alpha. John Crites and Fred Taylor were also members of the organization.

Jesse Skriletz took an active interest in dramatics, working in all the plays given by Masquers the past year. John Crites appeared in "Beyond the Horizon," and in the operetta, "The Emperor's Clothes." Among the cast in the Freshman play were: Williamson, Webb and Fred Taylor.

During Christmas vacation, Harry Willett represented Denison at the Phi Mu Alpha Convention, while Jesse Skriletz traveled to New Orleans to the Blue Key Convention.

The past year the following men served in various offices: Charles Taylor as secretary of the Inter-Fraternity Council; Harry Willett as treasurer of M. S. C. A., and Jesse Skriletz as treasurer of the Junior Class. In December, Harry Willett was elected to O. D. K., while Skriletz was given that honor in the spring elections.

Socially, this year has been also successful. A record number of alumni returned for the Homecoming, Initiation, and Founders' Day Banquets. The seasonal formals have been well attended, and all are looking forward to the Commencement Dance which is to be held at the Granville Inn.

On the first of March, Charles Taylor completed a successful term as president of Gamma-lota Zeta. "Chuck" is an untiring worker, and much of the chapter's success can be attributed to his efforts. Succeeding him is Jesse Skriletz, and all look forward to another good year under his guidance.

SIGMA ALDHA EDSILON

Ohio Mu opened the school year with the pledging of 23 freshmen, thus having the largest frosh class for two consecutive years. These neophytes soon showed that they possessed even more quality than quantity by their numerous activities on the campus. Glenn White was elected to the presidency of the class of '40 besides playing freshman football, basketball, track, and baseball. In freshman athletics seven Sig Alphs were on the football squad, five on the basketball squad, four out for track, and three for baseball. Fulcher and Schwartz have been placed on the Denisonian staff and Bersted and Stridsberg are on the business staff of the Adytum. Stridsberg made the Glee Club traveling squad and Phillips is on the freshman debate team.

The football team this year had two Sig Alph tackles and an end; in Gehrandt, Rader, and Robeson. Myer made his letter in basketball. In track last season Mu had "Ace" Acker, captain and high point man of the track team. Bob Broughton won his letter in the broad jump, and low and high hurdles. The Sig Alphs had three tracksters on the freshman squad with Lew Hopkins a sure winner in the half and the mile. Paul Brady was coach and captain of the Golf team, playing at No. I position. He placed fourth and sixth respectively in the Ohio Conference and Ohio Intercollegiate tournament. He was also elected to the presidency of those two groups. Paul Welsh won the golf intramurals with scores consistently in the seventies. Don Smith was manager of the tennis team and played, along with Al Pither, on the freshman tennis team.

Last year S. A. E. finished third in the all-year intramural race, winning plaques in foul shooting and golf. So far this year Mu has annexed first place in "A" basketball and foul-shooting and has taken six second places and one third in the other events.

Jack Rader, this year's junior class prexy, was elected president of M. S. G. A. and Malcolm Moshier vice-president of the Intrafraternity Council. Sherman Neuschel was president of the C. L. Herrick society, geologic group; and Gordon Kingery vice-president of Blue Key; Bob Gehrandt and Ed Filkins are also members of Blue Key. Bob Gehrandt is publicity manager of the "D" association and Ed Filkins assistant in the box office of Masquers. Eight men were in the glee club group. Tom Bates, Jack Larson, and Don Smith were elected to Phi society. Bill West, as associate editor, headed the group of six Sig Alphs on the Denisonian. Five boys are on the Adytum staff.

RETA KADDA

Alpha lota Chapter of Beta Kappa began its sixth year on the Denison university campus under the able leadership of George Rovin as president, Henry Haas as vice-president, and Harry Jenkins and John Turnbull as secretary and treasurer respectively.

In the realm of campus activities where fraternities seek to out-do their rivals Beta Kappa has taken her place as a recent contender and her efforts have not been entirely futile.

In student affairs George Rovin served as treasurer of the Inter-Fraternity council, and John Turnbull was elected secretary of Men's Student Christian Association. In the recent spring elections David Turner was elected treasurer of the class of 1938. At about the same time John Turnbull was elected as secretary of the Men's Student Government, and Franklin Wood was elected to Board of Control of Music, later to become treasurer of Men's Student Government.

One-third of the chapter participated in varsity athletics among whom were Dave Turner and Weldon Riddell in varsity track, Cliff Boye in varsity football and Henry Haas as number one catcher on the Denison baseball team. Tom Berry, Eugene LeRoy, and Ralph Riddell won their numerals on the freshman squad. In intramural wrestling Dave Turner took his third straight championship and Phil Davis his first.

Publications this year found John Turnbull and David Turner on the Denisonian staff, and Vern Bowman and Dave Turner on the Adytum staff.

Always a heavy contender for the Pan-Hellenic scholarship cup, Alpha lota again has high hopes of regaining the trophy which they lost the second semester of last year.

In other activities Alpha lota has been prominently represented. Henry Haas, a member of Blue Key, was elected captain of the varsity baseball squad. Franklin Wood a member of Phi Mu Alpha acted as assistant student leader of the glee club, sang on the varsity quartet, and had a prominent part in the opera "The Emperor's Clothes."

The Denison Engineering society claimed Robert Boehnke as their president, and Blue Key elected Vern Bowman in their spring pledging. Recently Dave Turner was initiated into Sigma Delta Pi, Spanish honorary fraternity. Masquers production took the time of Eugene Hitch, Phil Davis and Dave Turner, the latter acting the juvenile lead in "Laburnum Grove."

The return of Professor Reginald Whidden from his work at Yale university added a welcome presence to the chapter roll for the second semester. The officers for the second semester ending in June 1937 were: David Turner, president, Eugene Smith, vice-president, Franklin Wood, secretary, Vern Bowman, treasurer, Earven Anderson, guard, and Glen Davis, social chairman.

AMERICAN COMMONS

The year 1936-37 was a banner year for the Denison chapter of A. C. C. in more respects than one. In the first place, the national convention of the American Association of Commons Clubs was held here at the mother chapter during the Christmas holidays, bringing representatives from various parts of the United States. Secondly, the Fowl Ball, the annual initiation banquet, on Feb. 20, 1937, was the occasion for the celebration of the 20th anniversary of the founding of the Denison Commons Club.

