Gravim 25 Apr

1 Mar

The image shows a page of graph paper with a grid of small tables. The grid is mostly filled with small tables, but there is a large rectangular area in the center that is missing or obscured by a piece of tape. Each small table contains a single character, likely a digit or a symbol, arranged in a regular pattern. The characters are small and difficult to read, but they appear to be arranged in a regular grid. The page is numbered 4524 at the top, and has handwritten notes 'Gravim 25 Apr' and '1 Mar'.

A grid of 12 columns and 20 rows of black dots on aged paper. The dots are arranged in a regular pattern. Some dots are circled in light pencil, specifically in the 4th, 5th, and 6th columns. The paper shows signs of age, including a tear at the top right and some staining.
