1953 ADYTUM

DENISON UNIVERSITY GRANVILLE, OHIO

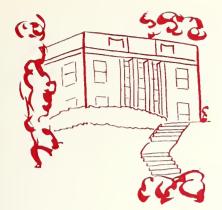

THE STEPS TO THE DRAG

The time, 1953, the place Denison University, Granville, Ohio, the characters, Denison students, faculty and administration, their purpose, to further higher education and enjoy the Denison community. This book takes its reader through a year at Denison. The students, the buildings both old and new, faculty and administration members, sports, clubs, honorarys, even some of the beauties of the campus are all to be found here. We have tried to include all parts of Denison's life, but our purpose has been achieved if in some future year you refer to this book for a forgotten name or face.

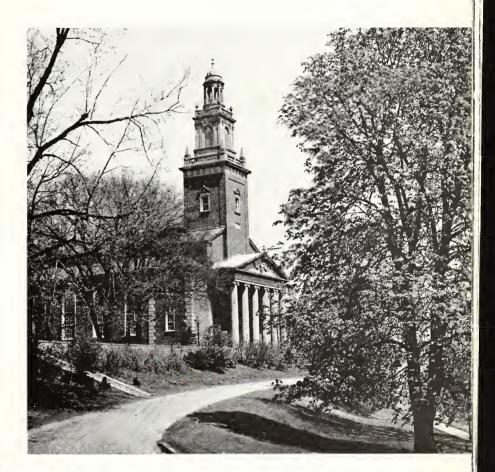

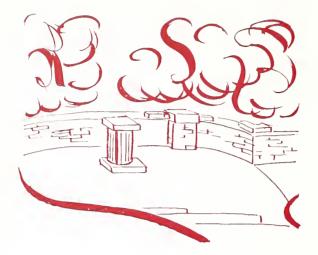

THE BEAUTIFUL CAMPUS

Blue sky, white clouds, ivy covered buildings on a horseshoe shaped ridge overlooking the Granville Village . . . beauty giving the student inspiration to study, create, and admire. The trees, heavy with snow in February and laden with dogwood in June, project a beauty long to be remembered. The campus, the drag, the quad, uphill, downhill, the chapelwalk . . . all important places to Denison students, all intrinsic parts of Denison life. A life set in a feeling of friendliness, a picture of natural beauty and an atmosphere of intellectual awareness. Stately red brick buildings offering their aid in the search for truth, a chapel with open doors and an awe inspiring view of the Licking Hills . . . these for the Denison student. And though facts learned are not retained, names may somehow become lost and faces

names may somehow become lost and faces but dimly recalled, the beauty of Denison's campus is not soon to be forgotten.

Sorority circle—a winter fairyland.

Oh! What a beautiful morning.

The dorms blink over the valley.

ON MOST ANY AFTERNOON...

From and to Life Science, Barney Hall, the Library, Doane and Talbot Hall — the paths of Denisonians converge in greetings characterized by friendliness. The Quad is a setting quiet in contrast to the vivacity of students passing from building to building between class. On occasion — the special one for students classes are held outside where a view of rolling hills can prove to be as much a distraction to students as a Serenade is to a studious co-ed, which means it's a welcome distraction indeed! Lingering on steps outside to finish a discussion started in class, keeping to the paths, not too intent on destination to neglect a smile on crossing paths — ample proof that Denisonians are aware of the charm of their surroundings.

... MOVING AHEAD

Proudly conscious of its tradition of one hundred and twenty two years while meeting the present demands of its expanding community . . . Denison moving ahead with an elert eye to the future, knowing that quality can keep pace with quantity. Alumni visiting their Alma Mater see changed features, a face lifting done. New purpose springs from laying cornerstones, from dedication ceremonies. The new Sigma Alpha Epsilon and Lambda Chi Alpha houses already in use twenty four hours a day. Deeds Hall and Smith Hall to echo with footsteps sprinting stairs, typewriters clacking, laughter, the ring of telephones and gab sessions. New dorms and frat houses speak hospitality. To old friends and new, the spirit of the Denison "hello." It's catching and one of the reasons Denison's had to grow.

President Knapp admires the view from Chapel walk

MR. DENISON

During his first two years at Denison A. Blair Knapp has shown that enthusiasm and hard work are the stimulants for progress. The gains that Denison has made since his arrival are obviously shown by the physical developments of the school, the rising list of applications and the talks of the honor system. In his travels around the country President Knapp keeps parents and alumni informed of Denison's activities. He takes an active part in student functions and can be found vigorously cheering at pep-rallies. The honesty and straightforwardness of Dr. Knapp's chapel talks keep the students aware of progress made and up to date with what the administration has been doing. His friendliness has won him widespread popularity among students, alumni and parents.

Cornerstones are milestones

Roll those cameras,

Queen crowning-a pleasure!

Socializing at the Union.

A needle in a haystack?

Oh! You must be a Beta Theta Pi.

Goodnight, Sweetheart.

Dig those crazy snowmen!

DENISON - AT PLAY

Taking coffee breaks at the Union — baking at Spring Valley — tearing out activity tickets — dreaming up costumes for frat parties, sorority skits — petitioning to install a dancing bear on the Quad—''escaping'' in a car caravan Senior Revolt Day — at midnight putting finishing touches on parade floats — making a fort of the Senior Bench in a spontaneous snowball battle—circulating round to all the houses the night of a big dance.

The world looks to science.

Quiet study in the Fishbowl.

DENISON - AT WORK

STUDYING CAN BE FUN AT DENISON!!

Some students catching Granville's busiest street on canvas — climbing the library tiers — putting earphones on to great music, microscopes into live cells. Some hauling props so opening night at the Opera House is a success — testing saline solutions for honors projects — practicing for Recital Hall until the Music Conservatory (on warm nights with windows open) sounds like a modern, dissonant symphony. Some stretching their eyes and minds from the height of Swasey Observatory. Some with their disciplined drill reminding the rest of critical issues found beyond "the Hill." Some training to make Deeds Field resound when a 6 shows on the scoreboard. All noting down professors' words, testing their worth in classroom discussions (where professor and student argue like friends), testing their worth for the days after Denison.

Comfort in the reading room.

A skelton from some one's family closet?

the elimination of tiresome beanies.

Brunch on sorority circle opens D-Day with a bang!

DAY

Tension builds up by conjecture and rumor until the chapel bells officially proclaim of "Hold That Tiger." There is no doubt. It's D-Day. Honking horns, a rush of boys by phone and foot to girls' dorms, a sleeping spree with no awakening alarms, a day of relaxation and fun for all characterizes this all-school holiday which comes once each semester. Not complete without the all-school brunch and picnic. The annual tug of war between the freshmen and the sophomores and the inevitable dousing in Ebaugh's Pond. All this adds joy to study-free hours and indicates the day's popularity.

HOMECOMING--DENISON STYLE

Denison honors her alumni each year with the gala Homecoming celebration. Returning alums and visitors are greeted by "Burma-Shave" signs along the roads proclaiming their welcome. The weekend has its beginning in the traditional parade down Broadway.

Fraternity floats are the main attraction with the bands from Granville and the college supplying the martial music. This year Beta Theta Pi copped first place in the fraternity competition. The sororities join in the competitive mood by decorating their houses. For the third successive year the Kappa Kappa Gammas took first place honors. Both fraternities and sororities honor their returning alums by banquets at the houses. The day is highlighted by the football game and the crowning of the queen. The title is held this year by Nancy Eshelman.

King Crumb and his hobo attendants fail to reveal Homecoming queen Eshelman.

Lovely Peg Malpass is queen of the May.

...ON MAY DAY

Amidst the blooming Dogwood Mother's Day is synonymous with May Day. Denison celebrates to the beauty of a Granville spring. Queen of the May commands attention at the coronation, with Friar Tuck, the jesters, and the singing and dancing of a festival.

The court jester performs.

Orchesis members honor Her Majesty with a Maypole dance.

The Bonds of Friendship Drive is Denison's week long charity appeal.

Solicitors in each dormitory and fraternity house contact each student.

Additional funds are raised by the popular Bonds of Friendship revue, presented the last two nights of the week. Fraternities and sororities enter skits to be incorporated in the show.

Kjell Amble directed this year's production. The Phi Gamma Deltas and Tri-Deltas emerged victorious in the skit competition. This year's drive was a grand success.

DENISON GIVES - BONDS OF FRIENDSHIP

Marge Sherman cavorts on prize winning Delta Delta Delta bonds week farce, "My Buddy."

Election Eve on the Denison Campus was a gala night. Automatic eleven o'clocks were granted students who waited in the Union for the latest results.

DENISON...KEEPING AWARE

Outside speakers share their technical knowledge and experience with the students.

News flash ----- Ohio goes Republican ----- Michigan goes Republican ----- It's the night of November 4; the Union is packed with excited students watching the televised election reports, cheering for their home states and for the newly elected President. In contrast to this are the chapel speakers and lecturers quietly presenting world news and controversial issues, sharing their experience and technical knowledge with students who are eager to keep abreast with world affairs. Business trends --- Korean war news --- scientific advancements --- world politics --- all are presented to the Denison student, keeping him aware of the history which is being made beyond the College on the Hill.

Tired in the mornings? Denison's Student Union is the place to go for a coffee break between classes or several hands of bridge for those who have free morning hours. The pool and ping pong tables are frequently in use, and there is always a group around the TV set. Then, too, there is the opportunity of having a chat with a favorite professor. For informal social events the Union is put to use as well as fraternity and sorority houses. An afternoon or evening of relaxation keeps the bridge and ping pong tables busy and conversation is plentiful.

Dance night at the Wee White Theta house is a big occasion on the social calendar.

SOCIAL LIFE IS IMPORTANT, TOO

The Student Union is an ideal spot for dances, bridge, ping pong-relaxation.

DENISON-ON DATES

Sand, grass skirts, and sarongs right out of the South Seas islands.

Throughout the year, campus fraternities and sororities provide a round of social activities for members and their dates. Highlighting the program are the fraternity weekend parties held in the spring. For these affairs everyone comes in appropriate costume and the houses are turned over to the girls for the night. On the feminine side, sororities do their share of entertaining with the Spring and Fall Pan-Hells. Dance night at the Kappa house complete with streamers, soft music.

Entertainment at the Kappa Sigma house holds watchers spellbound. Formal dances are long — awaited affairs on campus.