In other ways also the Denison chapter has enjoyed a prosperous year. In September a pledge class of 15 was added to the active group of 26. During the fall intramural sports, the archery team of Ferguson and Tiger repeated its success by winning the trophy undefeated. The speedball team relinquished its position as defending champions only after several closely fought battles. The removal of the cross-country event from the intramural card was a blow to the Club's string of victories since 1927 when the competition was started. The team did not do so well in the so-called fall relays. In winter sports the group has enjoyed the competition although the records do not show more than an average number of wins. Bill Short and Al Dewey have carried on their work on the varsity basketball squad. In freshman football, Walt Rowan proved his worth and earned his numerals.

Under the motherly hand of Mrs. Luella Roe, the house mother, the Club enjoyed a season of open houses and social events topped by the annual Christmas formal at the Granville Inn. Its serenading has been welcomed by the girls, upholding the position of third place in the contest and promising better this spring. Scholarship has continued high in second place, the cup from last year being relinquished to the Kappa Sigs.

In the field of campus activity the Denison chapter finds itself with seven glee clubmen, members on the Denisonian staff; men in varsity and freshman debate, in band and orchestra, and in Franco-Calliopean, departmentals and other organizations. Those holding responsible positions are Raymond Giffin, president of Cosmopolitan club; Erven White, president of Chemistry society; Nickie Titriga, new president of M. S. C. A., and Don Western, secretary of M. S. G. A. and president of Interfraternity Council as well as president of the Denison chapter.

CHI OMEGA

Coming back to a newly painted house, Delta Gamma entertained prospective Chi Omegas at open houses, teas, a Black and White dinner and finally a Golf Breakfast. At the close of rushing they were glad to announce the pledging of fifteen girls. This group elected Tish Taylor as their president and Dorothy Skinkle as social chairman. Since that time two more girls have been pledged.

Chi Omega once more finds many of its members active in campus organizations. Mary Gray, the president, is president of Pan Hell and one of the Denison women chosen for "Who's Who Among College Students." Kate Sparks and Kaki Oxley are on Crossed Keys and Kate is Jr. Representative on Pan Hell. Sylvia DiDomenica is a member of the Women's Debate team. One of the juniors, Marjorie Hird, is in France this year studying at the Sorbonne. Betty Scott was the tirst girl in the class of 1939 to receive her 800 point award in WAA. Early in the year Peg Zell and Ruth Wheeler were initiated into Phi Society. In addition to these individual activities Chi Omega is represented in WAA, YWCA, Adytum staff, Cosmopolitan club, glee club, orchestra, and Masquers.

In carrying on a tradition, and at the same time keeping abreast of the current trends, Chi Omega continues the offering of a \$25 prize to the woman who submits the best paper on present day problems in the field of social science. It is a source of pride that this prize has most often been won by Chi Omegas. The papers are judged by a committee of faculty members.

The scholarship ring, handed down each year from sophomore to freshman, was again presented to the pledge making the biggest improvement in her grades from the beginning of the year. Carolyn Glass had the honor of receiving it at the pledge formal.

Delta Gamma has entertained with several clever parties including a Dad's Day luncheon, a Candy Cane dance, a Valentine dance planned by the pledges, and the annual cotton formal which was preceded this year by dinner at the Inn.

1936-37 has been a most successful year for Delta Gamma with Mary Gray as president and Sylvia DiDomenica as pledge mistress, and it is looking forward to a promising future under Mary Hecker and Peg Zell in those offices.

KADDA ALDHA THETA

Another college year is nearly ended and the twin stars of Theta are still glittering brightly and lighting the way to the fulfillment of Theta ideals in every phase of campus life.

The chapter has leaders in many college activities of whom it is proud. Lois Baird is president of W. S. G. A. as well as being recently elected to Phi Beta Kappa and a member of Mortar Board. Alice Janet Stouffer is president of Mortar Board and chairman of the board of house presidents. Helen Jones and Evelyn Murton were in Crossed Keys, the latter being president of the organization and also co-chairman of the May Day festival.

The girls have been active in Y. W. C. A., W. A. A., Franco-Calliopean, Masquers, and on the Adytum and Denisonian staffs.

For the coming year Janet Shepard is president of W. A. A.; in Y. W. C. A., Helen Jones is vice-president and Evelyn Murton is treasurer. Betty Shoemaker is president of Pan Hellenic Council.

The social chairman, Skipper Hurley, led the Thetas through a successful year with many outstanding and cleverly decorated parties and very enjoyable Founder's Day and initiation banquets. Mrs. Bobb, the chapter's new house mother, has been a great help in planning all of the social entertainments.

The rushing season ended with the pledging of twenty-one girls. Betty Clements was elected president of the pledge class, and at the initiation banquet, she was honored by being the recipient of the plaque and ring which is given to the most outstanding member of the pledge class every year.

Mrs. Moore, national secretary, visited the chapter in December for several days, and this visit was a great inspiration to all.

The year as a whole has been an exceptionally fine one, and with the bright outlook already before the group, next year promises to be just as successful.

DELTA DELTA DELTA

PAPOOSE CAMP for freshman girls in the fall before school opened brought back Peg Pickrel, Mary Morrisset, Lillian Colwell, Mary Kay Short, Buddy Eschman, and Cathrin Coons as counsellors, and this was really the first "chapter meeting" of the year.

Croquet, bridge, the "McConnell et Lamson" artist duo, a colonial tea with the actives in hoop skirts, and a formal white dinner saw us through rushing, and seventeen freshmen were pledged.

The fall, Christmas, and spring formals were dinner dances at the Granville Inn, and for the Pan-Hell dance we descended into the Delta Demented Dive for the annual Common Peepul's Bawl at the chapter house. Mothers' Day and Fathers' Day week-ends were celebrated with luncheons at the Inn also.

The state convention week-end for all Ohio Tri Delts was held at the Neil House in Columbus during April, and Delta Chi was awarded a trophy for efficient chapter management during the year.

Janet Egbert was voted freshman queen at the Fall Carnival and Barb Eschman and Janet Egbert were freshman class officers. The freshman debate team defeated the Thetas in the intersorority debate finals to win the cup for the second time in three years.

Lillian Colwell and Peg Pickrel were Mortar Boards...Mary Spring, Buddy Eschman, and Cathrin Coons were in Cross-Keys... Lillian Colwell and Dorothy Smith had leading roles in Masquers productions and Ruth Barrie starred in one of the freshman plays...Lillian Colwell won first prize in the Samson Talbot Bible Reading Contest in the spring...Peg Pickrel was listed in "Who's Who Among College Students"...She was also YWCA prexy...Mary Kay Short was senior associate editor of the Denisonian, editor of the student-faculty directory, and member of Pi Delta Epsilon, journalism honorary.

