INTRODUCTION

“ . . . because we have committed ourselves to the defense of one small country —others have taken new heart.”

President Johnson • July, 1966

The defense against Communist aggression in Vietnam is not being waged only by fighting men of the **Republic of Vietnam** and the **United States**. Other countries which have joined in the military effort are:

- **Australia**
- **New Zealand**
- **Republic of Korea**
- **Republic of the Philippines**
- **Thailand**

Together, these seven countries are showing the world that their faith in the future of a free Asia is backed by unbeatable teamwork.

This booklet is designed to acquaint American military personnel with their allies in Vietnam. It shows the uniforms and titles and insignia of rank of the armed forces of the Republic of Vietnam and the six other countries committed to the defense of freedom in Asia.