DENISON..DRESSES UP

White dinner jackets — formal dresses - the smooth rhythm of a dance band — Denison gets dressed up. Formal dances are plentiful throughout the year. The Fall and Spring formals are held at the fraternity houses while the Pan-Hells are held at the sorority houses. The Christmas Formal and the Junior Prom are held in the Bigwam. These are the two big dances of the year with a queen reigning at the Junior Prom. The title this year was held by Gina Race. Formals are an important facet of Denison's social life, and because of their frequency it is obvious that Denison likes to dress up.

Soft lights and music cast a spell at the Kappa House formal.

Phi Delts and their dates take a break from dancing for punch.

Junior prom queen Gina Race and attendants Jill Woods and Jane Thuma.

Smiling Thetas and their dates return cold, but happy after a fun-filled hayride.

DENISON-AT EASE

All is not formal at Denison. Many social activities involve blue jeans and flannel shirts. Swimming at Spring Valley in the Spring and Fall, hayrides on cool evenings, picnics at Cat Run, baseball games not found on the varsity or intramural schedules, bridge tournaments, jam sessions,—all spontaneous events, unscheduled, but looked forward to and playing an important part in the social life at Denison.

Music and fun on a Friday night bring relief after a week of study and classes.

HOMECOMING QUEEN NANCY ESHELMAN

Nancy Eshelman, junior member of Kappa Alpha Theta from Circleville, Ohio, was elected Homecoming Queen last fall by men of the student body.

MAY QUEEN PEG MALPASS

Peggy Malpass, senior member of Kappa Kappa Gamma from Belle Vernon, Pennsylvania, was elected May Queen by the men of Denison.

JUNIOR PROM QUEEN GINA RACE

Gina Race, junior member of Delta Gamma from Cedar Rapids, Iowa, was elected Junior Prom Queen by Denison men in a special election.

ED SULLIVAN "TOAST OF THE TOWN" B S. TV, SUNDAY NIGHT HOTEL DELMONICO May 21, 1953 This was a real rugged assignment because apparently Denison only permits gorgeous-looking girls on the campue. Dear Jack, I've picked Jane Carlton for the 1953 Denison University ADYTUM Queen but it easily could have been a dead heat. Sincerely, Ed Sullivan Ed Sullivan ES/jb

ADYTUM QUEEN 1953

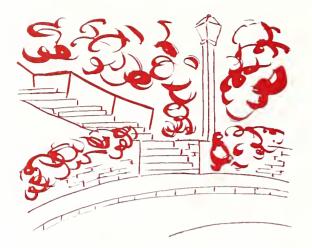

Ed Sullivan, popular television comedian, was selected by the Adytum Board of Editors to act as judge in the 1953 Adytum Queen Contest. He enthusiastically agreed to do the job. Each sorority and the independent women elected a candidate, who submitted a photograph of herself. These pictures were sent to California for perusal by the funnyman. Editor Jack Newton received the letter on this page a few days later. Queen Jane Carlton is the winner.

ADYTUM QUEEN JANE CARLTON

Jane Carlton, sophomore member of Chi Omega from Rochester, New York, was chosen as Adytum Queen by Ed Sullivan.

ACTIVITIES

Honoraries, clubs, music, art, drama, the **Denisonian**, the **Campus**, the **Adytum** and many more activities keep Denison students busy in extra-curricular work. Work? Not all of it. In the honorary organizations students in a particular field meet to discuss and share their interests. The publications entail much time and thought, but the product is worth the effort. These various groups and activities are an important part of Denison life and make for a well rounded, interesting student and school.

All of Denison's musical organizations unite with guest soloists to present the annual production of "The Messiah" at Christmas time.

The Executive Council was composed of Mary Jane Chenoweth and John Ames, co-presidents; Nancy Nussbaum and Dave Fullmer, covice-presidents; Mary Alice Berger, chairman of Women's Judicial Council, and Ken Bassett, chairman of Men's Judicial Council. Under these leaders a new program of freshman orientation was installed, The Freshman Fair, an evening which previewed all campus activities.

Seated—Mary Alice Berger, Mary Jane Chenoweth, Nancy Nussbaum. Standing—Dave Fullmer, John Ames, Ken Bassett.

CAMPUS GOVERNMENT ASSOCIATION

the Denison Campus Government Association. This is the organization which coordinates the activities of faculty and student-faculty committees, Boards of Control, and the Judicial Councils. The Student Senate, which is composed of representatives from each social group and the independents, discusses and acts upon campus matters. To this group is designated the power to deal with student affairs.

- 2nd row—Kay Tatnall, Betty Eberbach, Judy Anderson, Connie Clark, Marg Ison, Pat Rolt-Wheeler, Jewell Reinhart.

WOMEN'S COUNCIL

Women's Council serves in the capacity of the governing body of Denison women. It seeks to fill its responsibility by keeping in close contact with the attitudes of women and by seeking to guide these attitudes in constructive directions. The Council also works in conjunction with the Vocational Guidance Counseling Corps of the university.

STUDENT-FACULTY COUNCIL

One of the outstanding features of DCGA is the Student-Faculty Council, composed of the six executive officers of DCGA, the President of the University, the three Deans of the University, three faculty members, a member from Senate, and the editors of the **Denisonian**. This committee meets monthly and is a main source for administration, faculty and student understanding and cooperation.

WOMEN'S JUDICIAL COUNCIL

- Left to right—John Heamon, Ted Blunk, John Fernyak, Jim Bowman, Ken Conway, Dick Hotaling, Art Frame.

Women's Judiciary

Women's Judicial Council is composed of a chairman elected by the campus at large, and one member from each sorority and recognized social organization. The council acts as a co-ordinating body for the various house councils.

Men's Judiciary

Men's Judicial Council, a branch of the Denison Campus Government Association, operates to enforce all men's regulations and to discuss disciplinary enforcement. The group is comprised of the vicepresidents of the men's social groups.

The Auto Court

Auto regulations and traffic control on campus is the responsibility of the Auto Court. The rules are brought to the attention of car owners through fraternity representatives on the court.

The Campus

CAMPUS is the student published feature, literary, and humor magazine. It provides an outlet for creative writing that does not fall into the category of newspaper reporting.

The magazine is published quarterly and varies in theme with each issue. Photograph articles about life at Denison are a particular feature. This year's Editor was Duck Shackelford, and the Associate Editor was Pete Hawk. Cy Weagle headed the business staff and Bob Hilberts and Jim Travis were Circulation Managers.

The Adytum

The 1953 Adytum has been compiled to bring you a summary of all the phases of campus life. We feel that here at Denison there are certain outstanding characteristics which place us in a unique position among other colleges. It is these typical traditions and attitudes which we have tried to emphasize in presenting this yearbook.

We of the **Adytum** staff have found it impossible to pick one person to whom we should dedicate this book. Rather, we would like to dedicate it to all of you who have helped to make Denison the university it now is—the student body, the faculty, the administration, the alumni, and the people of Granville.

THE THEATRE

Drama plays a major role on the Denison campus. University plays highlight the theatre season, and the Summer Theatre group has gained national renown for its quality of craftsmanship. Awards for excellence in acting and participation are many. The two theatre honoraries are Masquers and University Players. Membership in these groups is based on work hours. Students are also awarded prizes and fellowships for merit. Harry Swoger this year won a trip to New York for observation of the theatre for his role of Willie in "Death of a Salesman". The "Big Blue Tent" was the scene of much activity as the Summer Theatre opened its sixth season featuring 10 hit plays. Undergrads and alums who take part in this project do a fine job of bringing good, live theatre to the people of central Ohio.

Harry Swoger, Christine Kornman, Fred Curry, and Skip Metcalf in a tragic scene from "Death of a Salesman."

Diane DiRosa, against the pillar, looks sad as Eliza in Shaw's play "Pygmalion," a satire.

"This Way to the Tomb" was produced in conjunction with International Theatre Month.

The Varsity Theatre season gets off to a rolling start with the production of Shaw's "Pygmalion". Diane DiRosa as Eliza made this Dad's day production a memorable one. The performance of Miller's "Death of a Salesman" was characterized by depth and maturity. Swoger was excellent as Willie, the common man defeated by his own philosophy. An American premiere, "This Way to the Tomb" with Wm. Utter, '50, was presented in connection with International Theatre Month. It was imaginative and delicately handled throughout. Last in the season was Molnam's "Liliom", starring Kjell Amble. He acted the naturalistic part very capably. In addition to the well received University Theatre plays, there were Studio Theatre productions and a light operetta.

Scenery and gay costumes were a vital part of the success of these plays. All aspects of the theatre are noted at Denison.

Phi Beta Kappa

Election to Phi Beta Kappa is the most distinguished honor that can be bestowed on any Denison junior or senior. Membership is based on evidence of high character, and outstanding scholarship. The chapter officers are: Dr. Morton B. Stratton, president; Dr. Walter T. Secor, vice - president; and Dr. Fred L. Preston, secretarytreasurer.

Phi Society

Founded at Denison in 1926, the Phi Society was organized to encourage high scholarship in the Freshman class. This organization serves to give recognition to those students who have earned a minimum of 112 grade points during their Freshman year at Denison. The letter Phi is awarded to encourage the student to add the two Greek letters, Beta Kappa, to the original Phi.

Omicron Delta Kappa

Omicron Delta Kappa, the senior men's honorary, serves as an informal discussion group to talk over campus problems and to direct decisions proposed to the various campus groups. The members of ODK are selected on the basis of leadership qualities, scholarship, and campus service.

Mortar Board

Mortar Board is the national senior women's honorary which recognizes and encourages service, scholarship, and leadership. This past year the Denison chapter sponsored an orientation party for transfers, was the hostess chapter for the annual State Day Mortar Board, and gave a dinner honoring outstanding scholarship among women.

Blue Key

Crossed Keys

Blue Key is the Junior Men's Honorary in the field of leadership. The society recognizes achievement in the fields of scholarship, activities, and service to the school. Blue Key renders service to Denison by organizing the Dad's Day Weekend and by ushering at communion services. Recognition of leadership, character, and service in campus activities is the basis for membership in Crossed Keys, the Junior Women's Honorary. Through this recognition Crossed Keys encourages and promotes campus activities. The organization also renders to the college any service which arises.

"D" Association

All men who have earned a varsity letter in an intercollegiate sport at Denison are eligible for membership in the "D" Association. The duties of this organization are to foster athletic interests and to uphold the college traditions. The group this year was led by president, Bob Laird.

Junior Advisers

Advisers for the freshman dormitories are chosen on the basis of leadership ability and scholarship standing. Members of the junior class, they serve as counselors for the new students and live in the dormitories throughout the year. As active members of the personnel staff of the university, they receive experience in guidance work and human dynamics.