Jessie Mae Vanderbilt and Ruth Jennings sang leading roles in the operetta "The Emperor's Clothes," presented by Delta Omicron and Phi Mu Alpha. Jessie Mae was also an attendant to the Homecoming queen and to the May Queen in the festival on Mothers' Day week-end. Jeanne Woods was elected president of Spanish club. Anna Pierce was vice president of the junior class...

Officers of the past year were Jessie Mae Vanderbilt, president; Peg Pickrel, vice-president; Betty Marquardt, treasurer; Marian Pulse, secretary; and Charlotte Crow, rush chairman.

As the year ends, we hope soon to be unrolling the blue prints of plans for a new chapter lodge to be built on the present lot.

KADDA KADDA GAMMA

Gamma Omega of Kappa Kappa Gamma has enjoyed a successful year. When rushing season was terminated in the fall 17 girls were pledged, and early in the second semester another was added to the chapter enrollment. At the close of the first semester the chapter ranked highest in scholarship and as a result has possession of the scholarship cup for the next year. Helen Darrow was elected to Phi Beta Kappa, and Mabel Brewer, Dorothy Frazier, and Sue Palmer were made members of Phi society, freshman honorary. The finishing touch was having the house completely redecorated.

Betty Barnes, president of the chapter, was vice president of the senior class, Irene Howell was secretary, and Evadne Cragin acted as vice-president of the junior class. Carolyn Thierwechter and Barbara Nichols were the women officers of the sophomore class.

Kappa—seemed to have its share of queens this year, for when the idea of having a homecoming queen was inaugurated, the men's student body voted and elected Evadne Cragin to reign at that annual event on October 17. Carolyn Thierwechter was Junior Prom queen.

To Cornelia Cartter, this yearbook chief, went the honor of being the first woman editor since the World War. She and Betty Barnes were elected to Pi Delta Epsilon, men's national journalistic fraternity. Members of the chapter served on the Adytum and Denisonian staffs.

Every Masquers presentation had a Kappa in it. Betty Hornaday and Eleanor Mears were cast in "The Enemy," given early in December, Frances Portmann was in "Laburnum Grove," Barbara Watson acted in one of the plays put on by the Freshman Guild, and Barbara Nichols had a lead in "Beyond the Horizon."

Helen Darrow represented the chapter in Mortar Board, and Frances Portmann and Nancy Warner in Crossed Keys. A goodly number of Kappas were initiated into Franco-Calliopean, English honorary society, this year. Elizabeth Plum, Mary Louise Pugsley, and Barbara Vorhis belonged to the women's glee club and were also members of the chapel choir. Jeanne Shaffer served as president of Freshman Y. W. C. A. and had on her cabinet several Kappas. Two champions emerged from the Kappa ranks and files, Janet Shock women's golf champion, and Sue Palmer, winner of the tennis championship. Helen Darrow was vice-president of W.A.A. and Mary Louise Marlow and Jane Sloan served on the board. Other Kappas represented the chapter in W. A. A. and in Y. W. C. A.

Socially the Kappas had a full year with three big parties, the panhellenic dance and numerous victrola dances at which they entertained the members of the various sororities on campus.

AIDHA DHI

As a result of a rather extensive rushing season in which a Studio Party planned by Phyllis Beck played such an interesting part, Alpha Phi was rewarded with nineteen pledges thirteen of whom are now happy and proud to have become "honest to goodness" Alpha Phis.

The annual list of scheduled social functions managed to keep us ever looking forward to the coming dances. The social chairman, Dorothy Linville, did herself proud by furnishing a very unique atmosphere at all the parties. The Fall Formal—green and white and symbolic with lvy Leaf decorations. The traditional Christmas Pig Dinner, with Dr. Shaw honoring us with his presence, was made doubly exciting because of the Arctic atmosphere of penguins and icicles as decorations. Many guests still cherish from that party their tuxedo penguin programs and Alpha Phi penknife favors.

Last Fall we were proud to return to a newly furnished den containing new modern bookcases which became the beginning of the project of the building of our library which won first prize in the Contest in the Spring.

Wherever there is an activity there is an Alpha Phi—if not many, for we boast extensive membership in every activity on the campus. Phyllis Beck, one of our most ambitious seniors, is the only girl to have majored in engineering in Denison and she is the artist who painted the murals for the Y. W. rooms. Grace Broughton has ably acted this year as president of W. A. A. and Mary Besemer has not only been our president but secretary of W. A. A. also. Ginger Beck is about to begin her second year as president of Orchesis and Peg Brizell is entering the year as president of Women's Student Government, with Ida Jeanne Dagger as its secretary. Shirley Fitch was president of Masquers, a Phi Beta Kappa and a co-assistant in the Zoology department, and Margaret Hopkins, also a Phi Beta Kappa, has made herself famous among us as a soloist. Jeanette Post will serve next year as president of Y. W. With Michey Walker having had a lead in the play "Beyond the Horizon," and Jean Weber as Society editor of the Denisonian, Alpha Phi can be proud of her leadership and well-roundedness.

We are looking forward to next year when we will be guided by Dot Linville as our President; Ruth Covell as our Vice President; Valeria Wells, Secretary; Jane Sanderson, Corresponding Secretary; and Ruth Jane Porter as Social Chairman.

ALPHA OMEGA PI

As hostess for the Ohio Valley District Convention of A O Pi last June, Alpha Tau got off to a running start for its activities this year.

Since the opening of school this fall the chapter has been represented in almost every campus activity. Half of the membership belonged to Y. W. C. A. and A. O. Pi was well represented in W. A. A., on Outing board, on the board of house presidents, in Franco-Calliopean, and in Delta Omicron. Mary Reiter handled the finances of both W. A. A. and the chapter. Mimi Dorr was vice-president of Y. W., Jean Gregg was recording secretary, and two other A. O. Pi's were on the Y. W. cabinet. Eta Sigma Phi was led by Martha Jump; Jean Carle presided over Judiciary. Mimi Dorr represented the chapter on Mortar Board, and Jean Gregg in Phi Society. Jacqueline Jones played in "Labernum Grove" given by Masquers. Jean Yoder had a place on the Women's varsity debate team.

Scholastically, Alpha Tau rose from fifth to second place at the end of the first semester. Martha Jump made straight A, and five members were invited to Mortar Board's dinner for sophomores and juniors of high scholastic standing.

A O Pi was well represented in Delta Omicron, with Theresa Irwin as vice-president and Dorothy Lanning as treasurer of the group. Ruth Geil and Katherine Wolfe were initiated into this organization in March. Dorothy Walton, another member of this group, composed several original piano selections which were presented during the year. There were A O Pi's in the Women's glee club and three in chapel choir.

Alpha Tau contributed toys, yarn, kitchen utensils, remnants, and money for shoes to the National A $\,$ O Pi philanthropic project in the Kentucky mountains.

Besides frequent open houses the social calendar has been made up of the annual Christmas dance at the Inn, a Rose dance, a Jinx Jig, and a Mardi Gras.

The pledge class, though smaller than usual this year, was splendid in every way. Although A O Pi lost to the Theta's in the semi-finals, the freshman debate team, consisting of Jean Burt, Zaida Shelton, and Helen Evans, made a fine showing.

All in all, Alpha Tau feels that the year has been quite successful under the fine leadership of Mimi Dorr.

ALDHA XI DELTA

The rush of activities at the close of the year finds Beta Delta chapter leading the campus with four Alpha Xi's elected to Phi Beta Kappa. They are Frances Erb and Mary Brown, elected in their senior year, and Esther Goldie Smith and Janet Chatten, elected in their junior year. During the first semester of 1936-37 the chapter was the proud possessor of the scholarship cup.

Alpha Xi Delta has taken a renewed interest in campus activities this year. Ruth Knight and Margaret Menendien were members of the Women's Glee Club, and Ruth Knight, as manager, had entire charge of the plans for the trip to Chicago during spring vacation.

Frances Erb, the president of the chapter this year, has served as Freshman Y adviser on Y. W. C. A. cabinet. She has been a member of women's varsity debate, as has Janet Chatten, who served also on W. S. G. A. council and Y. W. C. A. cabinet. Their successor in Y. W. is Katherine Webb, publicity chairman for 1937-38. Katherine has also been appointed social chairman of W. A. A., took part in the dance recital presented by Orchesis, and was elected to Crossed Keys, junior honorary.

Esther Goldie Smith and Mary Brown, the latter a member of W. A. A., have participated in the program of Eta Sigma Phi this year. Mary Dittoe distinguished herself by directing two of the freshman plays—"Girl of the Golden West" and the balcony scene from "Cyrano de Bergerac." In the field of dramatics Barbara Cady worked on the puppet show, "The Emperor's Clothes."

The freshmen who took part in the intersorority debates were June Ammon, Elinor Evensen, and Margaret Menendien. Elinor Evensen was elected secretary of the class of 1940 for the coming year.

Alpha Xi Delta entertained at an informal open house, a hay rack ride, and four formal parties—a harvest moon dance, cabaret, valentine party, and the annual Rose Dance, a dinner-dance.

The chapter has been especially indebted to Mrs. Schmitt, the house mother and adviser. Mrs. Anna Miller Knote, national executive secretary of Alpha Xi Delta, was present for initiation. Mrs. Grace Carlson, national second vice-president, was the guest speaker at the women's Pan-Hellenic banquet, held in Shepardson Commons. The patronesses this year were Miss Lein, Miss Lindsey, Miss Linder, Mrs. Fitch, and Mrs. Candlish.

Officers for the year 1937-38 are Esther Marner, president; Elinor Evensen, vicepresident; Mary Dittoe, recording secretary; Esther Goldie Smith, corresponding secretary, and June Ammon, treasurer.

"D" ASSOCIATION

The Denison "D" Association is one of the most active of all the honoraries on the Denison Campus. During the course of a year it enforces all the traditions that have grown up with the school such as the wearing of the freshman dink, prohibition of smoking on the campus, the Denison "Hello" tradition, and the proper seating of freshmen at athletic competitions. This organization further sponsors pep meetings for the school. They annually conduct the hilarious "D" Jamboree at the Grille for three days in which all campus talent is presented to the school.

On sub-freshman day they present the traditional and always anticipated "D" Revue, their annual musical comedy.

The Association always endeavors to foster school improvements of all kinds. Thus in brief it might be said that the two aims of the Association are to promote and support Denison athletics and to see that every possible good is done for Denison University.

Membership can only be obtained through the winning of a varsity "D" and election by the members of the Association. Before initiation the neophyte has to serve a period of pledgehood which is ended by the famous "D" parade. After being an active member and on graduating, the Senior is awarded a "D" paddle charm which is the only badge or insignia that the Association has.

The officers of the year have been Alex Stewart, President; Carl Sitterle, Treasurer; Charles Vincent, Secretary; Bob Gehrandt, Publicity Secretary; and Dick Davis, Show Chairman.

The BIG

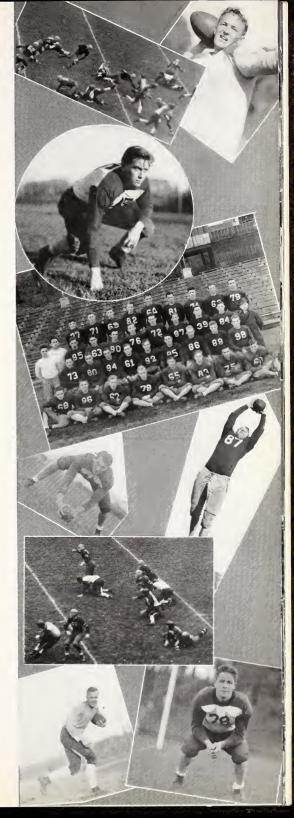

The Big Red grid team was forced to come out on the short end of the scores this year but the season may be recorded as a success, judging from one angle. The boys won only three of the night games, losing four and tying one. However, next year a team of veterans will take the field with plenty of huskies in reserve to plug up holes left

plenty of nuskes in reserve to ping up holes ferboy seniors who are leaving.

Captain Stewart, Erv Holth, "Buck" Austin, Bob Chrysler, and "Jighead" Sitterle played their last games for Denison this year. They will be missed next season, but Coaches Rogers and Gillman are looking ahead with high hopes. The freshman squad will provide several good backs and a group of heavy linemen who, along with such players as Haynes, Duffy, Crites, and Gerhandt, will give Denison a forward wall second to none. The backs are all comparatively light but they will make up for this with speed and clever ball handling. In short, it appears that 1937 will provide Tommy and Sid with a squad on the order of Ohio State's; big linemen to make the holes, and fast, tricky backs to go through them.

RED

FOOTBALL

DENISON 20-DEFIANCE 0

The 1936 team established itself by pouring through a helpless Defiance defense, 20-0, in the season opener.

The game proved to be more or less of a "tester," as Coaches Rogers and Gillman used several different combinations. The Big Red backs gained 265 yards to only 64 for Defiance. The pass defense was remarkable in that the Yellow Jackets did not complete one aerial.

Stewart looked good in his first game as captain and "Selassie" Haines seemed to click in his new position, having been changed from tackle to quard.