Pi Delta Epsilon

Pi Delt, the national collegiate journalistic honorary, gives its service to the college and to the students. Supporting high standards in the student publications, the group publishes the "D" Book, the Directory, and the football programs.

ATHLETICS

Denison sports are also a big part of the lives of every Denisonian, male and female. Naturally, our varsity sports take first place in our college life with the fall football games being held in Deeds Field, our winter basketball games in the Bigwam, and our spring sports of track and baseball being played on Deeds Field and the intramural fields. This varsity program is ever increasing with the addition of two new sports, soccer and lacrosse, this year. Fraternity intramurals are important to everyone on the campus and include such sports as handball, golf, tennis, and swimming.

The female counterparts of these sports find their outlets in the Women's Athletic Association which sponsors various activities including archery, volleyball, and riding. All girls sports activities are centered in the Physical Education Center and Lamson Lodge, which have proved excellent facilities for the furthering of athletic events. Women's sports is enlarging this year to take over Cleveland Hall as the center of their winter sports. The Big Red is definitely a part of this—our Denison.

FOOTBALL

The Big Red, led by Co-Captains Jim Moore and John Wosinski, completed the 1952 football season with a record of four wins and four losses. This record undoubtedly would have been bettered had several key players not sustained key injuries, and crucial "bad breaks" not gone against the team.

In all their games, the Redmen gave a good account of themselves, losing decisively only once. The highlight of the season was the Big Red's thrilling 14-9 upset of favored Muskingum.

Quarterback Dave Maurer led the team in total offense with 994 yards. He ranked third in the Ohio Conference in the passing department, completing 73 tosses for 1,053 yards and 14 touchdowns. Leading the team in rushing yardage and scoring was Bob Vogt with a net of 342 yards and 10 touchdowns.

First among the Carlmen and third in the Conference in pass receiving was End Don De-Jong with 28 catches good for 383 yards and five scores. Guard Andy Deeds booted 19 out of 22 conversions and was the team's third highest scorer.

Ends Don Alt and Don DeJong, along with Tackle John Wosinski received first-team All-Conference acclaim, while Backs Bob Vogt and Dave Maurer and Tackle Barney Apthorp merited secondary recognition. DeJong was named All-Ohio end, and Maurer and Alt were mentioned on the Little All-America squad.

MAURER IS SPARK

W and J

The Big Red, sparked by the passing of quarterback Dave Maurer, and the receiving and running of end John Billingsley and fullback Ray Volz, struck deep into enemy territory and soon led 7-0. Minutes later this lead vanished as the Presidents climaxed a seventy yard drive with the tieing score. It became apparent late in the second half that a break was needed to upset the deadlock. W & J recovered a fumbled punt on the Denison twenty yard line, and turned it into a score, winning the game 13-7.

MOUNT UNION

The Big Red showed improvement in trouncing Mount Union 28-14 in their first home game, but payed dearly for victory through the loss for the season of halfback Bob Billingsley and lineman-Co-Captain Jim Moore. Taking command at once the Beg Red scored twice in the first few minutes. Then followed an exciting game in which Ed Baker, Dave Maurer, Bob Vogt, and Don DeJong took leading roles along with the excellent performances of Freshman backs Dave Jones, Ray Volz and Jim Hubbard. Two goals climaxed the remainder of the game in which Andy Deeds converted all four points, and Denison had its first taste of victory.

WOOSTER

Once again the Big Red scored early in the first quarter when John Wosinski fell on a fumble, and a Maurer pass found Vogt in the end zone. Deeds converted and Denison led by seven points. At this time Wooster took charge and turned a Big Red fumble into seven points. The Scots continued to pour it on as a 50 yard drive netted a second score, and Scot halfbacks ran 44 and 37 yards respectively to pile up a 21 point lead. Late in the game, however, the Big Red fought back and netted a second touchdown on a 30 yard pass play, Maurer to Billingsley, but Denison still wound up on the short end, 14-28.

OHIO WESLEYAN

The Bishaps ruined the 1952 Big Red Homecaming as Carl Beggs, enemy halfback, shreded the Denisan defense for three tauchdawns. Trailing the Bishaps 6-0 in the second quarter, Denisan received a break in the form of a fumble recovery by Bab Kelley. Three plays later Maurer's pass entered the end zane where it was taken high in the air by DeJong. Here the Big Red defense last its tauch as the Bishaps piled up 21 more points. But as the faurth periad apened the Big Red defense stapped the Bishaps, and fullback Ray Volz scared a final tauchdown, ending the scoring at 13-28.

MUSKINGUM

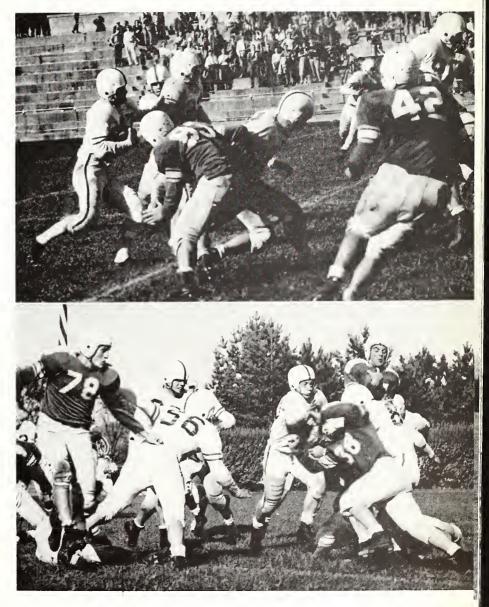

In what was perhaps the mast thrilling game of the seasan the Big Red staged a 14-9 upset af a highly favared Muskie team. In the initial periad after Denison had muffed a scaring appartunity made passible by Jahn Billingsley's 64 yard runback of a pass interception, the Muskies drew first bload with halfback Stakes hitting paydirt. Denison's affense daminated the third guarter as halfback Hubbard knatted the scare. In the final stanza the Muskies farged ahead with a field gaal. But a few plays later Billingsley stale his second pass, and the Big Red had its game-winning touchdown.

WITTENBURG

The Big Red wan a first half defensive duel when DeJang tallied the lane tauchdawn af that distance. The second half was a different stary, hawever, as bath teams unveiled a brilliant affensive display in which Vagt scared three times. One play after another succeeded until the scare was tied 28-28. With less than a minute af play remaining, Maurer threw his fourth scoring pass to DeJang winding up the Big Red's third victary of the seasan, 35-28.

OBERLIN

The Big Red smashed Oberlin 21-6 in impressive style as for the first time this season the ground attack outgained its aerial counterpart. Scoring in three of the four periods, the Big Red, paced by the running of backs Long, Vogt, and Volz, and the fine passing of Maurer and Jones, gave one of its finest performances of the season. In the first quarter, after marching forty-eight yards on the ground, Maurer flipped to Vogt for a 17 yard score. Midway through the second stanza, the defensive team recovered a fumble on the Denison 34. On the next play Maurer tossed 15 yards to De-Jong who galloped the remaining distance to the end zone. Oberlin scored its lone TD in the third period, but minutes later the Big Red retaliated with a 44 yard drive to the one, where Vogt sneaked across with the final score.

CASE

Playing, what was for the spectator, their finest game of the season, the Big Red fought an uphill battle all the way, and came within a few yards of victory only to run out of steam in the game's closing minutes. Ray Volz carried the opening kick seventy yards but Denison fumbled and Case drove for the first score. The Big Red then stacked up nineteen points, but the Rough Riders rallied to knock down three more touchdowns. Case countered again in the last minute to make the final score 27-19 in their favor.

\mathbf{SOCCER}

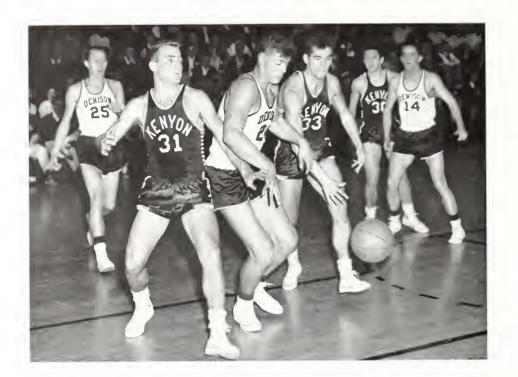

1952 saw the fielding of the first soccer team in the history of Denison athletics. Although the team was able to win only one of seven games, the season was a successful one in that valuable experience was gained for next year.

Playing their first game in Columbus against Ohio State, the Big Red lost a tight 2-1 decision. In their next contest the Big Red booters were able to score two goals on Kenyon's All-American goalie, but the Lords kicked home three goals to win 3-2. Denison's lone win came when they defeated Wilmington 6-3. This game produced the season's outstanding play as fullback Dave Wyse booted a goal from approximately forty yards out. Losses then followed to a strong Oberlin team, Ohio State, Kenyon, and Cincinnati.

As a result of the season's play Wyse, Miller, Korol, Atwater, and Barth were named to the All-Midwest squad. Bud Miller and John Hunting were elected co-captains of next year's team. Miller goes high into the air to retrieve the ball. As a result of his play, Miller was named cocaptain of next year's squad.

BASKETBALL

The Big Red basketball squad did not live up to expectations this year, but they showed great improvement over last season. Coach Johnny Loehnert vastly improved his team's offense, but the hoopsters failed defensively in the tight ones. The overall season's record was nine wins and twelve losses. The record should have been better, but breaks seemed to go against the team all year.

Leading the scoring for the Redmen this season were Don DeJong and Jim Emanuelson. DeJong hit the hoop for 304 points while Emanuelson meshed 290. Both men averaged 14.5 points per game. In the team scoring column, the Big Red hooped 1652 points, a new season high for a Denison team, and eclipsing the previous record of 1411 points set by the 1944 squad. The Big Red's opposition scored 1624 points for a 77.3 average. The best scoring effort on the part of the Big Red for the season was against Hiram when they netted 96 markers. Their best defensive effort was against Wittenberg when they held the visitors to 49 points.

Only one senior, Captain Jim Emanuelson, was lost to the squad at the end of the season. Jim was voted the most valuable player on the squad by his teammates. His clutch shooting and rebounding aided the team greatly.

Coach Loehnert was very happy with the showing of three freshmen this year: Ben Brown, Ted Bosler, and Tom Davis. They are all good defensive men and excellent ball handlers. He feels that they along with men like DeJong, Jones, and Cope will make up the nucleus of next year's squad.

The Big Red started off the season against a powerful Rio Grande squad, and dropped an 88-78 decision to the down-state rivals. (Rio Grande finished up the season with a 39-0 record.) Bevo Francis, highest scorer in collegiate basketball history, led the Rio Grande squad with 26 points, one of his lowest totals all season.

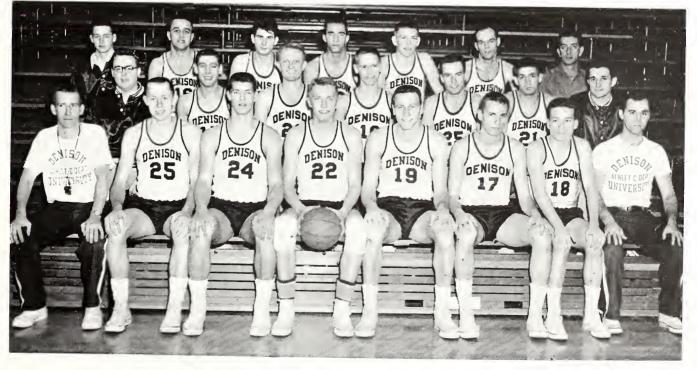

The Big Red won their first game of the season as they edged Otterbein 74-72. From then on until the end of the semester the Redmen had tough sledding. They lost to Capital, West Liberty, Ohio Wesleyan, Ohio University, and Wittenberg, while winning from Kenyon and Heidelberg. The second semester started off with two defeats, one by Marietta and the other at the hands of Wooster. The Big Red bounced back to score victories over Wittenberg, DePauw, Hiram, and Capital. Otterbein upset the Big Red in an afternoon tussle at Westerville, and Ohio Weslevan rallied in the late minutes of the game to defeat the Big Red for the second time in the season. The local squad came back with a victory over Oberlin, but were then humiliated by Kenyon. In an effort to bring back prestige lost at Kenvon. the Big Red played well as they defeated Muskingum. In the final game of the season the Loehnertmen bowed to Lockbourne Air Base. Next season will find the much improved Big Red under the guidance of a new coach, Rix Yard. Also, several new teams have been added to the schedule.

Emanuelson eyes the hoop on a foul shot; while Coach Loehnert demonstrates proper ball handling.

TRACK

The 1953 track season has been very successful. In the indoor portion of the schedule the Big Red managed to defend successfully its conference title. Outdoors they were undefeated in three dual meets and took three seconds and one first in triangular meets.

Leading the Carlmen this season was John Ames, leading hurdler in the conference. Dane Macomber proved to be an outstanding distance man, coming very close to the school records.

Coach Carl and ace hurdler John Ames, track captain, watch the cinder team go through the warmup exercises.

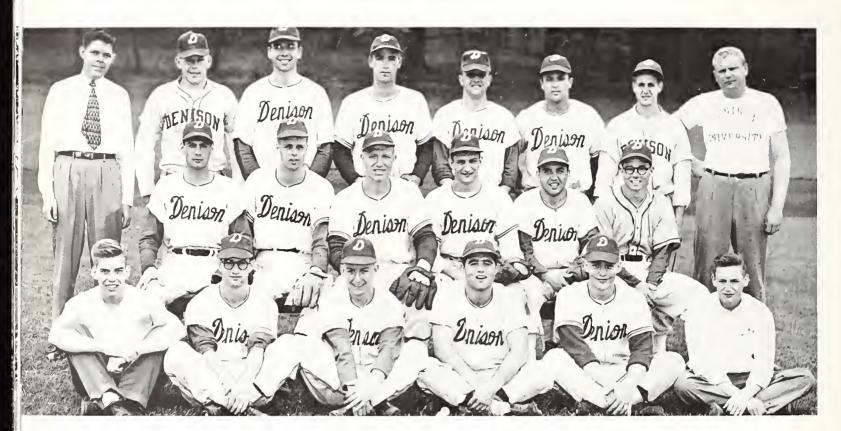

The Big Red wound up a rather unsuccessful indoor season by winning for the second straight year the Ohio Conference Indoor title. Previous to that meet, Denison had defeated Capital while dropping decisions to Ohio Wesleyan and Western Reserve. By far their toughest indoor opponent was Western Reserve. The meet was not decided until the final event when one of the Denison runners dropped the baton.

This event settled the meet in favor of Reserve. Denison then dropped another to Ohio Wesleyan by a 54-40 count. The Capital meet was a runaway for the Big Red, who ran up a 74-30 score. In the Conference meet the Big Red won by a large margin over Ohio Wesleyan, their closest rival.

Trackmen go through specialties in style: Ames and Cochran, hurdles; B. Billingsley, 50 yd. dash; Reid, high jump. All figured in the Indoor Conference victory.

BASEBALL

Bob Vogt demonstrates his winning batting stance. Vogt led the powerful Big Red stickmen with a .395 total.

Keith Piper's second years as coach of the Denison baseball team was a very successful one as his squad won eight games out of twelve. Their Ohio Conference record was seven wins against three losses, good enough to tie for first place in the Conference. This constitutes the best record the Big Red diamond men have accumulated in ten years. Very stable pitching and good hitting paced the Big Red in their wins, and loose fielding accounted for the losses.

Art Kleck initiated the season with a five hit whitewash of Wittenberg, 3-0. Sam McKenney's relief hurling and a big nine-run sixth inning downed Wooster 20-8. After defeating Lockbourne in an exhibition game, the Big Red suffered three straight losses. Capital held the Big Red to four hits in winning 7-0, Oberlin edged the Big Red 11-10 in 12 innings, and Lockbourne won an exhibition game 7-2. Denison then rebounded to win five of its last six games, losing only to Ohio Wesleyan 9-2, and defeating its early season conqueror, Capital, 10-5 in thirteen innings.

Bob Vogt led the kitters with a .395 average, the team as a whole batting over .300.

Down the field toward a possible goal goes the opposition, Denison's first varsity lacrosse team shows a great deal of potential.

LACROSSE

Denison's first varsity lacrosse team was not a successful one in terms of a won-lost record. However, in losing seven games the team, though frequently outplayed, was never outfought.

The Big Red lost its first game to Kenyon by a score of 10-0, but in losing played a fine game giving the Lords several early goals. Losses followed to Oberlin and Ohio State. The second game with Oberlin was one of the most unusual ever seen at Denison. The game was played in a driving snow and sleet storm and the field was covered with three inches of snow. At times it was impossible to see the ball and the contest proved to be more of a hunt than a game. The next engagement was with the Cleveland Lacrosse Club, a collection of former collegiate all-stars and Olympic players. In losing 5-0 the Big Red played its finest game of the year. In closing the season the team dropped return matches to Kenyon and Ohio State.

The team is looking forward to a much more successful season next spring.

Front—Baumes, Carnahan, Heamon, Blunk, Reese, Barringer, Ackley, Barth. Back—Macklin, Shilliday, Burrer, Kalbfleisch, Miller, Meyer, Grace, Baker, McCance, Winship, Johnsonbaugh.

Front---Deeds, Bowman, Weber. Back-Tegtmeyer, Giles, Bowen, Preucil, Coffin.

Captained by Ed Weber, the Big Red tennis team under Coach Tris Coffin amassed eight wins against four losses during the highly successful 1953 campaign.

The DU netters blasted Bowling Green, Wayne, Wittenberg, Otterbein, Oberlin, Muskingum, and Capital twice. Pairs of losses to powerful Kenyon and Ohio Wesleyan accounted for the setbacks.

Denison opened with 5-2 and 7-0 losses to Wesleyan and Kenyon, but rebounded with six straight triumphs, downing Capital 9-0, Bowling Green 7-0, Wittenberg 7-0, Otterbein 7-0, Capital 8-1, and Wayne 6-3. After bowing again to Kenyon by a narrow 5-4 margin, the Big Red upset Oberlin 4-3, and trounced Muskingum 7-0, before succumbing to Wesleyan again in the season's finale 6-1. When rain washed out the finals of the Ohio Conference tourney at Oberlin, the Big Red courtsters were in second place.

For the Denisonians, Bill Bowen played No. 1, Alan Preucil No. 2, Ed Weber No. 3, Andy Deeds No. 4, Jim Bowman No. 5, John Tegtmeyer No. 6. In doubles play, Bowen teamed with Preucil, Weber with Bill Giles, and Deeds with Tegtmeyer. It's an ace from the racket of Tegtmeyer, who advocates the Australian serve.

TENNIS

Frosh Bob Stewart won co-medalist honors in the Ohio Conference tournament with form such as this. He averaged 78 strokes per match.

GOLF

The Big Red linksmen, hampered by inexperience and bad weather, turned in a record of four wins, five losses, and one tie in Ohio Conference competition. At the end of the season a strong bid was made for the Ohio Conference championship, and the Big Red finished second, one stroke behind the victors, Mount Union.

Captain Chuck Peckham, winning his third varsity letter, held down the No. 1 position, and averaged 77 strokes per round. Teaming with him in the No. 2 spot was freshman Bob Stewart, who along with averaging 78 strokes per match, fired a 76 in the Ohio Conference tournament to win co-medalist honors.

Completing the squad were freshman Phil Rouce, at the No. 3 position, and Andy Wylie and Dick Speidel at the No. 4 spot. All won varsity letters and contributed toward the overall team average of 80.4 strokes per match.

Coach Edson Rupp was pleased with the overall showing of the team, and as no member of the squad graduates this year, expects to present an extremely tough edition in 1954.

Speidel, Rouce, Stewart, Peckham, Rupp.

INTRAMURALS

Intramurals this year have been tops. Sid Jenkins, with student assistant Jim Posey, has worked to attain the ends of good sportsmanship and full participation. The race was a clean and close one throughout the year, getting off to a flying start as Phi Gam and Beta tied for first place in speedball. The mercury dropped and the snows came, but gridders watched Kappa Sig go undefeated with the help of Dick Cushing's right toe.

Many close games and upsets were to be expected on the "A" and "B" league hardwood courts, and competition was high throughout the tournament. Between spring rains the softball and volleyball athletes were performing, but it was not until the last event of the intramural track competition was completed that it was known for certain that Sigma Chi had come through the season victorious.

The playing was hard and fast; the participants, good sports. These characteristics have helped to keep the intramural program in the leading role it occupies on the Denison campus.

Above—Round and round the hoop for two points and victory!! Below—Phi Gam into the air and a spike onto the grass for a tally.

Over the bar in the high jump! This year's track crown was a closely fought contest to the final event.