DENISON 13-MUSKINGUM 26

The Muskies tripped the Big Red for the first upset of the season, 26-13.

Sitterle came through with both Denison scores, Pettit converting after the second. The first touchdown came on a blocked kick but the Muskies went over twice to make it 13-6 at half time.

As the second half opened, Muskingum got the ball on a short kick and drove it over. Then the Baptists made a drive from their own 43 yard line to tally. An intercepted pass gave the Muskingum boys their last touchdown.

DENISON 0-OHIO NORTHERN 0-

Even though they displayed superior offensive power, Denison could get nothing better than a scoreless tie from Ohio Northern.

The Bears threatened the D. U. goal only twice; in the second and fourth quarters. The Big Red backs gained easily but, when they got into paydirt territory, the opponents' defense became impregnable. In the last quarter Denison missed a safety by a foot when Nemie, who had dropped behind his goal to kick, was forced to run out because of a bad pass from center.

DENISON 9-TOLEDO 6

The grads watched the Big Red gridders forge ahead in the last few minutes to win from Toledo, 9-6, in the home-coming game.

Denison made eleven first downs to the vistors' seven but, until the final quarter, the score was in favor of the Rockets. The first half ended 2-0 as Chrysler scored a safety for D. U. on a blocked punt. Toledo made a touchdown drive from their own 39 in the third quarter and, with six minutes left till the final gun, Kovochy plunged over with the Big Reds' winning score, turning the game into an ideal homecoming tilt.

DENISON 0-HOBART 26

Denison traveled to Lake Geneva, N. Y., to play Hobart College and found the Genevans a little too much, losing 26-0.

The Orange and Purple scored almost at will against a bewildered Baptist defense. They drove the ball over once in the first and second quarters and twice in the third. At this point the coaches began to substitute freely. Every man on each squad saw action and the rest of the game turned into a see-saw affair with the ball remaining in midtield.

FOOTBALL

DENISON 7-WITTENBERG 9-

Lisak's place-kick in the third quarter decided the score in the Wittenberg game, 9-7, in favor of the Red Devils.

The visitors received the opening kickoff and immediately made a touchdown from their own 48 yard line. Late in the second quarter Chuck Vincent scored on a pass from Boggs. The score was 7-6 at half-time. Lisak made his decisive kick from the D. U. 15 toward the end of the third quarter. Denison made a bid to win at the last minute, after a 60 yard march, but failed. Tamblyn's running featured the Denison offense.

DENISON 8-MT UNION 16-....

Mt. Union handed Denison their fourth defeat, 16-8. A touchdown by the Mounties in the first quarter proved to be the deciding factor as the second and third quarters yielded each team a safety and the final period found each tucking away a touchdown.

Although Denison's lone touchdown resulted from a pass, this defeat may be attributed to the failure of the team's aerial attack to function. Mount Union's first-period score came after a brilliant 90 yard drive while an intercepted pass gave them their touchdown in the last. Holth scored for D. U. on a pass from Austin.

DENISON 33—OBERLIN 0—

Denison's dads saw the Big Red come through with a 33-0 win over Oberlin in the season finale. This was the last game for Stewart, Holth, Austin, Chrysler, and Sitterle.

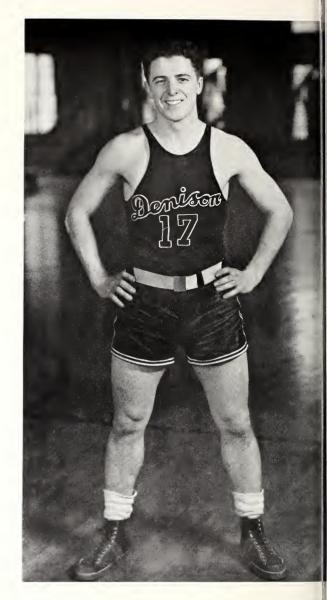

Both teams were scoreless in the first quarter. In the second Kovochy went over on a pass from Stewart. The "Boot" came through again in the third period when he jaunted 55 yards with an intercepted pass. Holth converted. Seniors Holth and Austin tallied in the final canto, along with Tommy Orme.

CAPTAIN JOHN HARMAN

TheBIG

With a squad of twenty players Coach Jenkins whipped up an eager basketball team. Although their playing was spasmodic, they showed up especially well in the contests with Kenyon, Wooster and Capital. At the close of the season, Johnny Harman who has been a member of the squad for three years was elected honorary captain.

Christman was high scorer for the season with a total of 136 points, Haynes and Watkins followed him with 93 and 79 respectively. Denison totaled 564 to the opponents' 602 in a season of ten setbacks and eight victories.

Eight of the ten letter men of last year were back to play for Denison including the starring 1935-36 quintet. Those who were second or third year men are: Haynes, Sitterle, Short, Stewart, Dewey, Christman, Warkins, and Linson who left school before the end of the season. Rat Eye Meyer returned to the court after a year's absence. Sophomores Anderson, Bob Harman, McNeill, Meilstrup, Morrow, Rupp, Tamblyn, Meyer, Morrow, and Welch saw action and strengthened the Big Red aggregation.

Christman gave his usual fine performances and Haynes, McNeill, Stewart, Sitterle, Short and Watkins played fairly consistently good ball. Dewey was valuable as pivot man and showed his true mettle in the return game with Defiance.

The Freshman squad shows great promise for next year's varsity. Those earning their numerals were: Giffin, Reinbold, Beardsley, Blake, Marquardt, Gordon, McNamara, Elliott, Taylor, Snider, Perry, Deeter, Black, LeRoy, A. Hanna, and White.

				34

BASKETBALL

In preparation for a hard season the Denison quintet played a practice game with the Columbus Bolt Works. The Bolt Works team, members of the industrial league of Columbus, served as a test for the Big Red aggregation and the newly adopted system of Sid Jenkins. The Big Red came through with a 32-30 victory.

Denison—33

Defiance—29

The Big Red officially opened the 936-37 Basketball season with a 33-29 victory at Defiance. The Denison courters were slow in getting started and trailed at the half 19-12. With the opening of the third quarter, however, they showed vigor not displayed in the first half and managed to tie the score at 25-25 with nine minutes left to play. The lead changed hands three times before the final qun ended the game, with Denison in a four point lead. Harold Haynes led Denison in the scoring with a total of nine points.

Denison—16

Ohio State-42

In a game which looked more like football than basketball, Denison came out on the tail end of a 42-16 score. A total of 38 fouls was called; 25 on State and 13 on Denison. The Big Red jumped to an early lead when goals by McNeill and Haynes gave them a four to two lead over the Buckeyes, but from that point on it was State's ball game. 22 points were scored by Ohio State before Denison was able to score again. In the last quarter Denison was able to hold the Buckeyes to seven points.