BASKETBALL

As in the past, the two basketball leagues were once again close, had fought races remaining undecided until the final games. In the "A" league, a sharpshooting Sigma Chi team turned in a one-point victory over Kappa Sigma in the final game to gain a perfect 9-0 record and the championship. Following close behind the second place Kappa Sigs were the Phi Gams and Betas who shared the thrid place spot. The "B" league was an unpredictable affair with each team experiencing at least one defeat. The final result was a tie for the title between the Betas and Sigs, each with 8-1 records. Finishing in a tie for third were the Kappa Sigs and Phi Gams.

TENNIS

The Sigma Chi team of Giles and Preucil went undefeated to win the tennis title. Lambda Chi finished second, followed by Phi Delta Theta.

FOOTBALL

With a tie game the only mark on an otherwise perfect record, the Kappa Sig team took top honors. Close were Phi Gam, second, and SAE, third.

SPEEDBALL

Defending champs, the Phi Gams, tied with Beta for top honors in the league, both teams having 7-1 records. Kappa Sig and Phi Delt tied for third.

TABLE TENNIS

Dick Speidel and Bob Woods added the table tennis championship to the Sigma Chi intramural cause while Phi Delta Theta finished second. Kappa Sig and Beta tied for the third spot.

HANDBALL

With a record of seven wins and no defeats, the handball crown went to the Sigma Chi team composed of Bob Major and Jim Posey. Finishing second was Beta Theta Pi, followed by the Phi Delts and Kappa Sigs.

WRESTLING

With Bill Isaly and Jim Roush leading the way, Beta Theta Pi retained the intramural wrestling title by sweeping to victory in all but one weight division. Avery Haak won the runner-up spot for A.C.C.

GOLF

The intramural golf title was shared by the Phi Gams and Sigs, with Delta U. in the second spot.

SWIMMING

Sigma Chi, led by Bob Overstreet and Hank Stout, successfully defended its swimming championship by taking five of the six events. Second place went to Phi Delta Theta.

TRACK

A well balanced team gave last year's champion Beta Theta Pi a one-point victory over the Kappa Sigs and first place in the intramural track tourney. Sigma Chi finished thrid. Individual star of the meet was D.U. Dave Calhoun, who won both the 220 and 440 yd. dashes.

VOLLEYBALL

With both teams suffering one defeat, the volley ball crown was shared by defending champion S.A.E. and Sigma Chi. Third place went to the Kappa Sigs.

SOFTBALL

With a perfect record of 8-0, the Beta team took the intramural softball championship. Second place resulted in a three way tie between Kappa Sigma, Phi Gam, and Sigma Chi.

The Women's Athletic Association has completed another year with its program full of intramural sports and activities striving for complete participation. Rules and regulations were introduced to the frosh at the Freshman Circus and freshmen girls received their new red and white beanies. This new, pleasant method of taking care of traditional frosh hazing was introduced by W.A.A. Points had to be earned in intramurals by the gals of '56 to rid themselves of the cumbersome millinery.

Other parties and programs included on the W.A.A. agenda were a Winter desser: for new members, a Hellsinki Hollar-Day where dorms came dressed as various countries and participated in intramurals, and the W.A.A. spring banquet which closed the season with individual and team award presentations.

WOMEN'S ATHLETICS

A gay scene from "Over the Hill," an original student dance drama given in the spring Orchesis Show.

Women's Athletics

The fall sports offered last year were many. Sophomores took honors in the hockey league and the team journeyed to Oberlin for an all-school meet. Denison was one of 12 schools participating in The Central Ohio Field Hockey Tournament held in the Licking Hills; while the annual Homecoming hockey game between grads and underclassmen was a success, too. Intercollegiate tennis teams played hostess to Wesleyan and Capital, and Denison golfers trekked to Miami and State for tee matches there. Musical chairs, javelin throws, and bareback events highlighted the fall horse riding show, in which girls won prizes for horsemanship.

Big Red Squaw Night with its basketball contest between the junior and freshman women was the special event of the winter season . . . frosh winning. Intercollegiate hoop teams traveled to State and Wesleyan, then played host to Muskingum and Otterbein.

Dancers Helen Jean Granfield, Ann Creel, and Nancy Pobst soar through a movement from the recital.

Swimming and badminton were two other popular winter sports. The aquamaids swam at State and later entertained Wesleyan and State at the home pool.

The dorm swimming marathon went to Stone Hall. Winner of the badminton tourney was Jean Race. Orchesis gave its annual spring modern dance recital; while Outing Club members cooked outdoor meals. Something new was the sorority competition in volleyball. This movement attempted to get more participation.

Successful in its first trial, it will be continued next season.

FRATERNITIES

The fraternity and sorority systems at Denison are among the most outstonding in the country. We feel very proud of the record we have ottained in supporting these social groups by hoving o very high percentoge of the totol student body in the membership of these nine froternities ond eight sororities. The beouty ond dignity which ore ossocioted with these compus buildings lend on otmosphere of home to the whole community. Sorority circle could be transported to the heart of new England with its white houses and green shutters. Eoch year more froternities move up to froternity row in lovely new houses. This year sow the growth of the Sigma Alpho Epsilon house and the Lombdo Chi Alpho house. Froternity and sorority houses are the scenes of many unusual and interesting porties throughout the year including dances, open houses, and costume offoirs. Besides offering o center for social life these groups help to bring the various segments together much on the manner of morriage makers.

On initiation night, SAE fraternity serenades the new social group members on sorority circle. Greek letters are burned on front lawns in honor of the occasion.

The Delta Gamma chapter of Chi Omega, located in the big Southern home at the top of sorority circle, was the first national Greek women's group at Denison, being installed in 1928. Chi Omega was founded April 5, 1895 at the University of Arkansas and has since grown to be the largest national women's fraternity.

Chi Omega's social service project, weekly visits to the Franklin County Children's Home, has been continued this year under the leadership of Mary Lee Edwards.

On the social calendar the Chi O's entertained the Mothers and Dads on their respective weekends, entertained the faculty children at the annual Halloween party, and held their Southern Ball early in May, the biggest formal dance and dinner of the year, for the chapter.

The chapter won second place in the Homecoming decorations with the theme "Ding Dong Bell - Bishop's in the Well."

CHI OMEGA

1

Chi Omegas have played a leading role in campus activities this year. Diane DiRosa and Elizabeth Williams were Junior Advisers. Two of the girls, Nancy Nussbaum and Jo Johnson, were tapped for Mortar Board. Diane Di-Rosa, Lynn Wellman and Elizabeth Williams were elected to the junior honorary, Crossed Keys. Elizabeth Williams was president of Orchesis, and Sue Bates headed Women's Music Honorary.

Kappa Alpha Theta was founded January 27, 1870 at DePauw University in Greencastle, Indiana. Denison's Beta Tau chapter was organized as Chi Psi Delta, a local sorority and became national in June, 1929.

In the line of service projects, Theta helps to support a Dutch girl through the Foster Parent's Plan for War Children, and also works with a group of children at the Hartzler School in Newark. Beta Tau also helps support the Institute of Logipedics in Wichita, Kansas, the national Theta service project.

Beauty congratulations go to Nancy Eshelman who represented Theta as Homecoming Queen, and to Bonnie Douda who was in the court of the Sweetheart of Sigma Chi.

This year we welcomed to the Wee White House Mrs. E. W. McGillivry, our new house mother. Many traditional functions filled the year's calendar. The luncheons were held for the fall Father's Day and spring Mother's Day, with late breakfasts the following morning. A combo party was held at Christmas.

The pledges used "Evening in Paris" as their theme for the pledge formal. A sweetheart dinner before the Junior Prom, chapter suppers for the pledges, Fraternity and Sorority socializings, and playing hostess to the Miami chapter kept Beta Tau's social calendar full.

The chapter has received many campus honors this year. Nancy Brelsford was secretary of the Senior class and co-chairman of Homecoming. Zoa Scholfield was co-chairman of the Junior class Social Committee and cowriter of the Bonds of Friendship Show. Ruth Borgeson was president of Women's Glee Club, while Edna Bogardus was its student leader.

KAPPA ALPHA THETA

Marianne Kuhn was president of the Speaker's Bureau, and Peggy Williamson served as All-School Social co-chairman. Ann Creel was vice-president of Pi Delta Epsilon and is coeditor of the DENISONIAN for next year. Tapped for Mortar Board were both Ann Creel and Janet Wright. Kay Tatnall received the honor of Crossed Keys. Junior Advisers this year were Nancy Eshelman, Suzi Sholes, and Janet Wright.

DELTA DELTA DELTA

Delta Chi of Delta Delta Delta was the second national sorority to be installed on the Denison campus back in October 1929. We belong to the national organization which was founded at Boston University in 1888.

Our girls have upheld the national tradition of friendliness and campus leadership. This year Women's Judicial Council was led by Mary Alice Berger. Phyl Schulte was the president of Pan-Hellenic Council. Presidents of other organizations were Margie Owen of Crossed Keys and Ruth Grabeman of W.A.A. Joanne Morton was honored by being elected to Phi Beta Kappa.

For next year, Katy Lou Englehart will be covice president of DCGA and Carolyn Whitcomb, who was awarded the Juliet Barker scholarship for academic excellence in dramatics, will serve as president of Women's Council. Mortar Board tapped Katy Lou Englehart, Margie Owen, and Carolyn Whitcomb; Crossed Keys tapped Ann MacLean. Our skit took first place in the Bonds of Friendship Show, allowing us to keep the cup for another year. Our mothers were entertained as we presented it again for our Mother's Day luncheon. The house has been quite active this year: we had fun with skit and song practices, open houses, dinners, and dances. Our girls seem to be the ''marryingest'' ones on campus; we'll never forget singing all the ''hallelujahs'' right after Christmas vacation.

We all applauded when Kim Champlin, who was on the Homecoming Queen's court, was also crowned Sweetheart of Sigma Chi. Katy Lou Englehart was honored by being on her court.

One of the nicest things that we have done all year was to entertain all of the pinned and engaged Senior girls at our Pansy Breakfast. This has been a Tri-Delta tradition on many campuses and from now on we hope to make it ours. Margie Owen, the Pansy Bride, was the first of the engaged girls to step through the ring of 2000 fresh pansies. Each year a plaque is awarded to the senior who has done the most for Tri-Delta. Ruth Grabeman was our choice this year.

The Kappas have completed two years now in their new home on Mulberry Street, and each of the members carries wonderful memories of the year spent there in 1952-53. Mrs. Raney, having been the housemother for two years, has graciously succeeded in being our welcoming hostess.

During the entire year, the Kappa social service committee has had as its project for the chapter, the Children's Home in Newark.

Besides many honors and achievements, Kappa has had a full social calendar. We have entertained for open-houses with many fraternities and sororities, the banquets for Mother's and Father's Days, early breakfasts for the chapter, Big and Little Sister parties, formal dances, and the important Kappa weekend which has now become a tradition.

KAPPA KAPPA GAMMA

Our beauty cups this year went to Peg Malpass who reigned as May Queen, and to Dolores Duffy and Judy Berthold who were members of the court of the Sweetheart of Sigma Chi. The Neuman twins, Carol and Lyda, were chosen to be Miss Campus of 1952-53. One of the most memorable events of the year was the entertaining of the Kappa province convention this spring by the Gamma Omega chapter in Granville. Kappas from every chapter in Ohio were present to compare new ideas and to meet new people. The convention was thought to be a success by all who attended.

Alpha Phi was founded at Syracuse University, October 10, 1872. The Denison chapter was organized as Phi Phi Phi in 1921, and in 1930 the group became Beta Kappa chapter of Alpha Phi International Fraternity.

Beta Kappa has had a busy year in all phases of college life. In addition to weekly visits to the Children's Home in Newark, our local social service project, we have helped support our national project of Cardiac Aid. Alpha Phi's social calendar was packed full this year. Shortly after school began, the girls enjoyed the annual back-to-school spaghetti dinner. The Mother's and Dad's Day Banquets were very enjoyable. This year the Dads surprised the group with the gift of a TV set. The traditional Old English Dinner was very successfully held in the house this year. The Pledge Formal, with its theme "Show Boat" was also a memorable occasion. The Alpha Phi skit "Birth of the Bonds," won a place in this year's Bonds of Friendship Show.

ALPHA PHI

Outstanding personal honors have been awarded to many members of Alpha Phi. In the field of leadership Char Smeltzer was tapped for Mortar Board and elected co-president of DCGA; Gerry Granfield was vice-president of Women's Council; Norma Humel was cochairman of Deni-Service and Bonds of Friendship; Janet Forsaith served as vice-president of YWCA; and both Nancy Myers and Janet Wahle were tapped for Crossed Keys.

In 1930, a charter was granted this local group to become a member of Alpha Omicron Pi.

ALPHA OMICRON PI

Socially speaking, Alpha Omicron Pi has had a busy year. We entertained the Dads and Mothers on their respective days, and socialized with many alumni who returned for Homecoming. This year Alpha Tau again held the traditional Christmas party and the beautiful Rose Ball, the latter which seemed to be the biggest social success of the year. Fraternity and sorority socializings and the pledge formal also highlighted our social year.

Alpha Omicron Pi has been quite active in campus activities this year. We are especially proud of our pledge class and of the honors received by the various members of our chapter. Joan Chappell was our model pledge, and Helen Fielder received the scholarship award for the pledge class. Jean Duncan was tapped for University Players; Joan Chappell for Music honorary, and Sue Horne for Orchesis. In addition to these, Nancy Tucker was tapped for Crossed Keys and was chosen to be a Junior Adviser for the coming year.

In the field of scholarship, we are especially proud to have three Phi Beta Kappas in our graduating class. They are Margaret Waggoner, Wilda Wiest, and Chris Kornman. As always, we hate to see our seniors leave us, but we are looking forward hopefully to next year with its new pledges, parties, and good times.

DELTA GAMMA

Beta Zeta of Delta Gamma, third oldest national women's fraternity, took its place on the Denison campus in 1938. We have celebrated a very eventful fifteenth year at the college on the hill.

The interests of Delta Gammas are many and varied, as a look at the activity book will show.

In the line of social service, our work in Sight Conservation and Aid to the Blind has progressed even more, as this year we added to our work the Columbus School for the Blind.

Beta Zeta also has its own special project of maintaining a young Greek war orphan.

Serving as Co-chairman of Christian Emphasis Week next year we have Mu represented by Bill Bowen, who is also a member of Blue Key and secretary of the "D" Association.

Turning to the field of athletics we find that Mu Chapter had 22 members participating in the varsity sports of football, basketball, baseball, tennis, track, and lacrosse. Jim Emanuelson was the co-captain of the basketball team. The chapter brought a very successful year to a close by winning the intramural cup and gaining its full possession. RecorderBill Isaly

Beta Theta Pi was founded August 8, 1839, at Miami University at Oxford, Ohio. The Fraternity received the distinction of being the first fraternity to originate west of the Allegheny Mountains. The Denison chapter was formally instituted as the Eta Eta chapter of Beta Theta Pi on December 23, 1868. The chapter name became Alpha Eta as a result of action taken by the National Convention of 1872.

This year, as always, the men of Alpha Eta carried out their responsibilities as one of the top fraternities on the campus. With brothers Isaly, Dallas, Maurer, Crowe, Wolfe, Lugar, and Weber as members of Blue Key, the diamond wearers continued in the spot of leadership on campus. Isaly, Lugar, Weber, and Dallas were also members of ODK. From the chapter two men were picked for membership in Phi Beta Kappa, Dick Lugar and Ed Weber.

Co-editor of the **Denisonian** this past year was Buck Walmsley, who with Pete Hawk, Bill Ryno, and Bill Isaly comprised the Beta delegation in Pi Delta Epsilon. Walmsley also served as chairman of the Board of Control for Publications. In the field of music, Ed Weber acted as Business Manager for the Men's Glee Club this year. Student director of that same group was George Dalias, also Mu Sigma prexy.

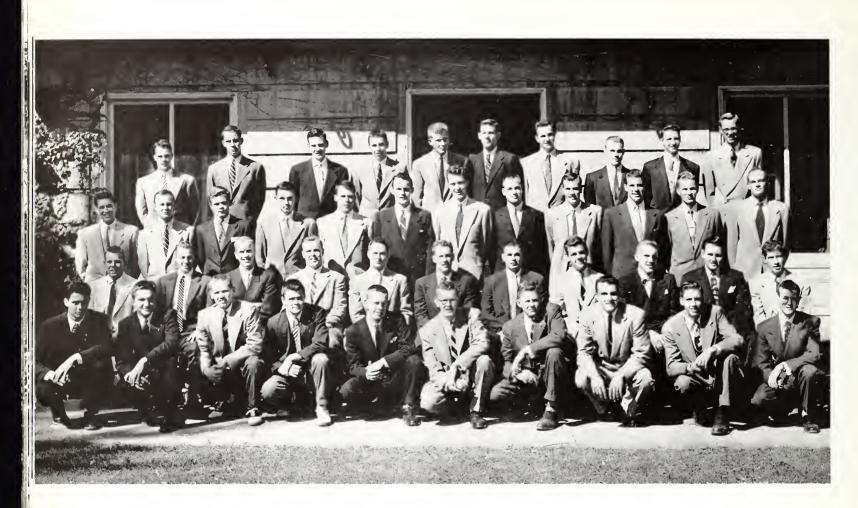

The Christian Emphasis Program was lead by Dick Lugar during the year. Next year Dale Wolfe will serve in the same capacity. In March the student body elected Lugar to the position of co-president of the Campus Government Association.

On the athletic field sixteen Betas played on the Big Red football team. Dave Maurer was elected captain for the coming year. With four men on the basketball squad and several members of the track, baseball, and tennis teams, the Betas were able to retain the varsity cup for another year. Ed Weber served as captain of the tennis squad. D-Association prexy for the year was Bob Laird. The men of Beta look forward to the next year, and hope to continue the great service to the campus they have given.

PHI GAMMA DELTA

Phi Gamma Delta was founded on April 28, 1848 at Jefferson College, Canonsburg, Penn. Lambda Deuteron chapter at Denison was chartered in 1885 with eight men and now proudly boasts 803 members.

The 25th annual Fiji Fisicuffs were held this fall with the men of Denison and Granville in attendance. The chapter sponsored an Orphans' Party at Christmas, a campus wide clothing drive, and trips to the mental hospital.

A fiting climax to weeks of practice was a first place in the fraternity section of the Bonds of Friendship. The apex of the social season was the Fiji Island weekend. The brothers and their Fiji maids danced in true South Sea island fashion, garbed in sarongs and grass skirts; at curfew the men left the house to the girls for the night, serenading under the Fiji Moon as they left.

Phi Gamma Delta once again gave evidence of its leadership in campus activities as brothers Kennedy, Ames, Gillies, McQuigg, Purcell, Shackelford, and Brickman held membership in ODK, Senior Men's honorary.

Nine Fijis were in Blue Key with Duck Shackelford succeeding Spike Kennedy as president. Dave Purcell and Don Gillies were members of Phi Beta Kappa. Pi Delta Epsilon had seven Phi Gams as members with Jack McQuigg as the past president. Don Gillies was the president of Pi Sigma Alpha political science honorary, Dave Purcell was the president of the Young Republican Club, and Dick Broughton was president of Theta Eta Chi.

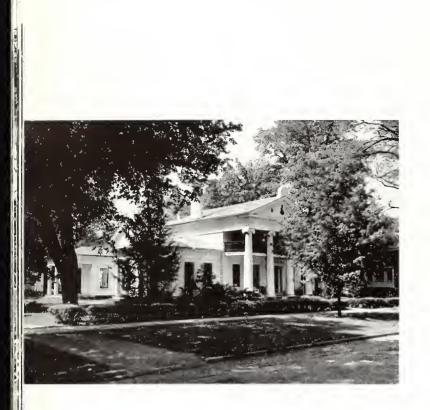

John Ames served as co-president of DCGA. Brad MacKimm succeeded Duck Shackelford as editor of **Campus** magazine; Jack McQuigg was co-editor of the **Denisonian**; and Jim Brophy will edit next year's **Adytum**. Ted Cochran and Joe Sheets were Business managers of the **Denisonian** and the **Adytum**. Phi Gamma Delta was represented in varsity athletics by twelve "D" men. John Ames was captain of the track team and set new records.

Once again Kappa Sigmas had a distinguished record of leadership in campus activities.

Cramer succeeded Bassett as chairman of Men's Judicial Council. Newton was editor of the **Adytum** and his staff editors included brothers Smalstig and Rutherford. Bayley, Moor, Gilb, and Steaks have all been active in Denison theatre productions. Chairman of the auto court was Hotaling. Brother Davis served as all-school social chairman.

This year's Big Red football and baseball teams were co-captained by four Kappa Sigs.

Moore and Wosinski led the gridders; while Alt and Kleck sparked the diamond crew. In all, thirteen brothers wore the Red and White on Deeds field. Brother Alt was named most valuable player, all-Ohio Conference, and received mention on the Little All-American

team. Also receiving all-conference honors were Wosinski, Vogt, and Apthorp.