Denison-30

Capital—17

Through the use of a well developed passing attack, Denison was able to take the measure of Capital to the tune of 30 to 17. Individual scoring honors went to Haynes with a total of eight points. Christman and McNeill ran close second with seven points each. Five minutes before the end of the second quarter Denison had a lead of 13 points and Coach Jenkins sent his entire second string into the game.

Denison-38

Otterbein-41

Denison lost a heart-breaking game to Otterbein by the close score of 41 to 38. Loucks and Rutter of Otterbein were a combination a little too fast for the Big Red quintet. They accounted for 31 of their team's 38 tallies. The crowd was brought to its feet almost constantly by the fast playing of both teams matching each other basket for basket.

Denison-38

Wooster—35

The fast stepping Big Red aggregation handed a close defeat to a strong Wooster quintet with a score of 38 to 35. Haynes led the scoring with a total of 16 points. Coach Jenkins started a new combination of Sitterle and Watkins at the forward berths in place of Haynes and McNeill. This was the best showing the Big Red had shown to date and excitement was added by a leaky roof in the northeast corner of the Wigwam.

BASKETBALL

Denison-43

Capital-22

Watkins and Christman led the scoring in a very one-sided game against Capital. Despite the revived Capital team that took the floor after the half, Denison played a game too fast for the Columbus boys. The whole squad saw action, giving Coach Jenkins a chance to size them up for future contests. Passing was accurate and it did this scribe's heart good to see the Denison men hitting their shots.

Denison-37

Defiance-29

In a rather slow game the Denison quintet took Defiance for the second time this season. The Yellow Jackets trailed throughout the game and gave the entire Denison squad a chance to show their mettle. Dewey, lanky pivot man, topped the scorers with a total of 12 tallies.

Denison-29

Otterbein—44

Sam Loucks again led his teammates to victory leading the scoring with a total of 20 points. When Stewart and Watkins were sent out of the game on personal fouls the Baptists seemed to lose all their unity. Bob Harman played a fine defensive game and Christman again led the Denison scoring.

Denison—47

Bowling Green-31

The boys from Bowling Green were bewildered by the Big Red offensive to the tune of 47 to 31. Dewey and Christman carried off scoring honors with 10 points each. The game was a fast one with the opponents no match for the fighting Baptists. Again the reserves entered the game and kept up the Denison lead.

Denison-40

Kenvon-34

In the most exciting game of the season the Big Red quintet registered a victory of revenge over the boys from Kenyon. Denison trailed by a few tallies during most of the game until McNeill finally shot Denison into the lead in the third quater. Two fast breaks that ended up with Stewart counting two fielders sewed the game up for the Big Red and rang up win number seven of the season.

Denison-41

Heidelberg-35

The final victory of the season was over the Princes of Heidelberg. Christman collected 13 points for scoring honors while Watkins and Haynes were close behind with 11 apiece.

Denison-28

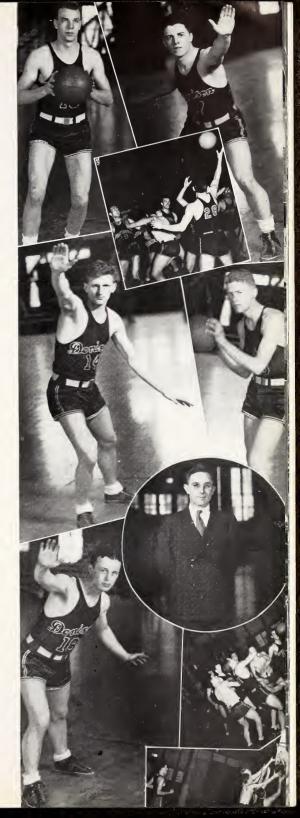

Muskingum—34

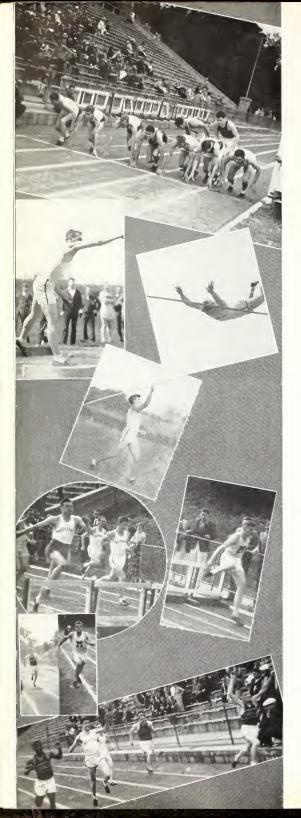

The Conference winners again took the Baptists in a fairly close contest in the Wigwam. The Big Red played a fine game and gave the visitors a run for their money. It was not until the last five minutes that the Muskies were sure of a victory.

Denison-31

Oberlin-3

Oberlin defeated the Denison quintet in the last game of the season by a score of 34 to 31. Oberlin kept a steady lead throughout the game especially in the second half. Dutch Mytinger piled up a leading individual score of 15 points for Oberlin.

TRACK

Capital 51 Otterbein 36 Denison 691/2

In a triangular meet with Capital and Otterbein, Denison came out victorious with a total of 69½ points. The Big Red track aggregation took six firsts. Blechta was the leading scorer with a first in the 100 yard dash and in the 220. McCuskey won the 120 high hurdles and his co-hurdler, Bob Broughton, led the pack in the 220 lows. Thorsen won the high jump while Bromley beat out Austin to take the Pole Vault. Denison's weakness seems to lie in the distance running. No one has been found as yet to run the mile and half-mile in time fast enough for collegiate competition.

Ohio Wesleyan—103

Denison—28

Victories in 14 out of 15 events enabled the Ohio Wesleyan track team to walk away with Denison. A new Deeds field record was made in the high jump when Ricker, the Wesleyan ace, leapt 6' 11/4". Thorsen placed second in this event. Stewart was the only Denison man to take a first in this event. This was accomplished in the discus throw with a heave of 119' 5". Acker polled five points by taking a second in the 100 and a third in the 220.

Mount Union—72 2/3 Denison—58 1/3

A margin of fourteen points spelled defeat for the Denison track team in a meet with Mount Union. The Big Red managed to take five firsts in the meet. Acker won the 100 and 220; Austin led the pole vaulters; Stewart threw the discus for a win; Thorsen leapt 5' 91/2" for his fourth place of the year and the relay team of Christman, Kovachy, Acker and Riddell finished first with a time of 3.34.