A total of twenty-one Kappa Sigs wore the Denison varsity "D".

Kappa Sigmas were again prominent in the campus honorary societies. Brothers Bassett, Cramer, Moore, McFarland and Newton are members of ODK. Alt, Bassett, Cramer, Kleck, Moore, Newton, and Vogt are wearers of the Blue Key. Theta Eta Chi claims Kappa Sigs Wosinski, Bassett, and Whitmer. We are especially proud of Jim McFarland who is a member of Phi Beta Kappa and was graduated with honors.

KAPPA SIGMA

Kappa Sigma was founded December 10, 1869 at the University of Virginia. Gamma Xi chapter was founded in 1910 when the local fraternity, Beta Alpha Delta, was given a charter by the national organization.

The lights in front of the famous white house on Broadway gleamed brightly many nights during the past year. Kappa Sigma's dances and informal parties will be long remembered by all of those who attended them. But it is not fun alone which has distinguished the wearers of the Crescent and the Star—activities have culled many of their leaders from our ranks.

Phi Delta Theta was founded at Miami University on December 26, 1848. Since its inception in 1916, Ohio lota has added 676 brothers to an international brotherhood which now embraces over 110 chapters and 80,000 members.

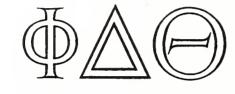

Denison Phi's held important positions in many campus organizations. Athletically, four Denison teams will be captained by Phi Delts. Don DeJong is co-captain of basketball, Brothers Hunting and Miller are co-captains of soccer, Chuck Peckham is captain of golf, and Bud Miller is captain of lacrosse. D men include DeJong and Walton, football; Hunting, Miller, Barth, Nichols and Kalbfleisch, soccer; De-Jong, basketball; McKinney, baseball; Heamon, Miller, Kalbfleisch, and Hess, lacrosse; DeJong and Macomber, track.

In activities, Phi Delts are also prominent.

PHI DELTA THETA

Harry Rownd is president of ODK and vicepresident of Blue Key. Garrett, Miller, Peckham, and McKinney are also members of Blue Key. Alpha Epsilon Delta will be led next year by LeFever and McCombs, president and vice-president respectively; while DeJong and Peckham hold the same positions in the D Association. Lord and McKenney are members of Pi Sigma Alpha; LeFever, Rownd and Mc-Kenney in Pi Delta Epsilon; Hunting in Mu Sigma; Garrett in Theta Eta Chi; and Rownd is commander of the ROTC unit.

A successful social season was climaxed by the colorful Roman Toga Party.

The chapter was deeply saddened by the tragic death of Professor David Lattimer, a loyal friend and chapter adviser.

To our graduating seniors, the undergraduate chapter extends its heartfelt thanks and best wishes for the future.

Top campus honors were accorded Dave Fullmer, co-vice president of DCGA, ODK president, and a member of Phi Beta Kappa. Tom Williams was IFC president. Hugh Pickett was elected to ODK and was a member of Blue Key along with Dave Fullmer, John Trimble, Bill Hughes, and Bud Steele. Ed Jacobs is new associate editor of **Campus** magazine; Charles Heventhal, president of Franco-Calliopean; Mike Cook, chairman of the Music Board of Control; Bill Hughes, president of the Radio Broadcasting Club; Bud Steele, president of Masquers; and Jim Arnold is president of the class of '55.

The chapter pays tribute to the alumni whose loyal service to Lambda Chi Alpha has made the new house possible. Lambda Chi Alpha was founded at Boston University in 1909. It now has the largest number of chapters among the Greek letter fraternities. The Denison Sycamore Club was installed as Gamma lota Zeta of Lambda Chi Alpha in 1919.

The completion of a new Georgian colonial house in February was the result of many years of devoted service of Lambda Chi alumni. A banquet for over 115 Gamma lota men and college and national fraternity officials on March 15th culminated the House Dedication Weekend. Coinciding with this occasion were two other significant events. Burt T. Hodges, Treasurer of Denison University, was awarded the Order of Merit of Lambda Chi Alpha, highest honor of the national fraternity, in recognition of his outstanding service to the brotherhood. Jerry Jordan was honored for his initiation as the 500th member of the Denison chapter.

LAMBDA CHI ALPHA

Parties and dances were held in the house many times during the semester, starting with the popular Gambling Party. The height of the social season was the annual Parisian Dive Party Weekend. The brothers and their dates came to the house attired in traditional Left Bank dress. After serenading them under a Crescent moon, the men turned the house over to the girls for the night.

SIGMA ALPHA EPSILON

After many long years of waiting and working toward their dream, the Ohio Mu Chapter of Sigma Alpha Epsilon is now proudly occupying its new house on Fraternity Row. Starting as a local, Omega Pi Epsilon, S.A.E. was founded on the Denison campus in October of 1919.

The fraternity was located downtown for many years but because of a shortage of adequate facilities started a campaign to move "up hill." Now the new house sports more than adequate conveniences for its members. The Chapter is grateful to the persons that have made this accomplishment possible. The Sig Alphs started the year with their traditional serenade to the newly pledged girls in sorority circle. A successful finale to the 1952-'53 season occurred when Sigma Alpha Epsilon marched up the steps of Doane Library to capture first place in the annual Mother's Day Interfraternity Sing.

Ohio Mu boasts of its brothers in such activities as varsity football, soccer, basketball, lacrosse, track, Sigma Delta Pi, Franco-Calliopean Society, Pi Delta Epsilon, Alpha Epsilon Delta, Theta Eta Chi, **Denisonian, Adytum, Campus** magazine, University Players, Denison Radio Broadcasting Club, Theatre and Speech Boards of Control, DCEP, Junior class executive committee, Chemical Society, Camera Club, and Young Republican Club. During the past Homecoming festivities, Ohio Mu was proud of one of its brothers who did such a fine job as general chairman of the entire weekend.

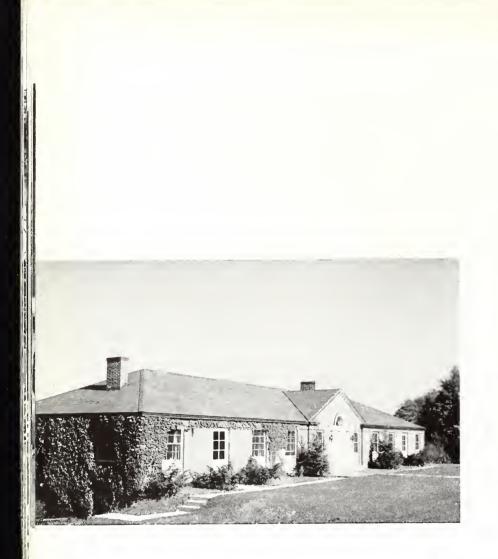

Keeping a well-balanced scale in the fraternity are the social functions and the intramurals.

Perhaps the Buckeye Lake invitation party and the Artists Fantasy Weekend Party could be considered as the social highlights of the year. Of course, all the brothers enjoyed the evening when the Kappa pledges decided to visit our house and escape the "tyranny" of the Kappa actives.

The chapter wishes to express its appreciation and convey its best wishes to the graduating seniors.

The social calendar of the American Commons Club has been highlighted by such events as the Fall hayride, the Christmas, Spring, and Pledge Formals, and the annual April Casino party-Overnight-steak roast weekend.

Commoners have carried on the Franklin Village project in conjunction with Chi Omega sorority and Deni-Service, emphasizing the individual growth of children aided in this program. We're also proud of "Mad Norwegian" Kjell Amble, who won a \$500. theatre scholarship and acceptance into Masquers. Kjell, along with Bill Barringer and All-Midwestern soccer fullback Dave Wyse, also won his varsity "D". Senior Jack Streb, past president of psychology honorary Psi Chi, was tapped by both Blue Key and ODK. Bill Johnson was chairman of the Board of Control of Music, treasurer of DCGA, and was initiated into Phi Beta Kappa. Dave Rymer, Ray Mummery, and Club prexy Hal Walker became University Players, while Al Ward had the lead in the freshman production "Lo and Behold."

AMERICAN COMMONS CLUB

"To foster the spirit of A.C.C." by carrying out its ideals of true brotherhood and nondiscrimination, by providing a medium for social relaxation, and by participating fully in campus and community affairs, has been the goal of the American Commons Club this year.

The Club sustained the standards it has been setting since its inception on the Denison campus in 1917 by maintaining the highest fraternity scholastic average and by continuing its tradition of fine singing. This year's pledge class copped the Pledge Sing trophy for the second successive year.

Founded on November 4, 1834, at Williams College, the Denison Chapter of Delta Upsilon holds the distinction of being the oldest national fraternity on the campus. However, we are also the youngest group on campus, being installed as the sixty-eighth chapter of Delta Upsilon on December 3, 1949.

ADMINISTRATION

The Denison Community extends far beyond the physical limits of the campus and the town of Granville. Besides the students, the faculty, and the administration it includes the many wonderful alumni, the parents and relatives of Denison students, and the friendly people who make up the community of Granville. Without these outside groups, those of us who spend our time on the campus would be unable to accomplish many of the things we are fortunate enough to have; things such as Homecoming parades, Mother's and Dad's Day events, and town and gown projects. The many details of making our academic life a success are handled by those administrators and friends who feel a part of our community. We will all miss the leadership and friendship which our seniors have given us during their four years on the campus, but we know that we, the student body, will continue to have their support as alumni. Each of us who have some interest in Denison will continue to work together through the coming years to uphold the honor and tradition which is ours.

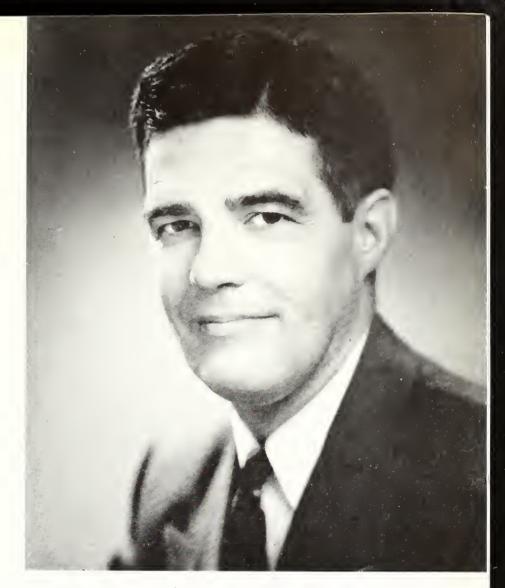

IN MEMORY OF DAVID W. LATTIMER

The Denison community was deeply moved by the sudden and tragic death of David W. Lattimer, beloved instructor in history. Lattimer served on the Denison staff for a year shortly after his own college graduation and returned to the faculty in 1950 after serving on the staffs of the University of Tennessee and Ohio State University. Students and friends honored his memory at a memorial service held in Swasey Chapel May 12. His career as a professor was characterized by devotion to his students. The University and the community will long remember the loyal service he gave to further the advance of education.