Toledo-104

Denison—47

The boys from Toledo ran away from their Denison opponents easily in a dual meet at Granville. Johnny Harman was high point man winning two firsts; one in the Broad jump and one in the Javelin. Thorsen jumped in his usual form and won the high jump. Stewart, after not doing so well in the discus, brought home the bacon by winning the shot put.

TRACK

Muskingum-78

Denison-53

A strong aggregation from Muskingum trounced the Big Red to the tune of 78 to 53. Muskingum eked out a four point lead over Oberlin in a dual meet and Oberlin won the Big Six so Denison's loss was to a very strong team. Christman won the 100 yard dash in true Christman style. Acker took the 220. McCuskey led the hurdlers of the 120 yard hurdles. Stewart returned to the form he had earlier in the season and won the shot.

The 34th Annual Big Six Track and Field Meet

In the annual Ohio Conference meet at Muskingum, Denison came out with a fourth place. Despite her lack of distance men, a total of 26½ points was piled up in the various events. Oberlin won the meet with a total of 53½ points. The Big Red team took no firsts but got their points in numerous seconds. In the 220, Acker took second and Christman fourth, Broughton took a third in the low hurdles and McCuskey placed fifth in the lows and third in the highs. Thorsen and Stewart placed second in their events, the high jump and the discus. Acker came in third in the 110 yard dash and Bromley tied for third in the pole vault. Denison's relay team took third place.

BASEBALL

Denison, with Sid Gillman as mentor, had one of its most successful baseball seasons in recent years. The schedule was composed of eleven games. Ed Wick, veteran of one season, pitched the majority of these contests. He won six and lost two for a fine average of 750. Whitehead and Seikman were the other pitchers. Paul Williams and Henry Hass did a fine job of handling the receiving end of the battery. Williams was injured in mid-season, and Haas filled his shoes in fine style.

The infield was composed of men who had played two years previously with the Big Red. Watkins, the only newcomer, held down the short-stop position. He did a great job at bat leading the regulars with an average of 486. Cole, on first base and known as "Columbia Lou" by his teammates, displayed power at bat especially in the pinches, and fielded in fine style. At second, "Wee Willie" Walker, co-captain along with Cole, kept up the pep and fire in the infield and improved his batting several notches. "Spike" Foster, on third base, was again one of the team's longest hitters. He kept the "hot corner" humming all season. Alban and Cullen, as reserve infielders, saw a lot of action, and the latter should hold down second base next year.

Dave Beveridge, in right field, another veteran, played a fine game in the outer garden. "Rover" Rupp, although not a strong hitter, did a beautiful job in center field, distinguishing himself as a ball hawk. "Bing" Cornell, a sophomore, was a bit slow in left field but got some timely hits throughout the year.

The season ended with seven victories and four defeats, two of these defeats administered at the hands of Ohio State. Denison had a powerful hitting club and was above average in the field. The Ohio Conference ended with Denison in second place, a position worthy of praise.

GOLF

Denison's golf team, captained by Paul Brady, played the best season in the history of the team, placing second in the conference. The team lost but one match throughout the spring season, that being to Wooster by the score of 9/2 to 61/2. The team amassed an aggregate score for the whole season of 1071/2 compared with a 28 point total for the opponents. Victories were scored over Wooster, Kenyon, Oberlin, Ohio Wesleyan, and Wittenberg.

The season's lineup placed Paul Brady at number one, Art Cash at two, Fred Warner at number three, Roy Linson at number four post, and Jim Root as alternative. All five shot consistently in the seventies and low eighties. "Pro" Brady, a Granville product and the caddie master of the Granville Inn Club for some years, copped the low scoring honors of the season with a par 72 on the home course against Ohio Wesleyan.

Denison held the Ohio Intercollegiate and Ohio Conference Tournaments here on the Granville Inn course, Paul Brady taking charge of both meets. Dayton University won the Ohio Intercollegiate Tournament, winning first, third, and fourth places in the meet. Oberlin won the Ohio Conference Tourney, Denison placing second in this meet. Brady, considered a favorite in both tournaments, placed well in both with a fourth in the Conference and a sixth in the Intercollegiate.

TENNIS

The Big Reds tennis team turned in its best season performance in several years, placing second in the Ohio Conference to Oberlin. Returning for action from last year's team were the four veterans, James Wooten, Wayne Kettner, Benny Austin, and Bill Bunje. Added to this aggregation was Don Cumming, a sophomore who had shown great promise in his first year. The team's record shows victories over Capital, Otterbein, and Kenyon, and losses to Muskingum and Wittenburg.

Though it was his first year on the varsity, Cumming soon annexed No. I position and held it throughout the season. With his steady hard driving and accurate placement shots combined with experienced court tactics, he won six singles matches, losing only to Bald, former Ohio Conference champion. Cumming may be counted on heavily in future Conference tennis circles. In No. 2 position was Jim Wooten, who proved to be a consistent winner, losing only three out of the eight matches. Wooten has coached the team in past years and helped considerably this year in drilling court tactics and fundamentals. Kettner and Austin, playing in Nos. 3 and 4, won half of their matches, both playing consistent and very steady tennis.

In doubles the team had a combination ranked quite high in Conference ratings in Cumming and Wooten. The pair went to the semi-finals in the Ohio Intercollegiate Tournament, losing finally to Concinnati in a hotly contested five-set match. Cincinnati went on to capture the doubles title.

The net men were coached by Professor Victor Retting, former member of Alabama's tennis team, and managed by Don Smith. Prospects for next season are bright with Pither, Kull, Smith, and Blade all coming up from the freshman team and all possessing experience.

INTRAMURALS

SPEEDBALL

The Sigma Chis, after getting off to a slow start in the 1936 speedball season, overtook the undefeated Phi Gams and won the speedball title. The Fijis and Sig Alphs tied for second place with the Betas and Phi Delts, also winding up in a deadlock for fourth place.

ARCHERY

The Commons Club again showed their ability in marksmanship by winning the archery championship. The Sig Alphs and Phi Delts took second and third place respectively, while the Sigs and Kappa Sigs finished in a fourth place tie.

FOUL SHOOTING

The Sig Alphs repeated their performance of last year by taking the foul shooting contest with a house average of 13.56 per person out of twenty-five attempts. The Sigs placed second with the Lambda Chis taking third place honors.

WRESTLING

The Kappa Sigs took this year's wrestling crown by nosing out the Sigma Chis with a one point margin. Last year's victors had to be content with a third place tie with the Beta Kappas. Both Turner and King retained their crowns in the 155 and 165 lb. class. Mathersbaugh (Kappa Sigma) won the 135 lb. class; Lawrence (Beta), the 145 lb. class; Turner (Beta Kappa), 155 lb. class; King (Lambda Chi), 165 lb. class; Sheets (Sigma Chi), 175 lb. class; Crawford (Sigma Chi), heavyweight class.