PRESIDENT AND DEANS

President Knapp, now in his second year as our President, has won a place in the hearts of all students by his sincere and frank attitude. Upon coming to Denison he named Cyril Richards as Vice-President of the college. Dr. Richards has devoted himself to his job. His executive ability in connection with educational programs and relationships with the faculty has been a true contribution to the school's well-being. Mrs. Jones, Dean of Women, is serving well in her initial year in this capacity. Her office is the central clearing house for the various non-academic activities of the Denison coed. Francis Bayley, in his position as Dean of Men, has won the respect of all the men students. He is to be commended for his wisdom and understanding on questions concerning conduct and living conditions.

Dr. A. Blair Knapp, completing his second year as president of the university, has won many friends among the Denison student body as well as among the parents and alumni. His advice and guidance have been beneficial to everyone.

THE ADMINISTRATION

ADMINISTRATIVE WORK CENTERS IN DOANE.

As on independent college Denison hos been oble to mointain o solid footing becouse of o copoble odministration. By experience, Denison hos found that such on odministration is o "must" for o privotely-odministered and financed institution. Through the hord work of these individuals the school's future remains secure. Mony are the times that o student, wolking home from the librory, finds someone working late at night in the administration building. Hord work and interest in Denison has characterized the efforts of these people. They too take part in the Denison community, adding much to our various activities. Much of the future of Denison lies in the hands of this administration.

Denison feels that a liberally educated person should know and be able to use his language effectively. It is impossible to graduate without fulfilling a requirement in language or literature. Departments of English, modern language, classical language and speech give the Denison student a wide selection of courses. The faculty of these departments include very outstanding men and women in their fields. Stress is placed on creative writing, and students learn to express their ideas with proficiency. When a graduate leaves Denison he has acquired a thorough knowledge of this field of study. Likewise the ability to speak clearly and fluently is a true benefit of a liberal arts education.

Because of the present stress upon educational institutions giving the student a true picture of his environment, the Core program has stressed a study of the social sciences. Freshmen or sopohomores take the history of Western Civilization. As one progresses towards a degree, courses in sociology, government, economics, and philosophy and religion are needed. Integration is aimed for by the various social science departments. A close relationship is existent between departments to insure progress along this line. Emphasis is placed on the use of scientific analysis and its application to the present social problems. A good knowledge of the ideals of the past and present is extremely important to each person preparing himself for life after graduation. The Core Course program focuses on this type of knowledge.

In a world filled with increased technology, the Denison student is encouraged to take a course in science and mathematics. A logic course is sometimes taken in place of the math requirement, but in any case the student is exposed to systems requiring clear and accurate thought. In either the freshman or sophomore year the student must take the life science course stressing the organic development and behavior, or the course in the physical sciences. By having taken these courses one becomes familiar with the scientific methods and the latest developments in science, thus enabling him to live more effectively following graduation. This year Dr. Ronneberg, professor of chemistry, has been on leave doing some atomic research.

THE ARTS

In a liberal arts college much stress is placed upon the development of the arts. A sound knowledge of acting out a dramatic role, doing justice to a score of music, or putting something original on canvas is not easily acquired. We at Denison have been especially proud of the development of the fine arts program. Our progress has come through the guidance of the instructors in the various fields. The arts form an integral part of the curriculum in the college, bringing to each student an understanding and appreciation of the classical and contemporary arts. Many have chosen to major in fine arts, and by participation in these arts have brought honor and distinction to Denison. Each student, to fulfill his graduation requirement, must take at least two of the three arts courses. In so doing the graduate leaves the college with an understanding of the arts and is able to critically evaulate them.

Due to the feeling of the administration that competition is of great value to the individual and the college community, an extensive intramural program is carried on at Denison. Participation in athletics by as many students as possible is the objective of this department. Since the building of a new physical education center in 1950 the schoal has had one of the finest athletic plants in the midwest. The acting head of the physical education department this year has been Sidney Jenkins. He has also maintained his jab as director af intramurals. The wamen's department is headed by Natalie Shepard. Through their variaus caurses in education they prepare many students for teaching and caaching physical education in our schaal systems.

AIR FORCE R.O.T.C.

As students returned to begin the school year in September they found that something new had been added to the Denison campus. On certain days men in blue seem to dominate the scene. The United States Air Force Reserve Officer Training Corps had been established. The purpose of such a unit is to train students to be reserve officers in the United States Air Force. After some years of waiting Denison has finally received the valuable addition to its curriculum. As freshhman men enter Denison they are encouraged to take this program, for in doing so they are offered something that adds a degree of security to a full college education.

AFROTC officers left to right: Hoover, Jones, and Woodling.

The first official review of the AFROTC unit was held on May Day.

During the first semester of the freshman year draft-deferments are granted to all physically qualified students in AFROTC. They must agree to complete the course, to attend one summer of camp, and upon completion to accept a commission, if tendered, and serve on active duty for a period of two years. With such an agreement the student's draft board is notified and the student deferred as long as his college work proves satisfactory. Textbooks and such materials are supplied without cost by the college and Air Force. The basic courses consist of subjects in political geography, leadership, organization of defense, meteorology, aerodynamics and propulsion, drill and exercise of command. The advanced course is open to physically qualified male students if accepted by the Professor of Air Science and Tactics. Such courses consist of air operations, inspection systems, military teaching methods, and personal management. Such training offers qualified students valuable training for leadership.

The William Howard Doane Library at Denison assumes great importance in the educational and cultural life of the student. To be able to meet the needs of all students, the staff in charge of Miss Engleman, spend endless hours helping the student find and interpret material for classroom and research use. The library's resources are available to all students.

At the far end of the campus we find Whisler Memorial Hospital. Every student is encouraged to use the Hospital and Daily Clinic as often as the need arises. Unfortunately "Sis" Hopkins, a traditional part of our college, will be missing next year. Having retired after twenty-four years her place as head nurse will be occupied by Miss Earhart.

ADVERTISEMENTS

We are all aware of the fact that Denison is located in the town of Granville, Ohio, but few of us stop to think just how very much this small town means to all of us. There are the mayor and the town council who get together with the student government and plan such events as the Granville Clean-Up and the Blood Drives. There are the many storekeepers who keep the Denisonians supplied with all manner of things which are essential to a year at college. The friendly atmosphere which these people create is the most important thing, however, because to us as Denison students it is a home away from home. Its interested inhabitants play a part in our daily lives. Besides cooperating on special events, the town and the college both support the lecture and festival series as well as the musical and dramatic events sponsored by the university. While the university depends on the town, the town in turn depends on the university for its livelihood and prosperity. We are all proud of the cooperation and integration which has grown up between these two parties.

Denison adds much to the economic life of Granville.

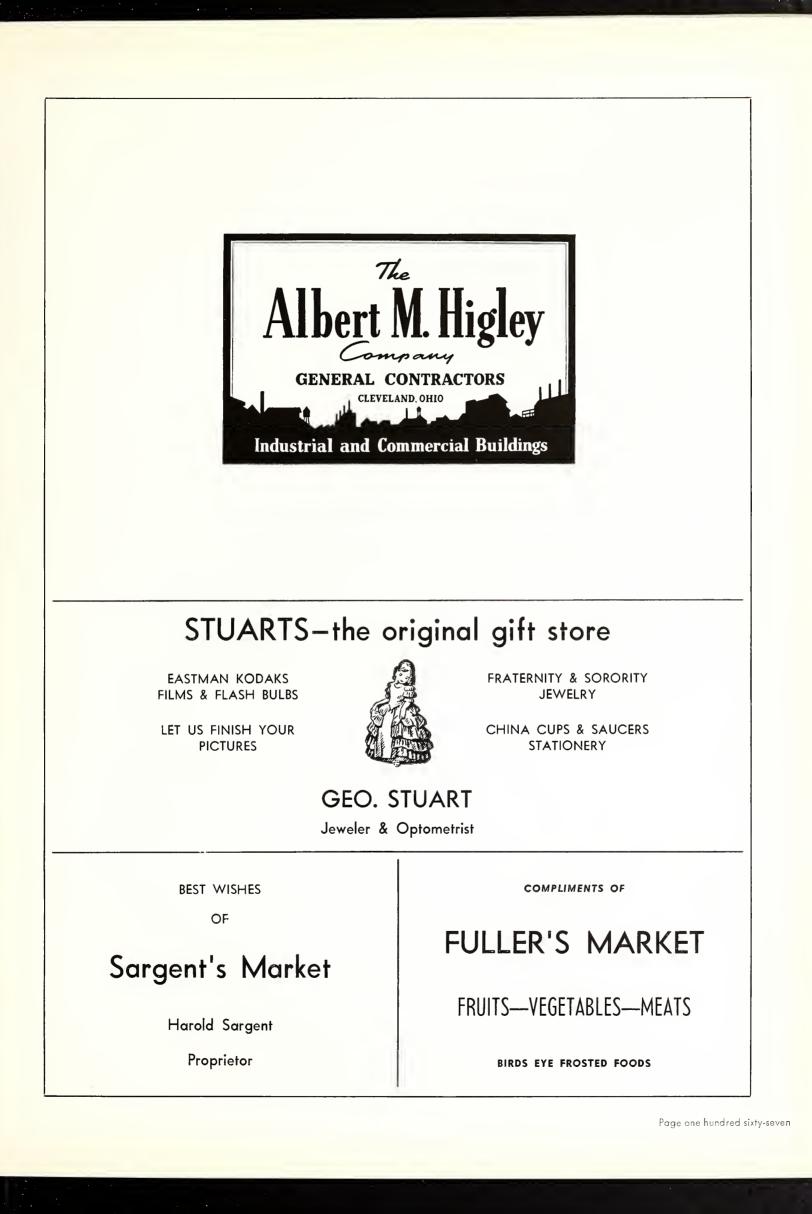

Not as busy as Times Square, but Broadway is the busiest spot in Granville. Mayor Bjelke finds pleasure reading a magazine on a handy bench.