SWIMMING

The Fijis again established themselves as the swimming champions when they ran over the Sig Alphs 35-11. Third place colors went to the Betas, with fourth place being taken by the Sigma Chis.

"B" LEAGUE BASKETBALL

The Sigs again triumphed in the "B" league for the second consecutive year. It was a close contest all the way with the Phi Delts and Sig Alphs tieing for second place, and the Betas trailed them for fourth place honors.

"A" LEAGUE BASKETBALL

The Sig Alphs took the "A" league championship by beating the Kappa Sigs 14-8 in the playoff. The running was very close throughout the season with the Sigs and Betas tieing for third place.

HANDBALL

The Betas annexed the intramural handball crown for the year, with nine victories and no defeats. Second place went to the Commons Club, their only defeat being handed to them by the Betas. The Sigs took third place, and the Sig Alphs fourth.

WOMEN'S ATHLETICS

One of the outstanding achievements attained by W. A. A. this year was the "Carnival," held in the Wigwam. Other organizations on campus, both men's and women's, cooperated with special booths and side shows. The event was a huge success and stimulated a friendly tie between all participating groups.

Outing Board sponsored an interesting project in October—offering a camperaft course, to anybody interested. Eleven Ohio Wesleyan girls were guests, making the total number of participants thirty-seven. Miss Mary E. Cook of Columbus was the instructor, and the business, classes, etc., transpired at the W. A. A. cabin.

Please note: W. A. A. has acquired, brand new, one set of large dinner plates, and one set of small dinner plates, plus cups and saucers. These were featured at one of the seasonal banquets, adding greatly to the girls' usual appetites.

Muskingum and Wiftenberg were guests for a Sports-day, Nov. 7. Tennis, archery, and hockey were the main scheduled events. To start the program off, with a spirit of congeniality, a mixer was held in the gym. After the games, lunch was served in the W. A. A. rooms, and was followed by a short discussional meeting.

Homecoming brought many alumni back for W. A. A.'s precedented breakfast, followed by a hockey game between a university team and an alumni team. Hockey players not at all daunted by the damp weather this year, resorted to a little volleyball in the gym, and found it quite an interesting and hilarious kind of game.

Competing in a horse-show at Ohio State in the fall, Denison returned waving three first place ribbons, and two seconds.

W. A. A. was well represented at conventions this year. Five girls went to the national convention at Minneapolis last spring, and four were sent to the sectional convention at Vassar, this spring. Last spring, also, a delegate was sent to Smith college to the I. O. C. A. convention.

Among the unique parties held this year, was one featuring modern square dancing. The party was held at the gym—and to the merry tunes played by the fiddlers, the girls lost themselves completely in the complications of "Swing your partner to the left," and "Lady round the lady and the man won't go."

There's a New Thrill to Cooking in a Modern All-Gas Kitchen

Can You Solve This Friendly Argument In the Picture?

Perched upon the stool, Betty is advising that the cooking be done fast. Ruth is in possession of the range, and she holds out for slow cooking. The Servel Electrolux gas refrigerator can't voice an opinion because it's always silent. We say, "Take your choice because you can cook any speed with gas—the modern kitchen fuel."

No matter what cooking speed is called for in the recipe, gas awaits your command of a thousand cooking speeds. Modern gas ranges are almost human in the many ways they help insure best cooking results. Their beauty lends enchantment to any kitchen. Completing the kitchen ensemble is a gas refrigerator—the refrigerator that is absolutely silent because it has no moving parts to wear out and make noise. And it's the refrigerator you've heard about that operates for an average cost of less than 2 cents a day. Come in to The Gas Company to see these up-to-the-minute appliances. Ask about our budget plan that enables you to pay for them out of the savings they will make for you.

The Editor and the business manager of the 1937 Adytum have tried to give to the Denison student body a year book in no way inferior to the previous high standards exemplified by Adytums of the past despite a cut budget in face of rising prices. In order to do so we have had to impose upon the students to some extent and for this we are truly sorry but also grateful for the cooperation afforded us by them and their representatives. To this support no small part of whatever success this book merits is due.

For the tireless efforts of the Canton Engraving and Electrotype Company and the F. J. Heer Printing Co. we are deeply grateful. Especially do we wish to thank Phil Linne, his successor, Fred Gilbert, E. R. Adler, and Ralph Hitchcock of Canton and M. C. Scheibel and Joe Otto of F. J. Heer. To their skill and service we are immeasurably indebted.

We sincerely thank Francis Boyer, Editor of the Kenyon Collegian and the Kenyon College student body for their assistance in the selection of the Beauties in that section.

The S. K. Smith-David J. Malloy Company of Chicago are very deserving of our acclamation and appreciation for this splendid cover. We cannot say too much in way of gratitude to the faithful service rendered the Adytum this year as in many past years by Max Mueller of the Mueller Studios.

It would be a grave mistake indeed for us not to thank last year's generals, Bob Thorsen and Joe Carabelli, for their ever present assistance in the production of this book. To all of our associates on the staff we express our appreciation for their untiring efforts.

And last but certainly not least we dedicate our most sincere and profound thanks to Mr. Whidden whose guiding hand has bestowed confidence and wisdom into our work in the publication of the 1937 Adytum.

There are few fields where the necessity for progress—the demand for new ideas, is as pronounced as in the production of School Annuals. *A Here in Canton we take pride in not only keeping pace, but in setting the pace for innovations and changes in this highly progressive field. *A When you work with Canton you are hand in hand with experienced people, constantly on the alert to sense the wants of Annual publishers, and quick to change from the old order, and offer new and unusual ideas to progressive editors.

THE CANTON ENGRAVING & ELECTROTYPE CO., CANTON, OHIO

Creative Printing

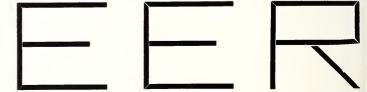

THROUGH years of experience in printing high school and college yearbooks, class and monthly magazines, we know the consistent effort of those responsible for these publications to improve each succeeding issue. There is a constant demand for the "something different, distinctive, ultra modern."

Only the up-to-date establishment has the facilities to meet these demands—the graphic arts industry has kept pace with the march of progress in this day of television and streamlined efficiency.

The modern art of printing is essential to the best expression of the new ideas in high school and college periodicals. We will be pleased to furnish specific information about our complete facilities for this work, upon request.
